Rozhdenie Sverkhderzhavy 19451953 Gody:

Prestige, Manipulation, and Coercion Joseph Torigian, 2022-05-10 How succession in authoritarian regimes was less a competition of visions for the future and more a settling of scores Joseph Torigian's stellar research and personal interviews have produced a brilliant meticulous study It fundamentally undermines what political scientists have presumed to be the way Chinese Communist and Soviet politics operate Dorothy J Solinger University of California Irvine The political successions in the Soviet Union and China after Stalin and Mao respectively are often explained as triumphs of inner party democracy leading to a victory of reformers over conservatives or radicals In traditional thinking Leninist institutions provide competitors a mechanism for debating policy and making promises stipulate rules for leadership selection and prevent the military and secret police from playing a coercive role Here Joseph Torigian argues that the post cult of personality power struggles in history's two greatest Leninist regimes were instead shaped by the politics of personal prestige historical antagonisms backhanded political maneuvering and violence Mining newly discovered material from Russia and China Torigian challenges the established historiography and suggests a new way of thinking about the nature of power in authoritarian regimes

Late Stalinist Russia Juliane Fürst, 2006-09-27 The late Stalinist period long neglected by researchers more interested in the high profile events of the 1930s has recently become the focus of much new research by people keen to understand the enormous impact of the war on Soviet society and to understand Soviet life under mature socialism Written by top scholars from high profile universities this impressive work brings together much new cutting edge research on a wide range of aspects of late Stalinist society Filling a gap in the literature it focuses above all on the experience of the Soviet people and their interaction with ideology state policy and national and international politics

Late Stalinism Evgeny Dobrenko, 2020-07-14 How the last years of Stalin's rule led to the formation of an imperial Soviet consciousness In this nuanced historical analysis of late Stalinism organized chronologically around the main events of the period beginning with Victory in May 1945 and concluding with the death of Stalin in March 1953 Evgeny Dobrenko analyzes key cultural texts to trace the emergence of an imperial Soviet consciousness that he argues still defines the political and cultural profile of modern Russia

The Whisperers Orlando Figes, 2008-11-25 From the award winning author of *A People's Tragedy* and *Natasha's Dance* a landmark account of what private life was like for Russians in the worst years of Soviet repression There have been many accounts of the public aspects of Stalin's dictatorship the arrests and trials the enslavement and killing in the gulags No previous book however has explored the regime's effect on people's personal lives what one historian called the Stalinism that entered into all of us Now drawing on a huge collection of newly discovered documents *The Whisperers* reveals for the first time the inner world of ordinary Soviet citizens as they struggled to survive amidst the mistrust fear compromises and betrayals that pervaded their existence Moving from the Revolution of 1917 to the death of Stalin and beyond Orlando Figes re-creates the moral maze in which Russians found themselves where one wrong

turn could destroy a family or perversely end up saving it He brings us inside cramped communal apartments where minor squabbles could lead to fatal denunciations he examines the Communist faithful who often rationalized even their own arrest as a case of mistaken identity and he casts a humanizing light on informers demonstrating how in a repressive system anyone could easily become a collaborator A vast panoramic portrait of a society in which everyone spoke in whispers whether to protect their families and friends or to inform upon them *The Whisperers* is a gripping account of lives lived in impossible times

Stalin and the Cold War in Europe Gerhard Wettig, 2008 This intriguing book based on recently accessible Soviet primary sources is the first to explain the emergence of the Cold War and its development in Stalin's lifetime from the perspective of Soviet policy making It pays particular attention to the often neglected societal dimension of Soviet foreign policy as a crucial element of the genesis and development of the Cold War Gerhard Wettig provides readers with new insights into Stalin's willingness to initiate crisis with the West while still avoiding military conflict *Kyiv as Regime City*

Martin J. Blackwell, 2016 Part Three Relegitimization 5 The State's Dignity Is Higher Than His Own Dignity The Relegitimization of Soviet Power 6 Tashkent Partisans and German Bitches Relationships with Soviet Power Conclusion Notes Bibliography Index

Stalin as Warlord Alfred J. Rieber, 2022-08-23 An authoritative account of Stalin as a wartime leader showing how his paradoxical policies of mass mobilization and repression affected all aspects of Soviet society The Second World War was the defining moment in the history of the Soviet Union With Stalin at the helm it emerged victorious at a huge economic and human cost But even before the fighting had ended Stalin began to turn against the architects of success In this original and comprehensive study Alfred J Rieber examines Stalin as a wartime leader arguing that his policies were profoundly paradoxical In preparation for the war Stalin mobilized the whole of Soviet society in pursuit of his military goals and intensified the centralization of his power Yet at the same time his use of terror weakened the forces vital to the defense of the country In his efforts to rebuild the country after the devastating losses and destruction he suppressed groups that had contributed immeasurably to victory His steady ruthless leadership cultivated a legacy that was to burden the Soviet Union and Russia to the present day *Remaking Ukraine after World War II* Filip Slaveski, 2021-01-21

