Gwenevere and the Round Table Wendy Berg,2012 The new book by Wendy Berg puts her acclaimed Red Tree White Tree into practice It shows how the Round Table was an actual practical system of magic demonstrated by Gwenevere who was its prime interpreter within the court of the Round Table Central to the book is the concept of five Faery kingdoms described in the legends with which Gwenevere was closely associated Lyonesse Sorelois Gorre and Oriande about the central Grail kingdom of Listenois The book comprises a graded series of meditations practical magical exercises guided visualisations and a full ritual which take the reader into each of the Faery kingdoms in turn guided by Gwenevere to experience the various challenges and gifts that they each represent The fourth kingdom Oriande takes the reader into the Round Table of the Stars an experiential journey through 12 constellations which very neatly and remarkably demonstrates the continuing work of the Round Table into the future **The Cliveden Set** Norman Rose,2011-02-28 Lloyd George once spoke of a very powerful combination in its way the most powerful in the country Its proceedings were invariably conducted at Cliveden the country estate of the fabulously wealthy Nancy and Waldorf Astor Collectively dubbed God s Truth Ltd the group included leading politicians academics writers and newspaper editors Its pedigree impeccable its social standing beyond reproach its persuasive powers permeated the clubs and institutions of London the senior common rooms of Oxbridge colleges the quality press and the great country houses of England Suddenly in the late 1930s the Cliveden Set was catapulted into uncalled for notoriety It had been identified as a cabal that sought to manipulate even determine British foreign policy in order to uphold its narrow class interests It would use any means however devious even negotiate a humiliating dishonourable settlement with Nazi Germany to maintain its privileges those of a decaying ruling class But was the Cliveden Set a traitorous cabal challenging the constitutional structures of British democracy or simply an unstructured think tank of harmless do gooders Norman Rose discerningly probes this fascinating tale brilliantly disentangling fact from

fiction and setting this privileged clique in the wider perspective of its times **ITF Round Tables The Wider Economic Benefits of Transport Macro-, Meso- and Micro-Economic Transport Planning and Investment Tools** International Transport Forum,2008-07-08 This Round Table challenges the standard cost benefit analysis of transport infrastructure investment projects on the grounds that it ignores wider economic impacts of such projects *Third ASEAN Chief Justices' Roundtable on Environment* Kala Mulqueeny,Francesse Joy Cordon,2014-09-01 From 15 18 November 2013 the Association of Southeast Asian Nations ASEAN chief justices and their designees convened in Bangkok Thailand for their third roundtable on environment with the theme ASEAN s Environmental Challenges and Legal Responses Distinguished speakers and the judicial participants shared their knowledge and experiences in dealing with the region s environmental challenges and the various means and innovations they have implemented to effectively address these challenges The ASEAN judiciaries agreed on how they could advance regional collaboration and accelerate the implementation of A Common Vision on Environment for ASEAN Judiciaries the Jakarta Common Vision such as by establishing National Working Groups on Environment and an ASEAN Judiciaries Working Group on Environment and prioritizing the attendance of their chief justices at the annual ASEAN Chief Justices Roundtable on Environment that is supported by the Asian Development Bank
