Scarlet Gang Of Asakusa:

The Scarlet Gang of Asakusa Yasunari Kawabata, 2005-04-18 A new translation of the only work not currently available in English by a Nobel Prize winning author and the best known Japanese writer outside of Japan

Topographies of Japanese Modernism Seiji M. Lippit, 2002 What happens when a critique of modernity a revolt against the traditions of the Western world is situated within a non European context where the concept of the modern has been inevitably tied to the image of the West Seiji M Lippit offers the first comprehensive study in English of Japanese modernist fiction of the 1920s and 1930s Through close readings of four leading figures of this movement Akutagawa Yokomitsu Kawabata and Hayashi Lippit aims to establish a theoretical and historical framework for the analysis of Japanese modernism The 1920s and 1930s witnessed a general sense of crisis surrounding the institution of literature marked by both the radical politicization of literary practice and the explosion of new forms of cultural production represented by mass culture Against this backdrop this study traces the heterogeneous literary topographies of modernist writings Through an engagement with questions of representation subjectivity and ideology it situates the disintegration of literary form in these texts within the writers exploration of the fluid borderlines of Japanese modernity

Routledge Handbook of Modern Japanese Literature Rachael Hutchinson, Leith Douglas Morton, 2025-08-29 This 2nd edition of the Routledge Handbook of Modern Japanese Literature provides a comprehensive survey of the field of modern Japanese literature and gives readers an overview of how we study Japanese literature today Including sections on space and time gender and sexuality politics war memory national and colonial identities and the production and dissemination of literature the Handbook examines the ways in which it is possible to read modern Japanese literature and situate it in relation to critical theory It also features updated and brand new chapters addressing the works of internationally renowned writers such as Futabatei Shimei and Murakami Haruki and defines the way writers produce literature in modern Japan as well as how those works have been read and understood by different readers in different time periods Written by an international team of experts the Handbook examines modes of literary production such as fiction poetry and critical essays as distinct forms of expression that nonetheless are closely interrelated and as such it will be a vital resource for students and scholars of Japanese Literature literature in translation and modern and contemporary literature

Disruptions of Daily Life Arthur M. Mitchell, 2020-10-15 *Disruptions of Daily Life* explores the mass media landscape of early twentieth century in order to uncover the subversive societal impact of four major Japanese authors Tanizaki Jun ichir Yokomitsu Riichi Kawabata Yasunari and Hirabayashi Taiko Arthur Mitchell examines this literature against global realities through a modernist lens studying an alternative modernism that challenges the Western European model Through broad surveys of discussions surrounding Japanese life in the 1920s Mitchell locates and examines flourishing divergent ideologies of the early twentieth century such as gender ethnicity and nationalism He unravels how the narrative and linguistic strategies of modernist texts interrogated the innocence of this language disrupting

their hold on people's imagined relationship to daily life. These modernist works often discursively displaced the authority of their own claims by inadvertently exposing the global epistemology of East vs West. Mitchell's reading of these formalist texts expands modernism studies into a more translational dialogue by locating subversions within the local historical culture and allowing readers to make connections to the time and place in which the texts were written. In highlighting the unbreakable link between literature and society, *Disruptions of Daily Life* reaffirms the value of modernist fiction and its ability to make us aware of how realities are constructed and how those realities can be changed.

International Noir Petter Homer B. Petter, 2014-11-11 Following World War II film noir became the dominant cinematic expression of Cold War angst influencing new trends in European and Asian filmmaking. *International Noir* examines film noir's influence on the cinematic traditions of Britain, France, Scandinavia, Japan, Hong Kong, Korea, and India. This book suggests that the film noir style continues to appeal on such a global scale because no other cinematic form has merged style and genre to effect a vision of the disturbing consequences of modernity. International noir has, however, adapted and adopted noir themes and aesthetic elements so that national cinemas can boast an independent and indigenous expression of the genre. Ranging from Japanese silent films and women's films to French, Hong Kong, and Nordic New Waves, this book also calls into question critical assessments of noir in international cinemas. In short, it challenges prevailing film scholarship to renegotiate the concept of noir. Ending with an examination of Hollywood's neo-noir recontextualization of the genre and post-noir's reinvigorating critique of this aesthetic, *International Noir* offers Film Studies scholars an in-depth commentary on this influential global cinematic art form, further offering extensive bibliography and filmographies for recommended reading and viewing.

