Catalog of Books**, 1996 **Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ... Wherein the Copyright Has Been Completed by the Deposit of Two Copies in the Office** Library of Congress. Copyright Office, 1978 **Now Playing** Paul S. Moore, 2008-04-17 Locates the origins of the mass audience and the emergence of everyday moviegoing in the culture of cities Reel Time Robert Morris Seiler, Tamara Palmer Seiler, 2013 In this authoritative work Seiler and Seiler argue that the establishment and development of moviegoing and movie exhibition in Prairie Canada is best understood in the context of changing late nineteenth century and early twentieth century social economic and technological developments From the first entrepreneurs who attempted to lure customers into movie exhibition halls to the digital revolution and its impact on moviegoing Reel Time highlights the pivotal role of amusement venues in shaping the leisure activities of working and middle class people across North America As marketing efforts the lavish interiors of the movie palace and the romantic view of the local movie theatre concealed a competitive environment in which producers exhibitors and distributors tried to monopolize the industry and drive their rivals out of business The pitched battles and power struggles between national movie theatre chains took place at the same time that movie exhibitors launched campaigns to reassure moviegoers that theatres were no longer the unclean and immoral places of amusement of yesteryear Under the leadership of impresarios the movie theatre rose up from these attacks to become an important social and cultural centre one deemed suitable for women and children An innovative examination of moviegoing as a social practice and movie exhibition as a commercial enterprise Reel Time depicts how the industry shaped the development of the Canadian Prairie West and propelled the region into the modern era **Fabulous Female Firsts** Marlene Wagman-Geller, 2020-03-17 Profiles of pioneering women past and present who've shattered glass ceilings from the author of *Women of Means* and *Women Who Launch Sexism* has kept generations of women on the sidelines of history but in every era there are women who refuse to sit back in the shadows *Fabulous Female Firsts* is a celebration of those women the role models who proved that with enough daring and tenacity the impossible can become possible From the first woman to receive the Congressional Medal of Honor to the first female candidate for US President it wasn't Hillary Clinton to the first woman to win an Academy Award for Best Director this collection of biographical profiles celebrates the trailblazers who persisted in spite of being labeled stubborn improper or worse This book is written in praise of difficult women who made the world a better place and offers the inspiring stories of Aretha Franklin Sandra Day O'Connor Lucy Walker Sally Ride Kathryn Bigelow Misty Copeland Viola Desmond Pauli Murray Emma Gatewood Brig Gen Anna Hays Junko Tabai Gertrude Ederle and many more Effervescent stories about diverse groups of female creators entrepreneurs and dynamos every page gives the motivation to strive for greatness Becca Anderson bestselling author of *The*

Book of Awesome Women and Real Life Mindfulness *Representing Talent* Violaine Roussel, 2017-08-29 Audiences love the glitz and glamour of Hollywood but beyond the red carpet and behind the velvet curtain exists a legion of individuals who make showbiz work agents Whether literary talent or indie film agents are behind the scenes brokering power handling mediation and doing the deal making that keeps Hollywood spinning In *Representing Talent* Violaine Roussel explores the little known but decisive work of agents turning the spotlight on how they help produce popular culture The book takes readers behind the scenes to observe the day to day activities of agents revealing their influence on artistic careers and the prospects of Hollywood's forthcoming projects Agents are crucial to understanding how creative and economic power are intertwined in Hollywood today They play a key role in the process by which artistic worth and economic value are evaluated and attributed to people and projects Roussel's fieldwork examines what having relationships really means for agents and how they perform the relationship work that's at the heart of their professional existence and success *Representing Talent* helps us to understand the players behind the definition of entertainment itself as well as behind its current transformations

