Divinity School,1907 Vols 2 6 include Theological and Semitic literature for 1898 1901 a bibliographical supplement to the American journal of theology and the American journal of Semitic languages and literatures By W Muss Arnolt Separately paged God's Only Law Bill Cohen,2022-02-14 This book describes the journey God has created for us and why this journey is necessary Some will understand the journey while others of us will twist and distort it for our own purposes lying even to ourselves Those lying to us want us to believe there are so many laws created by God and man that we cannot possibly keep them all The implication is it is okay to break some of them even God s laws since everyone lies cheats steals envies or worse now and again So today we are tearing this veil of selfishness and lies to reveal the truth that God has only one law God s only law is His law of love And now I beseech thee lady not as though I wrote a new commandment unto thee but that which we had from the beginning that we love one another 2 Jn 5 5 He said this is the commandment we have had from the beginning and we do not need other laws if we would just live the fruit of the Spirit But the fruit of the Spirit is love joy peace longsuffering gentleness goodness faith Meekness temperance against such there is no law Gal 5 22 23 This is God describing what His law of love looks like And He tells us all the law and the prophets are fulfilled in one word love For all the law is fulfilled in one word even in this Thou shalt love thy neighbor as thyself Gal 5 14 Therefore all things whatsoever ye would that men should do to you do ye even so to them for this is the law and the prophets Matt 7 12 Owe no man any thing but to love one another for he that loveth another hath fulfilled the law Rom 13 8 Sunday School Times ,1882

conducted It also gives the summary of law and love in the books of Paul The interaction between law and love in Pauline writing has been an interesting topic where we have discovered that the law of God cannot be separated from his agape love which has followed mankind from creation and eventually leads him to eternity We discovered that the law of God reveals Gods character and that is his love The law of God and his love are one and cannot be separated from each other God gives the law to prove to man that he loves him deeply and eternally The death of Jesus on the cross was the final crown of the proof of how much we mean to God and the length He can go to redeem us He gave his all for our redemption The plan of salvation is the perfect revelation of law and love in Pauline writings Chapter 1 and 2 looks at law and love and the theology and ethics of law and love The plan of salvation is laid bare and how the Jews missed the mark of spreading the Word to the whole world by holding to God as a Jewish God alone In chapter 3 we discover the difference between the ceremonial law and the Decalogue The ceremonial laws were pointing toward the coming of Jesus and so with his arrival they came to an end because they were pointing to his coming The Decalogue was there and it will continue till the end of time when Jesus will come the second time Chapter 4 is all about love and what it means to God and how he could not compromise his Decalogue and the meaning of redemption Chapter 5 is the blending of law and love in Pauline writings Keeping the law is not a problem when you love God and you know that God loves you its not difficult to keep the Decalogue because your love supercedes the law When you love someone its easy to follow or keep the law Gods Decalogue is a mirror and love is the crown of our redemption For God so loved the world that he gave His only begotten son to die for man because His law could not be changed Love will lift us up such that doing and keeping Gods law will not be a burden but a pleasure because through Christs death we realize how important we are to God
