Love Strikes Satan:

Satan's Strategy to Curse Christ's Congregation Andy Woods, Keith A. Sherlin, 2010-10-01 Dr Sherlin has worked diligently to show the importance of elder rule What he has done is restore us to sound principles that come straight from the Bible His book is a must for every assembly that wants to remain strong rather than go the way of the culture I cannot recommend his book enough Dr Mal Couch In this work the author sets out the biblical case for congregations being ruled by a plurality of Godly men known as elders This work is meticulously footnoted and documented making it an invaluable resource for the layman and scholar alike Dr Andy Woods Keith writes in a manner that is precise and with a fluidity of understanding of current day church leadership The tone of his writing is shared in love and there are no judgmental undertones that permeate his thoughts I would wholly recommend this reading to all who profess Christ as their Lord Pamela Rogers Dr Keith has presented a solid case for authoritative leadership in the church His book is a call for us to return to biblical leadership and be presbyters instead of politicians Dr C V Varnado Do you believe that your local assembly is full of conflict confusion and or compromise Are you familiar with the strategy of Satan and his methods to undermine the grace love and truth of Christ s body This work makes a clear and convincing case that many problems in congregations occur because the body has adopted a flawed foundation of church government and doctrine that is more political than biblical How much or to what degree has Satan made inroads into your spiritual family and leadership body Read and judge for yourself and if necessary seek to apply the prescribed remedy to the problem **Herein is Love, Vol. 1: Genesis** Nancy Ganz, 2009-10-30 Herein is Love is a series of Bible commentaries for parents to read to their children They provide what children need most solid truths to grow in In these books Nancy Ganz draws out the beautiful implications of the Old Testament narrative that are foundational for Christian faith The beginning books of the Bible are essential to our understanding of God s redemptive story The Herein is Love series creatively focuses our attention on the events that bring this story to life combining the richness of literature and the depth of a commentary **SATANIC ATTACKS AND THE WAY OUT (Revised Edition)** Akinbowale Isaac Adewumi, 2019-05-27 The diabolical operations of Satan and his cohorts to destabilized God s creation and mankind is undeniable in the increasing scourges of incurable diseases natural disasters societal menace moral bankruptcy religious infidelity international conflicts political imbroglio neon colonialism forebodings of a third world war drug addiction debilitating threats of ozone layer depletion failed states family and relationship problems youth delinquency assassination and suicide uncertainties and confusion everywhere Obviously and in spite of silly denials credence is lent to the awful reality of ugly demonic activities and largely inexplicable intractable and unpleasant occurrences globally Ombudsmen technocrats and apparatchiks grapple frantically with the puzzles stemming from the orchestrated evil creativity of the discountenanced invisible archenemy of God and mankind This handbook is the revised edition of Satanic Attacks and the Way Out and the author by personal experience sets out to unravel the mystery of darkness

in order tackle these unbecoming situations at the roots by providing the necessary tools for dominion and proffering plausible solutions for readers to break free from these nagging experiences unhurt In Ephesians 6 12 Paul says For we wrestle not against flesh and blood but against principalities against powers against the rulers of the darkness of this world against spiritual wickedness in high places This handbook provides a blueprint for believers to follow and equips them with the biblical principles for engaging in war with this archenemy of our souls and overcoming him *Learning to Stand Against the Attacks of Satan* Kenneth D. Reed Sr,2012-08 Satan has caused some believers to lower their standards and to place limitations on life by influencing them to think they can t do any better This book was written to be your weapon of resources to learn to stand against the attacks of Satan Jesus states in John 10 10 that the thief cometh not but for to steal and to kill and to destroy And to counter that Jesus says I am come that they might have life and that they might have it more abundantly Satan doesn t want to see you living in abundance and he doesn t want to see you walking upright with the Lord He comes to steal your riches kill your inheritance and destroy your faith in God But you can walk in the abundant life God intended You can fight and win It s time to gather your weapons Your greatest arsenal is to stand on the true word of God

