Love Conquers all **DEMOCRACY NEEDS TLC** Craig L. Parker LPC LMFT, 2025-02-12 Democracy Needs TLC is interactive literature in the nonfiction genre What makes this book interactive literature is how the author uses his forty years of experience as a mental health counselor and marriage and family therapist in its design to use various approaches

and learning style tools to capture the reader's attention, curiosity, imagination, and understanding. The book is designed to provide information in ways that minimize defensiveness, maximizing the reader's ability to see, hear, do, and feel something better. The objective is to assist the reader by using the printed word, storytelling, graphic arts, personal surveys, handouts, worksheets, games, references to movie and literary works, music, and the like to experience the contents of this book. This book primarily addresses democracy from a Christian perspective to examine consideration of various poignant topics impacting democracy: the threat of autocracy and the Church's role to advocate for democratic principles, values that align with Christian doctrine. It is formatted to be read individually yet also could be used within small or large group settings, e.g., as a Bible study tool, book club's discussion material, or workshop for personal and/or Christian growth and development instrument. The book encourages honest discussion of the intersection of politics and religion, leading to better, deeper understanding of God and how to apply His word, will, and way in one's life individually and collectively via TLC. TLC goes beyond the normally used acronym for tender love and care to be expanded to such concepts as the love of Christ, truth, love, and Christ, trust, love, and commitment, the local church, and the living church, and truly loving Christians. Such concepts are presented in such a way to encourage non-Christian readers to attempt to understand and adapt the concepts to their worldview and/or spiritual belief system.

An Unstoppable Survivor Judy Welden, 2021-04-21 Judy Welden's starkly honest memoir will grip your emotions as she relates a story of struggle, challenges, and ultimate success. Travel with her as she recalls a full spectrum of childhood emotions, youthful romance, motherhood, and stardom as an internationally recognized songwriter and performer. You will feel like you really know Judy as you turn the pages of her memoir. Charlene DeWitt, Author, former VP Northeast Georgia Writers, Founder/Leader of Tall Tales Family Farm Writers, and Founder/Leader of GNC Writers. Judy Welden's life story is both interesting and inspiring. A gifted and prolific songwriter as well as a talented singer, she has won many awards, but the recognition didn't come easy. Many will relate to her struggles to overcome difficulties while forging forward with a career. The book is also entertaining, and yes, at times funny. This remarkable woman has the uncanny ability to tell a brutally honest story which leaves the reader feeling motivated and uplifted.

Laurie Hyatt, Ph.D., author of *Think Your Way to Happiness*. Silent Decision: A passionate woman who was stifled for two decades by an unloving husband. Judy Welden didn't begin to live the life she was meant to lead after his drowning death in 1980. To ease her sadness, she kept busy with the booking agency she'd started, wrote poetry, and 400 song lyrics. Finding love again, she helped her new husband set up his chiropractic office, then went on to pursue her music dream. Starting two publishing companies and two record labels, she managed to get over 100 singer-songwriters heard, as well as her own recorded music. Judy also patented a unique bandana hat without an attorney. With adversity at every turn, she somehow succeeded due to her work ethic, winning many awards that proved her credibility, plus sheer determination. Judy also shares the part of her life unrelated to music in a boldly honest, memorable way that is heartfelt and often amusing. It is her hope that readers will be inspired to follow their dreams.