History of Tokyo 1867-1989 Edward Seidensticker, 2019-04-09 This is a freaking great book and I highly recommend it if you are passionate about the history of the world's greatest city. This book is something you must have in your collection. JapanThis.com Edward Seidensticker's *A History of Tokyo 1867-1989* tells the fascinating story of Tokyo's transformation from the Shogun's capital in an isolated Japan to the largest and the most modern city in the world. With the same scholarship and sparkling style that won him admiration as the foremost translator of great works of Japanese literature, Seidensticker offers the reader his brilliant vision of an entire society suddenly wrenched from an ancient feudal past into the modern world in a few short decades and the enormous stresses and strains that this brought with it. Originally published as two volumes, Seidensticker's masterful work is now available in a handy single paperback volume. Whether you're a history buff or Tokyo-bound traveler looking to learn more, this insightful book offers a fascinating look at how the Tokyo that we know came to be. This edition contains an introduction by Donald Richie, the acknowledged expert on Japanese culture who was a close personal friend of the author, and a preface by geographer Paul Waley that puts the book into perspective for modern readers.

A Concise Companion to World Literature Ken Seignourie, Paula Karger, 2025-10-09 Provides a student-friendly introduction to World Literature. Bridging the gap between introductory materials and advanced scholarly research, the *Concise Companion to*

Dictionary of Oriental Literatures 1 Zbigniew Slupski, 2023-01-06 The Dictionary of Oriental Literatures fills a long felt gap in Western literature by presenting a concise summary in three volumes and about 2000 articles of practically all the literatures of Asia and North Africa The first volume describes the Chinese Tibetan Japanese Korean and Mongolian literatures the second covers the area of South and South East Asia comprising besides all literatures of India and Pakistan those of Nepal Bangladesh Sri Lanka Myanmar Thailand Cambodia Vietnam Indonesia Malaysia and the Philippines and the third is devoted to the numerous literatures of West Asia and North Africa including on the one hand the literatures of the ancient Near East and Egypt and on the other hand those of Central Asia and the Caucasus of Turkey Iran Afghanistan and of the various Arab countries including Morocco Tunisia and Algeria The majority of entries give information about the life and work of the individual writers and poets of the classical medieval and modern periods of the literatures included and also attempt to evaluate their writings from the historical and aesthetic point of view The remaining articles describe literary terms genres forms schools movements etc The Dictionary has been prepared by the Oriental Institute in Prague under the supervision of a Advisory Editorial Board of European and American scholars of international reputation and is unique in that it is the fruit of the collaboration of over 150 orientalists from many parts of the world Contents include Volume I East Asia The Far East including Chinese Tibetan Japanese Korean and Mongolian literatures Volume II South and South East Asia

