Rising Sharon Wood, 2019-09-26 2019 Banff Mountain Book Competition Category Finalist in Mountain Literature On May 20 1986 high on Mount Everest Sharon Wood was ready to give up Snow plumes swirled off the summit ridge and spilled down the North Face engulfing her A four hundred foot high rock wall the crux of the Hornbein Couloir loomed above impossible Then Wood s partner Dwayne Congdon handed her the end of the rope and said your lead Hours later at the far too late hour of 9 00 p m Wood became the first North American woman to reach the summit and the first woman in the world to do so via the difficult West Ridge Their ascent of the West Ridge by a new variation without Sherpa assistance is an accomplishment that has never been repeated In Rising Wood reflects on the seventy days she spent on the mountain and on the pivotal experiences and influences that brought her to that staggeringly beautiful and austere corner of the world Beyond the physical hardships she faced personal challenges as an outlier in the male bastion of Himalayan climbing These were compounded by the vexing presence of her past mentor and lover with his new girlfriend on the American team climbing on the same side of the mountain It didn t help that the media pitched the two women as rivals both vying to become the first North American woman to reach the summit of the highest mountain in the world Wood rose to all these challenges finding camaraderie and inspiration among her teammates particularly in the expedition cook a strong woman whose perspectives were essential to the team s remarkable esprit de corps as well as with the other woman her so called American rival Rising is both a gripping adrenalin filled mountain story and a reflective memoir that reaches beyond the summit to explore a life lived in Everest s long shadow unexpected acclaim outrageous expectations and personal struggles As Wood tells her story today her perspective is steeped in six decades of life experience rich with adventure change growth and humility It is a tale that feels poignantly relevant a testament to the strength of the

human spirit to overcome all obstacles whether mountain peaks social expectations or self imposed barriers *Nights With Uncle Remus: Myths and Legends of the Old Plantation* Joel Chandler Harris, 2020-09-28 The volume containing an instalment of thirty four negro legends which was given to the public three years ago was accompanied by an apology for both the matter and the manner Perhaps such an apology is more necessary now than it was then but the warm reception given to the book on all sides by literary critics as well as by ethnologists and students of folk lore in this country and in Europe has led the author to believe that a volume embodying everything or nearly everything of importance in the oral literature of the negroes of the Southern States would be as heartily welcomed The thirty four legends in the first volume were merely selections from the large body of plantation folk lore familiar to the author from his childhood and these selections were made less with an eye to their ethnological importance than with a view to presenting certain quaint and curious race characteristics of which the world at large had had either vague or greatly exaggerated notions The first book therefore must be the excuse and apology for the present volume Indeed the first book made the second a necessity for immediately upon its appearance letters and correspondence began to pour in upon the author from all parts of the South Much of this correspondence was very valuable for it embodied legends that had escaped the author's memory and contained hints and suggestions that led to some very interesting discoveries The result is that the present volume is about as complete as it could be made under the circumstances though there is no doubt of the existence of legends and myths especially upon the rice plantations and Sea Islands of the Georgia and Carolina seacoast which owing to the difficulties that stand in the way of those who attempt to gather them are not included in this collection It is safe to say however that the best and most characteristic of the legends current on the rice plantations and Sea Islands are also current on the cotton plantations Indeed this has been abundantly verified in the correspondence of those who kindly consented to aid the author in his efforts to secure stories told by the negroes on the seacoast The great majority of legends and stories collected and forwarded by these generous collaborators had already been collected among the negroes on the cotton plantations and uplands of Georgia and other Southern States This will account for the comparatively meagre contribution which Daddy Jack the old African of the rice plantations makes towards the entertainment of the little boy **More Than a Marathon** Jack Weitzel MD Bill Barry MD Ken Weitzel DC, 2023-07-14 Those of you who have followed Dr Weitzel's writings will be pleased to find that this volume builds on his previous work to provide a rather intimate picture of his life trajectory rising above personal doubts and challenges to become a general surgeon His brother Ken and I who was one of his fellow residents have added our own vignettes to flesh out the flavor of these formative years References to well known contemporaneous events add additional historical context When substantial physical adversities took Dr Weitzel from active medical practice he continued to serve his fellow men as a pastor and author While this book is really a love story for friends and family to treasure it provides a deeply moving insight into Christian faith **Make Believe** Susan Beth Pfeffer, 2015-03-03 When her best friend's parents

separate a seventh grader struggles to keep their friendship alive When Carrie and Jill are alone together they can be anyone in the whole world Whether they re pretending to be movie stars environmental activists or the leaders of the free world there is one thing they don t have to imagine They are as close as any friends could be Going into seventh grade there is a lot that Carrie is afraid of but she knows Jill will be by her side forever until suddenly she s not When Jill s father announces that he wants a divorce it puts a distance between the two friends that never used to be there As Jill s life falls apart around her Carrie must find a way to talk to her friend again and save her from a problem that s anything but make believe **Come**
