Savior Savior Hold My Hand:

Savior, Savior, Hold My Hand Piri Thomas, 2016-08-10 Many people write about the ghetto Piri Thomas lived there In this book the author of *Down These Mean Streets* tells what he found when he returned from a seven year prison term Friends dying on heroin or getting rich selling it Jobs he couldn't get not because he lacked training or ability but because the union was open only to whites And an indomitable aunt who brought him into her church where he met the woman who became his wife and where he began to take an interest in helping others Eventually he got a job working with street children helping them find highs other than drugs trying to cool rivalries fueled by frustration persuading gang leaders to surrender weapons originally intended for bloody street battles But even with success came bitter disappointments Pervasive discrimination forced Thomas and his family to give up a suburban home And an appalling hypocritical and selfish boss forced him out of his job and almost back into prison Piri Thomas writes of these experiences with unselfish candor and compassion He pictures the poverty and squalor as well as the spirit and vitality of the ghetto in a dramatic story that is blunt painful absorbing and profoundly moving *The Morning Light* Solomon W. [Embodying Latino Masculinities](#) J. Rudolph, 2016-04-30 Through explorations of six cases taken from various Latino ethnic groups this book advances our understanding about meanings of Latino manhood and masculinities The studies range from theatre and literature to men's activism and sports showing how masculinities are embodied and performed **Unity**, 1907 [Unbecoming Blackness](#) Antonio Lopez, 2012-11-26 2014 Runner Up MLA Prize in United States Latina and Latino and Chicana and Chicano Literary and Cultural Studies In *Unbecoming Blackness* Antonio Lopez uncovers an important otherwise unrecognized century long archive of literature and performance that reveals Cuban America as a space of overlapping Cuban and African diasporic experiences Lopez shows how Afro Cuban writers and performers in the U S align Cuban black and mulatto identities often subsumed in the mixed race and postracial Cuban national imaginaries with the material and symbolic blackness of African Americans and other Afro Latinas/os In the works of Alberto O Farrill Eusebia Cosme R mulo Lachataer and others *Afro Cubanness* articulates the African diasporic experience in ways that deprive negro

and mulatto configurations of an exclusive link with Cuban nationalism. Instead what is invoked is an unbecoming relationship between Afro Cubans in the U S and their domestic black counterparts. The transformations in Cuban racial identity across the hemisphere represented powerfully in the literary and performance cultures of Afro Cubans in the U S provide the fullest account of a transnational Cuba one in which the Cuban American emerges as Afro Cuban American and the Latino as Afro Latino.

From the Tricontinental to the Global South Anne Garland Mahler, 2018-04-19 In *From the Tricontinental to the Global South* Anne Garland Mahler traces the history and intellectual legacy of the understudied global justice movement called the Tricontinental, an alliance of liberation struggles from eighty-two countries founded in Havana in 1966. Focusing on racial violence and inequality, the Tricontinental's critique of global capitalist exploitation has influenced historical radical thought, contemporary social movements such as the World Social Forum and Black Lives Matter, and a Global South political imaginary. The movement's discourse, which circulated in four languages, also found its way into radical artistic practices like Cuban revolutionary film and Nuyorican literature. While recent social movements have revived Tricontinentalism's ideologies and aesthetics, they have largely abandoned its roots in black internationalism and its contribution to a global struggle for racial justice. In response to this fractured appropriation of Tricontinentalism, Mahler ultimately argues that a renewed engagement with black internationalist thought could be vital to the future of transnational political resistance.

Invisibility and Influence Regina Marie Mills, 2024-06-04 A rich literary study of AfroLatinx life writing, this book traces how AfroLatinxs have challenged their erasure in the United States and Latin America over the last century. *Invisibility and Influence* demonstrates how a century of AfroLatinx writers in the United States shaped life writing, including memoir, collective autobiography, and other formats through depictions of a wide range of Afro Latinidades. Using a woman of color feminist approach, Regina Marie Mills examines the work of writers and creators often excluded from Latinx literary criticism. She explores the tensions writers experienced in being viewed by others as only either Latinx or Black rather than as part of their own distinctive communities. Beginning with Arturo Arthur Schomburg, who contributed to wider conversations about autobiographical technique, *Invisibility and Influence* examines a breadth of writers, including Jes's Col'n members of the Young Lords, Piri Thomas, Lukumi Santera, and scholar Marta Moreno Vega, and Black Mexican American poet Ariana Brown. Mills traces how these writers confront the distorted visions of AfroLatinxs in the United States, Latin America, and the Caribbean, and how they created and expressed AfroLatinx spirituality, politics, and self-identity, often amidst violence. Mapping how AfroLatinx writers create their own literary history, Mills reveals how AfroLatinx life writing shapes and complicates discourses on race and colorism in the Western Hemisphere.

Gang Nation Monica Brown, 2002 Explores how Latino gang culture mirrors the most destructive aspects of the American Dream through a look at novels and memoirs. There's a place for us. Somewhere, a place for us. With the emergence of a rich body of literature chronicling the experiences of Latino and Latina gang members, popular understanding of this outlaw culture has advanced far beyond *West Side Story*.

However the diverse works discussed in this important book ranging from the breakthrough 1967 memoir *Down These Mean Streets* and the crime novel *Carlito's Way* to the play *Zoot Suit* and the World War II era historical novel *Don't Spit on My Corner* to more recent works such as *Always Running* *La Vida Loca* *Gang Days in L.A.* and Chicana gang narratives like *Locas* and *Two Badges* all share with the award winning musical a crucial discourse on nationality citizenship and belonging In *Gang Nation* Monica Brown offers a sophisticated analysis of these narratives produced by former gang members and by outside observers writing within the Latino community She examines the ubiquity of language and behavior within this literature that reveal the frustrated longings within gangs for greater participation in America's national culture and the desire of members to craft an alternative environment in which they are welcome Through literature and memoirs written from within the culture Brown illustrates how these youth mimic the rhetoric and rituals of American nationalism's most destructive aspects intense territoriality justification of violence and cultural chauvinism to assert their citizenship in an alternative nation Before now studies of gang culture have centered on either the choices of individual members or the social forces that inspire their unfocused rage But through Latino and Chicano gang literature Brown provides a more nuanced portrait of that culture one that raises broader concerns about dominant nationalism civil rights the criminalization of urban youth of color and the often unfulfilled sense of communal identity and acceptance among American youth
