Saving The President What If Lincoln Had Lived:

Saving the President Barbara Brenner, 1987-01-01 Vinnie Ream the White House sculptor discovers the plot to assassinate President Lincoln and works to save him **The Presidents We Imagine** Jeff Smith, 2009-03-19 In *The Presidents We Imagine* Jeff Smith examines the presidency's ever changing place in the American imagination. Ranging across different media and analyzing works of many kinds, some familiar and some never before studied, he explores the evolution of presidential fictions, their central themes, the impact on them of new and emerging media, and their largely unexamined role in the nation's real politics.

How the Poor Can Save Capitalism John Hope Bryant, 2014-06-02 A successful entrepreneur and nonprofit founder shares his plan of action to help the American economy by assisting America's poor. John Hope Bryant, a successful self-made businessman and founder of the nonprofit Operation HOPE, says business and political leaders are ignoring the one force that could truly re-energize the stalled American economy: the poor. If we give poor communities the right tools, policies, and inspiration, he argues, they will be able to lift themselves up into the middle class and become a new generation of customers and entrepreneurs. Raised in poverty-stricken, gang-infested South Central Los Angeles, Bryant saw firsthand how our institutions have abandoned the poor. He details how business loans, home loans, and financial investments have vanished from their communities. After decades of deprivation, the poor lack bank accounts, decent credit scores, and any real firsthand experience of how a healthy free enterprise system functions. Bryant radically redefines the meaning of poverty and wealth. It's not just a question of finances; it's values, too. He exposes why attempts to aid the poor so far have fallen short and offers a way forward: the HOPE Plan, a series of straightforward, actionable steps to build financial literacy and expand opportunity so that the poor can join the middle class. Fully seventy percent of the American economy is driven by consumer spending, but more and more people have too much money at the end of their month. John Hope Bryant aspires to expand the philosophy of free enterprise to include all of God's children and create a thriving economy that works not just for the one percent or even the ninety-nine percent, but for the one hundred percent. This is a free enterprise approach to solving the problem of poverty and raising up a new America. Economic immobility is the defining issue of America in the twenty-first century. John Hope Bryant makes an engaging case for why we must make our economy work for everyone. *How the Poor Can Save Capitalism* is a must-read for business leaders, policymakers, and community leaders who want to make the American Dream a reality for all our children.

Ben Jealous, former CEO NAACP: John and I want the same things. And the goals of this book are the same goals of my Rebuild the Dream campaign. He has provided the road map to economic recovery for this country at a time when economic inequality is at its peak. I for one will be following the steps laid out in the HOPE Plan.

Van Jones, former Presidential Advisor to Barack Obama and current host of CNN's *Crossfire*: **The Elements of Creation Myth** Charlie Dean Jr., 2010-08-27 One day a pretentious son called Sonny Babe has a homework assignment which leads him to ask members of his family about creation of the world and its organisms. His mother gave him the Bible's version with a

