

A photograph of Louise Bourgeois, an elderly woman with short, light-colored hair, smiling and looking directly at the camera. She is wearing a blue button-down shirt and small hoop earrings. Her hands are positioned on either side of her face, holding and manipulating a complex, three-dimensional sculpture made of thin, dark, curved metal wires. The wires form a series of overlapping, circular and oval shapes that frame her face. The background is dark and out of focus, suggesting an indoor setting with some architectural elements.
