Love In A Nutbag:

Love in a Nutbag Lisa Ammerman, 2001-08-27 Love in a Nutbag presents a combination of literary and intellectual as well as sexual and romantic interest The story is a parallel montage in the lives of two women the modern granddaughter and the dead grandmother suggesting how the two lives are bound together in a common quest for those epiphanies or moments of intense often sexual fulfillment that come out of the nutbag that our otherwise humdrum and prosaic lives occasionally present to us The story while rooted in real life presents a subtle line between easy read and soft core literary with a magical sprinkle of sexual realism While the novel may well cater to the romantic inclination of the Joanna Trollope reader it will certainly appeal to the thinking woman and man It has energy and emotional texture as well as beautifully crafted language The style is succinct the language evocative both sensuous and sensual *Notes and Queries*, 1905 **Monsters in Love** Resmaa Menakem, 2023-01-31 A gritty down to earth guide for real life couples Conflict is a natural part of any intimate relationship Yet most couples either avoid it or try to smooth over their differences This often results in at least one partner compromising their integrity and stunting their own growth Monsters in Love challenges the idea that conflict between partners is unhealthy or something to avoid Instead it encourages both people to stand by what they need and who they are but to do so with compassion rather than competitiveness or vengefulness This book is about the reality of committed intimate relationships which are designed to inspire both people to grow up It challenges some common misperceptions about what makes for a successful partnership It also rocks the boat of psychotherapy calling out therapists who don't bring their best to their clients Instead of comforting fantasies or false promises Monsters in Love offers you and your partner a chance to make your relationship and your lives much bigger and more emergent *Love the Way You Spy* Lexi Blake, 2023-09-19 Tasha Taggart isn't a spy That's her sister's job Tasha's support role is all about keeping them alive playing referee when they fight amongst themselves and soothing the toughest boss in the world Working for the CIA isn't as glamorous as she imagined and she's more than a little lonely So when she meets a charming man in a bar the night before they start their latest op she decides to give in to temptation The night was perfect until she discovers she's just slept with the target of their new investigation Her sisters will never let her hear the end of this Even worse she has to explain the situation to her overprotective father who also happens to be their boss Dare Nash knew exactly how his week in Sydney was going to go attending boring conferences to represent his family's business interests and eating hotel food alone Until he falls under the spell of a stunning and mysterious American woman Something in Tasha's eyes raises his body temperature every time she looks at him She's captivating and he's committed to spending every minute he can with her on this trip even if her two friends seem awfully intense He doesn't trust easily but it's not long before he can imagine spending the rest of his life with her When Dare discovers Tash isn't who she seems the dream turns into a nightmare She isn't the only one who deceived him and now he's in the crosshairs of adversaries way out of his league He can't trust her but it might take Tasha

and her family to save his life and uncover the truth