Ancient Indian Assamese Baluchi Bengali Gujarati Hindi Indian literature in English Indo Persian Kannada Kashmiri Maithili Malayalam Marathi Oriya Panjabi Pashto Rajasthani Sindhi Tamil Telugu and Urdu Sinhalese Nepali Burmese Thai Cambodian Malay and Indonesian Javanese Vietnamese and Philippines literatures Volume III West Asia and North Africa The Near East and Egypt Central Asia and the Caucasus Turkish Persian Afghan Kurd and Arabic literatures covering all the Arab states from Iraq in the East to Algeria in the West **Modanizumu** William J. Tyler, 2008-01-04 Remarkably little has been written on the subject of modernism in Japanese fiction Until now there has been neither a comprehensive survey of Japanese modernist fiction nor an anthology of translations to provide a systematic introduction Only recently have the terms modernism and modernist become part of the standard discourse in English on modern Japanese literature and doubts concerning their authenticity vis a vis Western European modernism remain This anomaly is especially ironic in view of the decidedly modan prose crafted by such well known Japanese writers as Kawabata Yasunari Nagai Kafu and Tanizaki Jun ichiro By contrast scholars in the visual and fine arts architecture and poetry readily embraced modanizumu as a key concept for describing and analyzing Japanese culture in the 1920s and 1930s This volume addresses this discrepancy by presenting in translation for the first time a collection of twenty five stories and novellas representative of Japanese authors who worked in the modernist idiom from 1913 to 1938 Its prefatory materials provide a systematic overview of the literary movement s salient features anti naturalism cosmopolitanism the concept of the double self and actionism and describe how modanizumu evolved from its early jagged edges into a sophisticated yet popular expression of Japanese urban life in the first half of the twentieth century The modanist style characterized by youthful exuberance a tongue in cheek tone and narrative techniques like superimposition is amply illustrated Modanizumu introduces faces altogether new or relatively unknown Abe Tomoji Kajii Motojiro Murayama Kaita Osaki Midori Tachibana Sotoo Takeda Rintaro Tani Joji Yoshiyuki Eisuke and Yumeno Kyusaku It also revisits such luminaries as Kawabata Tanizaki and the detective novelist Edogawa Ranpo Key works that it culls from the modernist repertoire include Funahashi Seiichi s Diving Hagiwara Sakutarō s Town of Cats Ito Sei s Streets of Fiendish Ghosts and Kawabata s film scenario Page of Madness This volume moves beyond conventional views to place this important movement in Japanese fiction within a global context an indigenous expression born of the fission of local creativity and the fusion of cross cultural interaction **Rethinking Japanese Modernism** Roy Starrs, 2011-10-14 Edited by Roy Starrs this collection of essays by an international group of leading Japan scholars presents new research and thinking on Japanese modernism a topic that has been increasingly recognized in recent years to be key to an understanding of contemporary Japanese culture and society By adopting an open multidisciplinary and transnational approach to this multifaceted topic the book sheds new light both on the specific achievements and on the often unexpected interrelationships of the writers artists and thinkers who helped to define the Japanese version of modernism and modernity Specific topics addressed include the literary modernism of major writers such as Akutagawa Kawabata Kajii Miyazawa and Murakami avant garde modernism in

painting music theatre and in the performance art of Yoko Ono and the everyday modernism of popular culture and of new urban activities such as shopping and sports **Pacific Rim Modernisms** Mary Ann Gillies, Helen Sword, Steven G.

Yao, 2009-01-01 Pacific Rim Modernisms explores the complex ways that writers artists and intellectuals of the Pacific Rim have contributed to modernist culture literature and identity **Tokyo A Cultural History** Stephen Mansfield, 2009-06

Tokyo seems like an ultra modern even postmodern city with its inventive skyscrapers and digitized surfaces But it is also a city where past present and future coexist where backstreets both inspire science fiction and host wooden temples fox shrines and Buddhist statues that evoke past ages In this addition to Oxford's Cityscapes series Stephen Mansfield explores a city rich in diversity tracing its evolution from the founding of its massive stone citadel when it was known as Edo through the rise of a merchant class who transformed the town into a center for art to the emergence of modern Tokyo Mansfield traces a city of print masters Kabuki theater novelists and great architecture which has overcome many disasters from the 1923 earthquake through the fire bombings of World War II to the 1995 subway gas attacks **Erotic Grotesque**