Ukraine was liberated from German wartime occupation by 1944 but remained prisoner to its consequences for much longer This study examines Soviet Ukraine's transition from war to peace in the long aftermath of World War II Filip Slaveski explores the challenges faced by local Soviet authorities in reconstructing central Ukraine including feeding rapidly growing populations in post war famine Drawing on recently declassified Soviet sources Filip Slaveski traces the previously unknown bitter struggle for land food and power among collective farmers at the bottom of the Soviet social ladder local and central authorities He reveals how local authorities challenged central ones for these resources in pursuit of their own vision of rebuilding central Ukraine undermining the Stalinist policies they were supposed to implement and forsaking the farmers in the process In so doing Slaveski demonstrates how the consequences of this battle shaped post war reconstruction and

continue to resonate in contemporary Ukraine especially with the ordinary people caught in the middle

Party Leadership under Stalin and Khrushchev Jonathan Harris,2018-09-15 This study demonstrates that the full time party officials of the Communist Party of the Soviet Union CPSU used the term party leadership to both disguise and signal their efforts to lead the Communists who manned the Soviet state In 1946 Stalin had made the newly formed Council of Ministers of the USSR led by its Bureau Presidium directly responsible for planning and administering the Soviet economy As a result the full time officials clashed constantly and publicly over the relative importance of their direct intervention in production as opposed to ideological education and personnel management in their efforts to provide party leadership of the state from 1946 until 1964 Zhdanov and Malenkov clashed over the issue until Zhdanov s death in 1948 and Malenkov clashed with Khrushchev over the same issue from 1949 until Stalin s death in 1953 This conflict became more explicit once Malenkov was named Chairman of the Council of Ministers and Khrushchev first secretary of the CC CPSU in 1953 and continued until Malenkov s ouster in 1955 Khrushchev clashed with Chairman Bulganin over the same issue from 1955 until 1958 Khrushchev s decision to replace Bulganin as Chairman of the Council of Ministers not only complicated the discussion of party officials role but led to a series of extremely contradictory reforms Khrushchev simultaneously bolstered party officials capacity to intervene directly in industrial production and strengthened the Council of Ministers control over the same process The ensuring administrative confusion when coupled with Khrushchev s overt disdain for the ideological education of Communists helped to undermine his authority and led to the decision of his colleagues to oust him in 1964

Soviet Policy in Xinjiang Jamil Hasanli,2020-12-03 Using recently declassified Soviet documents Jamil Hasanli examines Soviet involvement in the anti China rebellion in East Turkistan Hasanli takes readers back to the early 1930s when the Turkic national movement was suppressed by the Soviet government and the USSR Hasanli deftly illustrates how Stalin s policies toward the movement changed after the turning point of World War II and the treachery of Sheng Shicai leading up to the 1944 establishment of the Eastern Turkistan Republic and the start of the Cold War

2001 Massimo Mastrogregori,2011-08-02 Annually published since 1930 the International bibliography of Historical Sciences IBOHS is an international bibliography of the most important historical monographs and periodical articles published throughout the world which deal with history from the earliest to the most recent times The works are arranged systematically according to period region or historical discipline and within this classification alphabetically The bibliography contains a geographical index and indexes of persons and authors

Khrushchev in the Kremlin Jeremy Smith,Melanie Ilic,2011-01-25 This book presents a new picture of the politics economics and process of government in the Soviet Union under the leadership of Nikita Khrushchev Based in large part on original research in recently declassified archive collections the book examines the full complexity of government and provides an overview of the internal development of the Soviet Union in this period locating it in the broader context of Soviet history

The Legacy of World War II on the Stalinist Home Front Joon-Seo

Song,2007 This dissertation investigates the impact of the Second World War on Magnitogorsk a defense industrial center in the Urals and its people Drawing on interviews and sources located in Magnitogorsk and Cheliabinsk archives this study explores the city authorities strategies to overcome social economic and political problems created by the war and the ways in which the urban inhabitants responded to governmental policies by investigating three important aspects of postwar daily life living conditions labor and social security Stalin Sarah Davies,James Harris,2005-09-08 The figure of Joseph Stalin has always provoked heated and often polarized debate The recent declassification of a substantial portion of Stalin s archive has made possible this fundamental new assessment of the Soviet leader In this groundbreaking 2005 study leading international experts challenge many assumptions about Stalin from his early life in Georgia to the Cold War years with contributions ranging across the political economic social cultural ideological and international history of the Stalin era The volume provides a deeper understanding of the nature of Stalin s power and of the role of ideas in his politics presenting a more complex and nuanced image of one of the most important leaders of the twentieth century This study is without precedent in the field of Russian history and will prove invaluable reading for students of Stalin and Stalinism **The Cambridge History of the Cold War** Melvyn P. Leffler,Odd Arne Westad,2010-03-25 This volume examines the origins and early years of the Cold War in the first comprehensive historical reexamination of the period A team of leading scholars shows how the conflict evolved from the geopolitical ideological economic and sociopolitical environments of the two world wars and interwar period Property of Communists Mark B. Smith,2010 This groundbreaking book s analysis of the dual impact of World War II and the death of Stalin on the USSR its reappraisal of the status of property and ownership in the first communist society and its anchoring in comparative history will appeal to a broad audience of scholars and students of European and Soviet history a like Book Jacket
