Love One Another From Your Heart:

How to Grow Your Heart'S Garden for God Jonathan Martin,2016-11-09 We all know that life can be hard and working in the garden and trying to grow a garden is hard work In our lives if we want to grow spiritually closer to God it takes work and effort in each of our hearts The truth that God gives us is from his Word It is the seeds that we need to plant in our lives and be willing to accept The seed has to have water so it can grow We need the active working of God in our lives so the truth can come alive in our lives As we grow we need be close to Gods will in our lives in the light of His will for our lives so we can continue to grow for him As God prepares us to do his work we must be rooted in the foundational truths that God has for us in his Word Like a garden we have to be aware of the dangers that come in and can contaminate our effectiveness for God All the steps that we need to take so that we might be fruitful for God to have a final product that is worthy before God when one day we meet him I hope that you will take the journey and see that you too can have a beautiful garden for God

Love One Another, My Friends Augustine,2009-01-02 Augustine s interpretation is spiritual his were not scholarly or academic concerns and John Leinenweber s translation is fresh and accessible capturing the clarity brilliance and inspired passion of the original John has said many things stated Augustine and almost all of them concern love The first six of the ten homilies were delivered on the days of the Easter octave This period proved too short for Augustine to cover the whole of the letter and he preached four additional homilies later in the spring In his Confessions Augustine spoke of his great longing as a youth to love and be loved a topic that appealed greatly to his listeners During the course of delivering these homilies he was interrupted time and again by applause and shouts of enthusiasm The ten homilies are broken up into twenty four short chapters for example The Commandment of Love Two Loves of God and of the World Christ and Antichrists Unanswered Prayer God is Love God Has Loved Us First Love Casts Out Fear His are in large part moral teachings dealing with such topics as prayer our enemies fear of God the church the world so important in Saint John s writings What does one actually do to love God and others What are the pitfalls of loving How can one learn to love more Throughout the homilies Augustine s great desire to love and be loved and to live eternally with God are eloquently expressed Believing himself ignorant of Scripture he had initially considered himself ill prepared for the priesthood Augustine s subsequent tireless studies unleashed a stream of biblical commentaries that led him to be ranked with Thomas Aquinas as one of the greatest teachers the Western Church has ever produced and one of its greatest Fathers His towering intellect molded the thought of Western Christianity and his ideas dominated the thinking of the Western world for a thousand years after his death Augustine wrote profusely explaining and defending the faith Called Doctor of Grace his best known works are his Confessions one of the greatest spiritual classics of all time and City of God an exposition of a Christian philosophy of history