Nonsense Miriam Silverberg, 2006 A sumptuously documented book one that makes innovative use of the principle of montage to generate informative historical readings of Japan's myriad mass cultural phenomena in the early twentieth century Both in terms of its scholarship and its methodology this is a truly admirable work Rey Chow Andrew W Mellon Professor of the Humanities Brown University As Miriam Silverberg has brilliantly shown here the modern times of 1920s and 30s Japan were rendered in a cacophony of cultural mixing a period of consumerist desires and Hollywood fantasy making but also the rise of nationalist empire building Excavating its kaleidoscope of everyday culture Silverberg astutely offers a theory of montage for how Japanese subjects code switched in juggling the mixed cultural political elements of these times Utilizing a montage of media texts sites and scholarship Silverberg leads the reader into the terrain of the erotic grotesque nonsense in a work that is as scintillating as it is theoretically important Anne Allison author of Millennial Monsters Japanese Toys and the Global Imagination Unlike other scholars who merely view ero guro nonsense in its literal meanings Silverberg brilliantly documents it as a complex cultural aesthetic expressed in a spectrum of fascinating mass culture forms and preoccupations With great erudition and humor she traces the sensory and conceptual modes that are animated with potency and sophistication through this cultural metaphor This book is destined to be a classic in Japan scholarship Laura Miller author of Beauty Up Exploring Contemporary Japanese Body Aesthetics **Theater of Cruelty** Ian Buruma, 2014-09-16 Winner of the PEN Diamonstein Spielvogel Award for the Art of the Essay Ian Buruma is fascinated he writes by what makes the human species behave atrociously In Theater of Cruelty the acclaimed author of The Wages of Guilt and Year Zero A History of 1945 once again turns to World War II to explore that question to the Nazi occupation of Paris the Allied bombing of German cities the international controversies over Anne Frank's diaries Japan's militarist intellectuals and its kamikaze pilots One way that people respond to power and cruelty Buruma argues is through art and the art that most

interests him reveals the dark impulses beneath the veneer of civilized behavior This is what draws him to German and Japanese artists such as Max Beckmann George Grosz Ernst Ludwig Kirchner Mishima Yukio and Yokoo Tadanori as well as to filmmakers such as Werner Herzog Rainer Werner Fassbinder Kurosawa Kiyoshi and Hans Jürgen Syberberg All were affected by fascism and its terrible consequences all looked into the abyss and made art of what they saw Whether he is writing in this wide ranging collection about war artists or film or about David Bowie s music R Crumb s drawings the Palestinians of the West Bank or Asian theme parks Ian Buruma brings sympathetic historical insight and shrewd aesthetic judgment to understanding the diverse ways that people deal with violence and cruelty in life and in art Theater of Cruelty includes eight pages of color and black white images

The Cinema of Naruse Mikio Catherine Russell, 2008-09-08 The first English language book dedicated to an analysis of Naruse Mikio one of Japan s most prolific directors whose films provide unique insight into the representation of female subjectivity and modernity in Japan

The Oxford Handbook of Japanese Cinema Daisuke Miyao, 2014 The reality of transnational innovation and dissemination of new technologies including digital media has yet to make a dent in the deep seated culturalism that insists on reinscribing a divide between the West and Japan The Oxford Handbook of Japanese Cinema aims to counter this trend toward dichotomizing the West and Japan and to challenge the pervasive culturalism of today s film and media studies Featuring twenty essays each authored by a leading researcher in the field this volume addresses productive debates about where Japanese cinema is and where Japanese cinema is going at the period of crisis of national boundary under globalization It reevaluates the position of Japanese cinema within the discipline of cinema and media studies and beyond and situates Japanese cinema within the broader fields of transnational film history Likewise it examines the materiality of Japanese cinema scrutinizes cinema s relationship to other media and identifies the specific practices of film production and reception As a whole the volume fosters a dialogue between Japanese scholars of Japanese cinema film scholars of Japanese cinema based in Anglo American and European countries film scholars of non Japanese cinema film archivists film critics and filmmakers familiar with film scholarship A comprehensive volume that grasps Japanese cinema under the rubric of the global and also fills the gap between Japanese and non Japanese film studies and between theories and practices The Oxford Handbook of Japanese Cinema challenges and responds to the major developments underfoot in this rapidly changing field

