Spiritual whitespace makes room in one's heart for a deep relationship with God, room in one's life for rest, room in one's soul for rejuvenation. With soul stirring vulnerability and heartbreaking honesty, Bonnie takes readers on a personal journey to feed their souls and uncover the deeper story of rest. Lyrical writing draws readers into Gray's intimate journey through overwhelming stress to find God in a broken story and celebrate the beauty of faith. Guided by biblical encouragement and thought provoking prompts, Gray shows readers how to create space in the everyday for God, refreshment, and faith. She also offers practical steps and insights for making spiritual whitespace a reality right in the midst of the stress-frayed stories in every season of life. We live in a culture that brags and boasts about being busy. Into that reality steps Bonnie with a new idea. Whitespace is an important concept, and Bonnie has captured it perfectly. If you're exhausted with being exhausted, read this book. If you feel too busy to read this book, then that's probably the best sign of all that you need it from the foreword by Jon Acuff. Bach's Operas of the Soul Mark Ringer, 2021-04-15. *Bach's Operas of the Soul* is the first introduction to Bach's sacred cantatas for the general music lover. In clear and accessible language, Mark Ringer examines this vast output of masterpieces as the great musical dramatic creations that they are. Bach's sacred cantatas represent an almost superhuman artistic and spiritual achievement, arguably the richest investment by a great composer within a single genre. But outside of a handful of pieces, they remain a closed book to a majority of serious listeners already familiar with Bach's large-scale religious works. Nevertheless, the same musical dramatic genius of Bach's Passions is fully evident in virtually all of the composer's sacred cantatas. Ringer approaches the sacred cantatas as sermons in musical dramatic form, un-staged operas planned for each occasion of the church year. Bach's era relished dramatic contrast, and his use of the human voice offers a constantly changing pallet of vocal colors. The singers play roles throughout the cantatas, from penitent sinner to ardent believer to Christ himself. This book is accompanied by online audio tracks of select Bach cantatas from the Naxos music library. It will be of use to readers interested in opera and vocal music who have already come to love Bach's Passions and who want to familiarize themselves with this wide array of masterpieces.