sister jokingly saying that she had heard that people come from monkeys and from his beady eyes and untidy look the saying just might be true But later his father promised to write a myth that did not indicate that people come from monkeys and some information about the Black Race Progression from slavery to freedom by the Thirteenth Fourteenth and Fifteenth Amendments also some information about sexually transmitted diseases and life from birth to grave The father got permission from his other family members to allow one week of the fathers vacation to spend at the familys farm located in the Mississippi Delta to thoroughly explain the duties of the eight spirits of his creation myth *Congressional Record* United States. Congress,1999 The Mythic Mr. Lincoln Jeff O'Bryant,2021-09-24 Honest Abe The rail splitter The Great Emancipator Old Abe These are familiar monikers of Abraham Lincoln They describe a man who has influenced the lives of everyday people as well as notables like Leo Tolstoy Marilyn Monroe and Winston Churchill But there is also a multitude of fictional Lincolns almost as familiar as the original time traveler android monster hunter This book explores Lincoln s evolution from martyred president to cultural icon and the struggle between the Lincoln of history and his fictional progeny He has been Simpsonized by Matt Groening charmed by Shirley Temple and emulated by the Lone Ranger Devotees have attempted to clone him or to raise him from the dead Lincoln s image and memory have been invoked to fight communism mock a sitting president and sell products Lincoln has even been portrayed as the greatest example of goodness humanity has to offer In short Lincoln is the essential American myth **The World Book** Michael Vincent O'Shea, Ellsworth D. Foster, George Herbert Locke, 1918 **Diagnosing Giants** Philip A. Mackowiak, 2013-09-02 Diagnosing Giants provides an overview of the history of medicine through a discussion of the mysterious illnesses of thirteen patients who changed the world The disorders of famous historical figures from King Tut to Eleanor Roosevelt are used as platforms to trace the evolution of medical concepts from the time of the ancient pharaohs to the present Lincoln Steven Johnston, 2018-08-16 The judgment that Abraham Lincoln is the finest president in the history of the United States borders on self evident This status tends to disable the very possibility of a more critical understanding or appreciation one that does not work explicitly or implicitly within the taken for granted frame of his greatness Still America is not blind to or ignorant of Lincoln s shortcomings Rather it is in part because of these shortcomings that Lincoln is revered Thus if the country needs to legitimize a problematic course of action it is Lincoln to whom it turns Lincoln America reminds itself suspended habeas corpus jailed political opponents suppressed speech held racist views and pursued racist policies The Lincoln that America idealizes is a thoroughly ambiguous figure Simultaneously the country tends to downplay or conveniently overlook the underside of Lincoln part of a larger political pattern in which it proclaims its exceptionalism while indulging the very worst as it conducts its political affairs It is time to take Lincoln s ambiguity seriously which might put America in position to recognize that one reason it routinely falls short of its democratic principles and commitments is that it may not just like Lincoln fully believe in them In Lincoln The Ambiguous Icon Steven Johnston explores Lincoln s complicated political thought

and practice reinterpreting the Gettysburg Address the Second Inaugural and some of the many manifestations of Lincoln in film monuments and memorials that conceal but also reveal the terrible ambiguity of this marginally understood American figure

The Beginner's History of Our Country Harry Fishburne Estill (F.),1904 *The Long Reconstruction* Frank J. Wetta,Martin A. Novelli,2013-09-11 A century and a half after the Civil War Americans are still dealing with the legacies of the conflict and Reconstruction including the many myths and legends spawned by these events *The Long Reconstruction* The Post Civil War South in History Film and Memory brings together history and popular culture to explore how the events of this era have been remembered Looking at popular cinema across the last hundred years *The Long Reconstruction* uncovers central themes in the history of Reconstruction including violence and terrorism the experiences of African Americans and those of women and children the Lost Cause ideology and the economic reconstruction of the American South Analyzing influential films such as *The Birth of a Nation* and *Gone with the Wind* as well as more recent efforts such as *Cold Mountain* and *Lincoln* the authors show how the myths surrounding Reconstruction have impacted American culture This engaging book is essential reading for anyone interested in the history of Reconstruction historical memory and popular culture

Gathering to Save a Nation Stephen D. Engle,2016-09-13 In this rich study of Union governors and their role in the Civil War Stephen D Engle examines how these politicians were pivotal in securing victory In a time of limited federal authority governors were an essential part of the machine that maintained the Union while it mobilized and sustained the war effort Charged with the difficult task of raising soldiers from their home states these governors had to also rally political economic and popular support for the conflict at times against a backdrop of significant local opposition Engle argues that the relationship between these loyal state leaders and Lincoln s administration was far more collaborative than previously thought While providing detailed and engaging portraits of these men their state level actions and their collective cooperation Engle brings into new focus the era s complex political history and shows how the Civil War tested and transformed the relationship between state and federal governments

Exploring Lincoln Craig L. Symonds, Frank J. Williams,2015-03-02 Ubiquitous and enigmatic the historical Lincoln the literary Lincoln even the cinematic Lincoln have all proved both fascinating and irresistible Though some 16 000 books have been written about him there is always more to say new aspects of his life to consider new facets of his persona to explore Enlightening and entertaining *Exploring Lincoln* offers a selection of sixteen papers presented at the Lincoln Forum symposia over the past three years Shining new light on particular aspects of Lincoln and his tragically abbreviated presidency *Exploring Lincoln* presents a compelling snapshot of current Lincoln scholarship and a fascinating window into understanding America s greatest president
