Love Once In Passing:

Love Once in Passing Jo Ann Simon, JoAnn Simon, 1981 This is book one in Jo Ann Simon's acclaimed time travel romance first published in the early 1980s Christopher Dunlap a man of title and privilege in early nineteenth century England and Jessica Lund a thoroughly modern woman suddenly find their lives mysteriously entwined in Jessica's late twentieth century world Neither understand how Christopher a man who had been living a happy life nearly two hundred years in the past is now flesh and blood in Jessica's present They soon share a love for each other as deep as it is dangerous for whatever has brought them together can just as easily tear them apart Romantic Conventions Anne K. Kaler, 1999 Finding that romance novels are an important literary genre not only because they comprise nearly half of paperback fiction sold but also because they employ sympathetic values and identifiable conventions critics present 12 studies analyzing a selection of specific conventions patterns themes and images and trace them back to origins in folktales or fairy tales and back again to the latest adaptations available in the supermarkets No index Paper edition 778 0 21 95 Annotation copyrighted by Book News Inc Portland OR **Once a Week** Eneas Sweetland Dallas, 1877 **The English Poets** Thomas Humphry Ward, 1882 *Festus* Philip James Bailey, 1848 **Keys to Happiness** Анастасія Вербицкая, Beth Holmgren, 1999 This release is an important contribution to the literary discourse about women's lives sexuality politics and popular culture in early 20th century Russia Publishers Weekly One of the most sensationally popular and influential of all pre Revolutionary novels *Keys to Happiness* is set against a panorama of Russian society on the eve of World War I It tells the stormy tale of Manya Yeltsova a Russian new woman who pursues her dreams and passions as a dancer and free spirit who captivates among others a Jewish socialist tycoon and a reactionary Russian nobleman At the time of its publication the novel crossed the boundaries of both gender and class to define a new type of literature in Russian society The editors informative introduction places the novel within its cultural political and social context and makes clear for today's readers its literary and historical importance *The Family friend* [ed. by R.K. Philp]. Robert Kemp Philp, 1864 **The Dawn Book** Annie Stillwater Gray, 2015-10-21 At this time in the evolution of the Earth much information is being made available to humanity through psychic and spiritual means Channeled information has presented itself throughout history but never as frequently or as forcefully as today It is time for humanity to possess knowledge which has been for the most part unavailable until now This sacred knowledge is entering the Earth plane in many places in many ways **Littell's Living Age**, 1919 **The Dark Interval** Padraic Killeen, 2022-05-05 Invoking key concepts from the philosophical writings of Gilles Deleuze and Giorgio Agamben *The Dark Interval* examines a subtle but distinct iconography of passivity stillness and profound self affection that recurs across noir films of every era In doing so it identifies the emergence of a specific cinematic figure the intervallic noir protagonist exposed to the redemptive force of his or her own passion Significantly the book contextualises the iconography of film noir in relation to prior art historical visual traditions in particular earlier representations of

melancholia and the saturnine locating noir against a much broader canvas than has been the norm Examining central noir films of the classic and modern era *The Killers* *The Man Who Wasn't There* as well as films at the peripheries of noir from Jacques Tourneur's *Cat People* to Wong Kar Wai's *2046* the book locates a series of iconographic gestures performance traditions and affective tonalities at once specific to noir and yet resonant with a deeper cultural and philosophical heritage It is a meditation that uniquely grapples with the look and the feel of noir and which dares to detect a unique quality of beatitude that runs through a certain strain of noir films In doing so it illuminates why film noir remains one of the most provocative and affecting visual milieus of our time

Tales for an Unknown City Dan Yashinsky,1992 *Tales for an Unknown City* is a vibrant selection of almost fifty stories from among the many told at One Thousand and One Friday Nights of Storytelling a weekly open gathering in Toronto begun by Dan Yashinsky in 1978 and still going strong There are tales from Canada and many other parts of the world each followed by a brief word from the teller giving us the flavour of the Friday Nights

A Phenomenology of the Devout Life George Pattison,2018-11-10 *A Phenomenology of the Devout Life* is the first part of a three part work *A Philosophy of Christian Life* Rather than approaching Christianity through its doctrinal statements as philosophers of religion have often done the book starts by offering a phenomenological description of the devout life as that is set out in the teaching of Francois de Sales and related authors This is because for most Christians practice and life commitments are more fundamental than formal doctrinal beliefs Although George Pattison will address the metaphysical truth claims of Christianity in Part three the guiding argument is that it is the Christian way of life that best reveals what these beliefs really are As the work is a philosophical study it does not presuppose the truth of Christianity but assumes only that there is a humanly accessible meaning to the intention to live a devout life pleasing to God This can be said to find expression in a certain view of selfhood that emphasizes the dimensions of feeling and will rather than intellect and that culminates in the experience of the annihilation of self This is a model of selfhood deeply opposed to contemporary models that privilege autonomous agency and the devout life is therefore presented as offering a corrective to extreme versions of the contemporary view