The Secret Is Out: God's Truth Vs Satan's Doctrine Innocent Nangoma,2020-04-16 Once upon a time a man named Godfrey White took it on himself to read the whole bible to determine its validity Unfortunately he could not understand it This upset Godfrey White because he saw the positive impact it had done on other lives and wanted to know more about this One God so that it could impact his life too Mr White was extremely irritated by the bible because when he read it he felt like it was judging him so he felt unworthy of it Mr White would spend hours on hours during the day trying to figure out what God s love was all about but felt it was too overwhelming to take in He would sometimes read it before bed but found the stories as fictional and boring He did his best to study it and maybe understand who God was but failed to do so Therefore Godfrey White placed the book in his closet where all the other books he had finished reading were He continued on with his life but everyday he would hear a voice calling to him Do you wish to know the truth He was not sure where the voice was coming from so he ignored it But the more he ignored it the louder the voice got Godfrey White soon began to lose his mind because the voice would not go away so one day when he was alone in his room he spoke back to the voice Who is it that is speaking Am I going crazy What is the truth It was at that moment when the voice spoke back to him saying I heard you were searching for me so I called back to you but you ignored me Go to your closet and find that book you have failed to understand and I will guide you to the truth Today the gospel shall be revealed to you and you shall not only receive truth but a relationship with me TheSecretIsOut **Christian Life in Satan's World** Emet Darash,2023-02-09 We all make decisions every day We choose what we wear to work and what to make for dinner along with thousands of other minor choices each day Most decisions don't even register in our minds as we live our lives Decisions can be small but other decisions will change the course of our life Each day we decide to accept or reject the love of God We choose to sin We choose to avoid

sin Our choices directly affect our children and families friends coworkers and neighbors Being a Christian is a choice We can choose to accept the blessings from our creator or we can ignore them and blindly accept what this world offers us Our government is removing God from our society Our schools teach our children God is a fairytale The literal truth of the Bible is being attacked by modern day science in an effort to destroy the greatest love story ever told As God is being systematically removed from our communities our country is falling apart in every way If you are not yet a Christian this book can help you logically and scientifically realize there is no possibility of our existence without a loving God If you are already a Christian you will be challenged on the depth of your faith in an effort to help you trust every word in the Bible is true and accurate Be ready for controversial issues to be addressed with biblical principles and for the discovery of how deep your faith can take you in realizing God's amazing and perfect love for us

The Life of the Great Preacher, Reverend George

Whitefield, "prince of Pulpit Orators" Amos Stevens Billingsley, 1878 *On Satan's Devices. A sermon, on 2 Cor. ii. 11*

John Wesley, 1825 *THE WALK TO BECOMING CHRIST LIKE* Leon Thomas Perkins, Victoria A. Per, 2012-08-07 This book has been a overwhelming blessing in my life for five years On 11 2007 I almost died and thanks to God and my angels it was the most peaceful time of my life As the doctors and nurses worry about me as they did tests after tests to save my heart So with pills and a pacemaker I was saved by God to do these books It is a series of seven and this is number two to series seven God weighed on my heart to do this book series and as I rest in the hospital bed I study and learned that a Christian walk to becoming Christ like is easier we all think it is Our walk to becoming Christ like isn't that hard and we don't need to this entire crazy act's ONLY LIVE IN LOVE AND WALK THE WALK TO CHRIST My first book was titled THE WALK TO BECOMING CHRIST LIKE subtitle THE THIRTY TWO STAGES It was a list of ever step Jesus did on this world as he walk his own walk of the flesh So then God taught me that my and everyone's Christian walk is like Jesus walk Then each moment of our walk to becoming Christ like is 100% like and simpler to our Lord's fleshly walk two thousand years ago That is how easier our walk is like it was for Jesus YES THERE WILL BE ATTACK AND TROUBLES AND PAIN IN THAT WALK TO CHRIST BUT TO BE CHRISTIAN IS LOVE AND A GIFT GETTING EASY AND FREE So after reading the foundation first book THE WALK TO BECOMING CHRIST LIKE subtitle THE THIRTY TWO STAGES God is ready me to write book two of the series to keep helping you children of God THE WALK TO BECOMING CHRIST LIKE subtitle WHAT AFFECTS OUR WALK book keeps up with the walk to Christ and what affects it or blesses it As one section is the evil twin sister's that is out to kill that walk to Christ and the book helps to stop them as teaches how to manages the other subjects I am sorry for the grammar problems I am a 60% holy hillbilly that was a brat in school when he should be enjoying English than science and math Plus being a poor disable 50 old man I try 1000% to be a shape God tool to get these words into your hand children of God So enjoy and be blessed THE WALK TO CHRIST ISN'T HARD IT IS LIFE THAT'S IS HARD Thanks from a holy want to be writer doing God's plans O Lord greatly bless these loving readers *The International*, 1914 **Satan's Incubator** Randall

