Love And Memory:

Time, Love , Memory Jonathan Weiner,2014-05-14 The story of Nobel Prize winning discoveries regarding the molecular mechanisms controlling the body s circadian rhythm How much of our fate is decided before we are born Which of our characteristics is inscribed in our DNA Weiner brings us into Benzer s Fly Rooms at the California Institute of Technology where Benzer and his associates are in the process of finding answers often astonishing ones to these questions Part biography part thrilling scientific detective story Time Love Memory forcefully demonstrates how Benzer s studies are changing our world view and even our lives Jonathan Weiner winner of the Pulitzer Prize for The Beak of the Finch brings his brilliant reporting skills to the story of Seymour Benzer the Brooklyn born maverick scientist whose study of genetics and experiments with fruit fly genes has helped revolutionize or knowledge of the connections between DNA and behavior both animal and human

Love's Memory Betty McLain,2021-12-06 Love was in the air People everywhere were being matched by a magic mirror and falling in love Silas watched his family grow larger from all the marriages and children He wondered when his time would come but a part of his mind couldn t let go of a memory from long ago of a beautiful girl He called her his woodland sprite but where had she gone and would he ever see her again May struggled against the unwanted advances of the man her mother wanted her to marry She did not love him Her memories were full of the vision of a boy she loved from afar but her family had left that place long ago She never expected to see him again especially not in the reflection of the magic mirror She knew she loved him but following her heart meant leaving her family and returning to the home they left behind Could their love be strong enough to withstand the wrath of her mother and become more than just a memory
