Divine Love of Two Souls Kisnaa Anita Birkman, 2019-01-21 Chale jo do kadam saath woh As she ambles the aisle with me To unke saath se Pyaar ho jaye May I be enmeshed in her companionship forever Thaame jo Pyaar se mera haath woh As she seizes my hand with tender love To apne hi haath se Pyaar ho jaye May I be ensnared by the charm of my own hand Hota hai agar itna khoobsurat yeh Pyaar If love is so alluring and prepossessing To aye Khuda unhe bhi mere Pyaar se Pyaar ho jaye Oh omniscient being May she be enchanted by my love It was 5 in the morning when I blinked open an eye to wake up I was in deep sleep till some time ago and it felt as if someone had lovingly caressed my hair But when I opened my eyes there was no one there For a few precious moments I felt the sensation of that loving touch that I had experienced since childhood It seemed as if that sensation was all around me Now that presence was close to me my Radha in the form of Annu was in my life Divine Love of Two Souls is a story of those emotions that this generation has perhaps lost along the way

Words I Love to Recite Charles Santiago, 2024-02-15 The experience of the afterlife is normally considered to take place after death Death is seen as a wall of partition between those living and those departed Dead and gone are words often used to describe the departed The writer of these poems was at his wife's bedside when she took her last breath Anyone observing the horror and desperation the author expressed at that moment would have concluded that he truly believed his wife was dead and gone In fact he did believe she was dead and gone A grief counselor suggested to the new widower that he keep a journal of his experience He started keeping a journal which from the start was a dialogue between him and his departed wife The prose dialogue soon became peppered with

poems The widower began to notice that there were sometimes correlations between what was written in the poems and his daily experience The poems and his daily experience became for the new widower proof enough that the afterlife can be experienced this side of the grave *Fighting Love* Elena Russiello,2020-09-02 What you are willing to do to protect your loved ones Kailey Ross is twenty one years old She abandons her old life and decides to enroll in college to take revenge for her brother Tayler unsuspecting that new friendships will soon become important and that a kiss given without feelings or sex without commitments can become a double edged sword With love in fact we get hurt and lose focus on the initial goals Nick Scott is a troubled boy allergic to feelings with a past more difficult than the present and responsibilities that burden too much for his young age Attraction often annihilates the mind one kiss always follows another as well as lies but love is an unusual feeling sometimes it changes us often it makes us better It teaches us to fight simply to be happy **Words I Love, Volume 5** Charles Santiago,2025-05-01 The author of the poems in Words I Love Volume 5 An Earthly Heavenly Romance has discovered a truth that he can take comfort in for the rest of his days on Earth He has discovered that since his wife s death there is something more that he can cling to besides merely reminiscing about their lovely life together before her passing He has discovered that he is a temple in which his wife dwells for the rest of his earthly days His wife lets him know that far from being dead and gone she is today alive and here There is a blissful continuity experienced between them since that fateful day of her passing Remember this dear Earthly beau You re a temple there below In all those Earthly things you do I m residing dear in you 3 A Temple verses 21 24 **Walking the Path of Love** Joseph J. Mazzella,2010-06 Joseph Mazzella has been writing inspirational articles for newspapers and online for over 20 years He lives in the mountains of West Virginia with his daughter two sons four cats and five dogs Over the years he has worked as a busboy lumber mill worker teacher and mental health care worker His greatest joy however has been sharing the love learning experiences and wisdom that God has blessed him with over the years This book is meant to be a part of that Sharing The Greatest Love Story Never Told Richard Orion,2015-10-30 This story is based on a true love story that spanned almost two decades The names and places have been changed to protect the privacy of the individuals involved in this affair The chronological sequence of events has been maintained for continuity All the stories and experiences are based on facts This book is about a love story that was kept secret for 18 years and perhaps shouldve remained a secret The first book related to this love story was a book of poems entitled Somewhere Sometime Somehow Love Poems and Short Stories published in 2008 by this author and Xlibris For the perceptive reader of this book one can trace the ups and downs of our love relationship These 18 years were filled with robust love and passion for each other Perhaps it was fantasy perhaps it was the most real thing we will ever experience The heartbreaking part of this love affair is that I am not really sure my lover ever really understood or appreciated my profound and unconditional love for her I opened my heart to her through poetry and thoughtful letters but she rarely showed me what was in her heart Perhaps it was a one sided love affair but I surely think and hope not I was

convinced that she truly loved me through her words and actions At least I experienced a pure love that I had only dreamed was possible The story is told mainly through the exchange of letters and emails to each other Perhaps readers can experience and hopefully feel the deep love we felt for each other **Ethics and Business** Bart Wernaart,2021-05-26

Ethics in business is not a new topic and has been intensely discussed since the emergence of the so called limited companies However privatization technological and digital innovation changes in moral perception economic and financial crises and globalization stir a more recent debate on how companies should behave in our societies This book starts from the position that ethics in business should imply an open debate on norms and values using a sound methodology to get there Ethics should cross borders not only the borders of a country but also the borders of someone s moral imagination Ethics should not only be about harmony but also about conflict and how to deal with that Ethics should be realistic and well substantiated by academic research Ethics should be used to understand the complexity of the world and the challenges companies struggle with on various levels Therefore this book is composed of three parts in which ethics is discussed at different levels In part one we discuss ethics at the level of the individual In part two we discuss ethics and business In the third part ethics is discussed in the context of a globalized world In each chapter we discuss the ethical complications of each topic from various and preferably opposing perspectives Each perspective is methodologically and academically substantiated Each chapter ends with an extensive literature list in which the original sources are listed for further reading Furthermore at the end of each chapter a summary is written in which the most important definitions and viewpoints are highlighted The frequent use of colorful and bold examples make this an accessible read for bachelor and master students at business schools and professionals in international business **12 Hours To Say I Love You** Olivia Poulet,Laurence Dobiesz,2022-01-01 Two
