bluegrass and old time Appalachian music from its legendary roots to today's Grammy winning stars. With simple instrumentation, banjo, guitar, and base, a great variety of musical traditions converged to create the old timey music of Appalachia. Over time, that mountain sound evolved into numerous genres and subgenres that continue to thrive today. Now musician and roots music historian Craig Harris takes readers on an anecdotal journey through this distinctly American music. From the Grand Ole Opry and the historic Bristol Sessions to contemporary festivals and the reemergence of Bluegrass in popular culture, Harris combines extensive research and never before seen photographs with more than ninety exclusive interviews. Bluegrass, Newgrass, Old Time, and Americana Music is chock full of anecdotes about Bill Monroe, Flatt & Scruggs, Del McCoury, Doc Watson, Alison Krauss, the Nitty Gritty Dirt Band, and more. **Old Time Music**, 1989 **Country Music Originals** Tony Russell, 2010-03-15 The history of early country music in vivid portraits and an unfolding narrative. Recording pioneers like Jimmie Rodgers and The Carter Family are studied alongside lesser known but fascinating artists and groups, some of their stories told for the first time. Accompanied by over 200 photographs and playlists of recommended recordings.

Country Music Kurt Wolff, 2000 Includes essays tracing Country's growth from hand-me-down folk to a major American industry, concise biographies, critical album reviews from the earliest commercial recordings of the 1920s through the multi-platinum artists of today, and vintage album jackets and previously unpublished photographs. *World Music: Latin and North America, Caribbean, India, Asia and Pacific* Simon Broughton, Mark Ellingham, Richard Trillo, 2000 The Rough Guide to World Music was published for the first time in 1994 and became the definitive reference. Six years on, the subject has become too big for one book, hence this new two-volume edition: *World Music 2: Latin and North America, Caribbean, India, Asia and Pacific*. It has full coverage of everything from salsa and merengue to qawwali and gamelan, and biographies of artists from Juan Luis Guerra to The Klezmatics to Nusrat Fateh Ali Khan. Features include more than 80 articles from expert contributors focusing on the popular and roots music to be seen and heard both live and on disc, and extensive discographies for each country, with biography notes on nearly 2000 musicians and reviews of their best available CDs. It includes photos and album cover illustrations which have been gathered from contemporary and archive sources, many of them unique to this book, and directories of World Music labels, specialist stores around the world, and on the internet. **American Folk Music and**

Folklore Recordings, *All Music Guide* Vladimir Bogdanov, Chris Woodstra, Stephen Thomas Erlewine, 2001-11 Arranged in sixteen musical categories, provides entries for twenty thousand releases from four thousand artists and includes a history of each musical genre. *The Never-Ending Revival* Michael F. Scully, 2022-08-15 In recent years there has been an upsurge in interest in roots music and world music, popular forms that fuse contemporary sounds with traditional vernacular styles. In the 1950s and 1960s the music industry characterized similar sounds simply as folk music. Focusing on such music since the 1950s, *The Never-Ending Revival* by Rounder Records and the Folk Alliance analyzes the intrinsic contradictions of a commercialized folk culture. Both Rounder Records and the North American Folk Music and Dance Alliance have sought to

make folk music widely available while simultaneously respecting its defining traditions and unique community atmosphere. By tracing the histories of these organizations Michael F. Scully examines the ongoing controversy surrounding the profitability of folk music. He explores the lively debates about the difficulty of making commercially accessible music honoring tradition and remaining artistically relevant all without selling out. In the late 1950s through the 1960s the folk music revival pervaded the mainstream music industry with artists such as Bob Dylan and Joan Baez singing historically or politically informed ballads based on musical forms from Appalachia and the South. In the twenty-first century the revival continues and it includes a variety of music derived from Cajun, African American, and Mexican traditions among many others. Even though the mainstream music industry and media largely ignore the term folk music, a strong allure based on nostalgia, the desire for community, and a sense of exclusiveness augments an enthusiastic following connected by word of mouth, numerous festivals, and the Internet. There are more folk festivals now than there were during the original boom of the 1960s, suggesting that music artists, agents, and record label representatives are striking a successful balance between tradition and profitability. Scully combines rich interviews of music executives and practicing folk musicians with valuable personal experience to reveal how this American subculture remains in a never-ending revival based on fluid definitions of folk and folk music.