Craig,2022-11-22 In Satan s Incubator Randall Craig weaves a narrative that probes the depths of psychological and supernatural horror Dr Skull an astute psychologist becomes embroiled in a chilling investigation when he considers the abuse of his young patient Michael Timiny and experiences a threat to his own safety Craig s writing style is dense with atmospheric tension melding clinical insight with a touch of the occult a combination that positions this work within a unique niche at the intersection of psychological thriller and horror The unsettling ambiance is heightened by a meticulous attention to detail as evidenced by the descriptively laden excerpt which immerses readers in an environment where the mundane becomes a harbinger of dread The story not only delves into the horrors that arise from human deeds but also insinuates the existence of malevolent forces beyond comprehension all while maintaining a solid grounding in the protagonist s academic perspective Author Randall Craig infuses Satan s Incubator with a profound understanding of the duality of human nature which may be reflective of his own intellectual pursuits It is this innate grasp of the human psyche that allows Craig to explore the intricate relationship between real world trauma and its possible amplification through sinister unseen forces His characters are thoroughly crafted with Dr Skull serving as a conduit for readers to navigate the convergence of logical inquiry and the unexplainable a balance that Craig expertly strikes possibly drawing from his own experiences or research within the realm of psychological complexities Satan s Incubator comes highly recommended for readers who revel in the confluence of mind and the macabre Randall Craig s novel is an intellectual odyssey that will resonate with aficionados of gothic horror and psychological suspense alike It is an unyielding exploration of the human condition where even a seasoned professional like Dr Skull is confronted with the limitations of science in the face of pure evil This masterfully penned tale is certain to captivate and terrify promising an experience that is as thought provoking as it is spine chilling **Tongues of**

Fire Frank D. Macchia,2023-03-28 In this volume Frank Macchia offers a systematic theology written with Christ s outpouring of the Holy Spirit from the heavenly Father at Pentecost as its dominant motif Christ s death and resurrection provide for our reconciliation with God and make way for the Spirit for the divine overflowing onto all flesh The church is born in the grace of that overflowing From the abundance of this divine self giving spring forth many different tongues aflame with the church s praise and witness This systematic theology seeks to join and further guide these tongues in their diverse contexts by reflecting in a coherent fashion across the spectrum of Christian doctrine The first three chapters offer an extensive treatment of modern approaches to theology Subsequent chapters explore all of the major topics of importance to theology historically This is theology written from a Pentecostal interest yet seeking to speak beyond it to a larger ecumenical horizon **Satan's Super Soldiers** Barry Blackstone,2024-04-30 Barry Blackstone has been fascinated with the biblical reference to giants since childhood but only began looking deeper into the subject when he was challenged by a member of his congregation twenty five years ago Over those years Blackstone compiled information on all the named giants and those that slew them men well known like David Joshua and Caleb and those not so well known like Othniel Elhanan and

Abishai Coming to the conclusion that this race of super humans was a product of Satan's plan to corrupt man stop the coming of the Messiah and resist the Hebrews from possessing their promised land Blackstone began to see the principles and precepts needed to combat the giants of our day in our spiritual warfare against principalities against powers against the rulers of the darkness of this world against spiritual wickedness in high places Eph 6 12 Travel with this pastor through the Bible as he reveals the origin of the giants how they survived the Flood and when they were finally wiped out in the days of David With strange names like Rephaim OG Arba Anak Sheshai and of course Goliath learn about their fabled size their formidable weapons and why they all were so easily defeated This exploration will cover some of the greatest battles described in Scripture and will uncover how to win against gigantic foes personally Each chapter is written in a devotional style that will bring a spiritual encouragement to the reader and will help them see that no matter how invincible the adversary What shall we then say to these things If God be for us who can be against us Rom 8 31