Powers of the Real Diane Wei Lewis, 2021-03-01 Powers of the Real analyzes the cultural politics of cinema s persuasive sensory realism in interwar Japan Examining cultural criticism art news media literature and film Diane Wei Lewis shows how representations of women and signifiers of femininity were used to characterize new forms of pleasure and fantasy enabled by consumer culture and technological media Drawing on a rich variety of sources she analyzes the role that images of women played in articulating the new expressions of identity behavior and affiliation produced by cinema and consumer capitalism In the process Lewis traces new discourses on the technological mediation of emotion to the 1923 Great Kanto Earthquake and

postquake mass media boom The earthquake transformed the Japanese film industry and lent urgency to debates surrounding cinema's ability to reach a mass audience and shape public sentiment while the rise of consumer culture contributed to alarm over rampant materialism and feminization Demonstrating how ideas about emotion and sexual difference played a crucial role in popular discourse on cinema's reach and its sensory affective powers Powers of the Real offers new perspectives on media history the commodification of intimacy and emotion film realism and gender politics in the age of the mass society in Japan

The Great Kanto Earthquake and the Chimera of National Reconstruction in Japan J. Charles Schencking, 2013-07-09 In September 1923 a magnitude 7.9 earthquake devastated eastern Japan killing more than 120,000 people and leaving two million homeless Using a rich array of source material J Charles Schencking tells for the first time the graphic tale of Tokyo's destruction and rebirth In emotive prose he documents how the citizens of Tokyo experienced this unprecedented calamity and explores the ways in which it rattled people's deep-seated anxieties about modernity While explaining how and why the disaster compelled people to reflect on Japanese society he also examines how reconstruction encouraged the capital's inhabitants to entertain new types of urbanism as they rebuilt their world Some residents hoped that a grandiose metropolis reflecting new values would rise from the ashes of disaster-ravaged Tokyo Many however desired a quick return of the city they once called home Opportunistic elites advocated innovative state infrastructure to better manage the daily lives of Tokyo residents Others focused on rejuvenating society morally economically and spiritually to combat the perceived degeneration of Japan Schencking explores the inspiration behind these dreams and the extent to which they were realized He investigates why Japanese citizens from all walks of life responded to overtures for renewal with varying degrees of acceptance ambivalence and resistance His research not only sheds light on Japan's experience with and interpretation of the earthquake but challenges widespread assumptions that disasters unite stricken societies creating a blank slate for radical transformation National reconstruction in the wake of the Great Kanto Earthquake Schencking demonstrates proved to be illusive

Glorify the Empire Annika A. Culver, 2013 In the 1930s and 40s Japanese rulers in Manchukuo enlisted writers and artists to promote imperial Japan's modernization program Ironically the cultural producers chosen to spread the imperialist message were once left-wing politically in Japan where their work strongly favoured modernist even avant-garde styles of expression In Glorify the Empire Annika A Culver explores how these once anti-imperialist intellectuals produced avant-garde works celebrating the modernity of a fascist state and reflecting a complicated picture of complicity with and ambivalence toward Japan's utopian project Manchurian-themed cultural representations accelerated during the eruption of conflict with China and later during the Second World War when Manchukuo served as a template for Japanese occupied areas in Southeast Asia A groundbreaking work Glorify the Empire magnifies the intersection between politics and art in a rarely examined period of Japanese history

Poe's Pervasive Influence Barbara Cantalupo, 2012-10-05 The essays in this collection were originally presented as talks at the Poe Studies

Association's Third International Edgar Allan Poe Conference The Bicentennial in October 2009 All the essays in this volume deal with Poe's influence on authors from the United States and abroad in addition the collection also includes two examples of primary texts by contemporary authors whose work is directly related to Poe's work or life an interview with Japanese detective novelist Kiyoshi Kasai and poems by Charles Cantalupo This volume includes interpretative essays on international authors whose work reflects back on Poe's work Edogawa Rampo from Japan Lu Xun from China Fernando Pessoa E a de Queir's and Ramalho Ortig o from Portugal Angela Carter from England and Nikolai Gogol from Russia The essays in this collection complement and extend a project begun by Lois Vines Poe Abroad University of Iowa Press 1999 and take a wider perspective on Poe's influence with essays on Poe's impact on American authors William Faulkner Mary Oliver Joyce Carol Oates Nathaniel Hawthorne Herman Melville and Harriet Jacobs