The First Generation of Country Music Stars David Dicaire, 2015-01-27 This book focuses on 50 of the most important entertainers in the history of country music from its beginnings in the folk music of early America through the 1970s. Divided into five distinct categories, it discusses the pioneers who brought mountain music to mass audiences, cowboys and radio stars who spread country music countrywide, honky-tonk and bluegrass musicians who differentiated country music during the 1940s, the major contributions that female artists made to the genre, and the modern country sound which dominated the genre from the late 1950s to the mid 1980s. Each entry includes a brief biography of the chosen artist with special emphasis on experiences which influenced their musical careers. Covered musicians include Fiddlin' John Carson, Riley Puckett, Gene Autry, Roy Rogers, Bob Wills, Bill Monroe, Hank Williams Sr., Dale Evans, June Carter, Cash, Loretta Lynn, Buck Owens, Roy Clark, Willie Nelson, and Merle Haggard.

The Old-time Herald, 1995 **Play Me Something Quick and Devilish** Howard Wight Marshall, 2013-01-01 **Play Me Something Quick and Devilish** explores the heritage of traditional fiddle music in Missouri. Howard Wight Marshall considers the place of homemade music in people's lives across social and ethnic communities from the late 1700s to the World War I years and into the early 1920s. This exceptionally important and complex period provided the foundations in history and settlement for the evolution of today's old-time fiddling. Beginning with the French villages on the Mississippi River, Marshall leads us chronologically through the settlement of the state and how these communities established our cultural heritage. Other core populations include the Old Stock Americans, primarily Scotch Irish from Kentucky, Tennessee, North Carolina, and Virginia; African Americans; German-speaking immigrants; people with American Indian ancestry focusing on Cherokee families dating from the Trail of Tears in the 1830s; and Irish railroad

workers in the post Civil War period These are the primary communities whose fiddle and dance traditions came together on the Missouri frontier to cultivate the bounty of old time fiddling enjoyed today Marshall also investigates themes in the continuing evolution of fiddle traditions These themes include the use of the violin in Westward migration in the Civil War years and in the railroad boom that changed history Of course musical tastes shift over time and the rise of music literacy in the late Victorian period as evidenced by the brass band movement and immigrant music teachers in small towns affected fiddling The contributions of music publishing as well as the surprising importance of ragtime and early jazz also had profound effects Much of the old time fiddlers repertory arises not from the inherited reels jigs and hornpipes from the British Isles nor from the waltzes schottisches and polkas from the Continent but from the prolific pens of Tin Pan Alley Marshall also examines regional styles in Missouri fiddling and comments on the future of this time honored and changing tradition Documentary in nature this social history draws on various academic disciplines and oral histories recorded in Marshall s forty some years of research and field experience Historians music aficionados and lay people interested in Missouri folk heritage as well as fiddlers of course will find *Play Me Something Quick and Devilish* an entertaining and enlightening read With 39 tunes the enclosed Voyager Records companion CD includes a historic sampler of Missouri fiddlers and styles from 1955 to 2012 A media kit is available here press.umsystem.edu/pages/PlayMeSomethingQuickandDevilish.aspx

Long Steel Rail Norm Cohen,2000 Impeccable scholarship and lavish illustration mark this landmark study of American railroad folksong Norm Cohen provides a sweeping discussion of the human aspects of railroad history railroad folklore and the evolution of the American folksong The heart of the book is a detailed analysis of eighty five songs from John Henry and The Wabash Cannonball to Hell Bound Train and Casey Jones with their music sources history variations and discographies A substantial new introduction updates this edition **Tommy Thompson** Lewis M. Stern,2019-03-28 Tommy Thompson arrived in Chapel Hill North Carolina in 1963 smitten by folk and traditional Appalachian music In 1972 he teamed with Bill Hicks and Jim Watson to form the nontraditional string band the Red Clay Ramblers Mike Craver joined in 1973 and Jack Herrick in 1976 Over time musicians including Clay Buckner Bland Simpson and Chris Frank joined Tommy who played with the band until 1994 Drawing on interviews and correspondence and the personal papers of Thompson the author depicts a life that revolved around music and creativity Appendices cover Thompson s banjos his discography and notes on his collaborative lyric writing **All Music Guide to the Blues** Vladimir Bogdanov,Chris Woodstra,Stephen Thomas Erlewine,2003-04 Reviews and rates the best recordings of 8 900 blues artists in all styles