An Askew View 2 John Kenneth Muir, 2012-08-01 In the year 2002 *An Askew View The Films of Kevin Smith* was the first book to gaze at the cinema of one of New Jersey's favorite sons the independent and controversial auteur of *Clerks* 1994 *Mallrats* 1995 *Chasing Amy* 1997 *Dogma* 1999 and *Jay and Silent Bob Strike Back* 2001 Now a full decade after that successful original edition award winning author John Kenneth Muir returns to the View Askewniverse to consider Kevin Smith's second controversial decade as a film director social gadfly and beloved media talker From *Jersey Girl* 2004 to the controversial *Zack and Miri Make a Porno* 2008 from the critically derided *Cop Out* 2010 to the incendiary and provocative horror film *Red State* 2011 *An Askew View 2* studies the Kevin Smith movie equation as it exists today almost two full decades after Smith maxed out his credit card made *Clerks* with his friends shopped it at Sundance and commenced his Hollywood journey In addition to Kevin Smith's films *An Askew View 2* remembers the short lived *Clerks* cartoon 2000 and diagrams the colorful Smith Lexicon **Reinvention Made Easy** Jim Mathis, 2011-12-01 The new world of work requires tough love and tough questions to ask yourself Choose reinvention over extinction by facing hard business truths Self reinvention is easy Everybody can reinvent themselves in a challenging economy by incorporating the simple indisputable truths in *Reinvention Made Easy* But even the most creative leaders will find this a personally challenging and value changing read The economy doesn't go up or down it becomes different The realities of your business have changed forever Leaders manage the way they react to change The next year is probably the end of the way we will do business Your business purpose is not determined by you but by the needs or wants that are satisfied when the customer buys a product or service Effective market leaders see themselves from the customer's viewpoint To reinvent yourself you must answer these questions raised in *Reinvention Made Easy* When will the recession end Why don't people buy what I sell Why does my team hate me Why doesn't my teamwork always work How am I punishing my customers What is costing me more money than making me

New York Magazine ,1990-04-02 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Rewind and Search Mary Jane Miller,1996-04-15 The first half of Rewind and Search looks at the makers the producers directors writers story editors and actors while the second half deals with the decision makers issues policy and ethos that affect the making of CBC television including drama Miller pays particular attention to the ways in which programs were influenced by evolving audience expectations technological advances and changes in policy personnel and the corporate structure of the CBC With more cutbacks and a change of mandate looming on the horizon the CBC is at a crossroads Rewind and Search reveals the value of television drama as an important part of our Canadian heritage a part that should not be ignored

Magic Moments Charles Barnett,2013-04-05 Magic Moments is an eclectic assortment of short pieces tha examine life and love Most are taken from moments with one of two little poodles Sometimes they are silent Sometimes they talk back Other pieces explore science and travel to faraway places like the Arctic and the Amazon without poodles just people Take your pick If there s romance and wonder in your heart you ll find something to warm the silent moments as you drift off to sleep

Creativity, Inc. (The Expanded Edition) Ed Catmull,Amy Wallace,2023-09-28 The co founder and longtime president of Pixar updates and expands his 2014 New York Times bestseller on creative leadership reflecting on the management principles that built Pixar s singularly successful culture and on all he learned during the past nine years that allowed Pixar to retain its creative culture while continuing to evolve Might be the most thoughtful management book ever Fast Company

For nearly thirty years Pixar has dominated the world of animation producing such beloved films as the Toy Story trilogy Finding Nemo The Incredibles Up and WALL E which have gone on to set box office records and garner eighteen Academy Awards The joyous storytelling the inventive plots the emotional authenticity In some ways Pixar movies are an object lesson in what creativity really is Here Catmull reveals the ideals and techniques that have made Pixar so widely admired and so profitable As a young man Ed Catmull had a dream to make the first computer animated movie He nurtured that dream as a Ph D student and then forged a partnership with George Lucas that led indirectly to his founding Pixar with Steve Jobs and John Lasseter in 1986 Nine years later Toy Story was released changing animation forever The essential ingredient in that movie s success and in the twenty five movies that followed was the unique environment that Catmull and his colleagues built at Pixar based on philosophies that protect the creative process and defy convention such as Give a good idea to a mediocre team and they will screw it up But give a mediocre idea to a great team and they will either fix it or come up with something better It s not the manager s job to prevent risks It s the manager s job to make it safe for others to take them The cost of preventing errors is often far greater than the cost of fixing them A company s communication structure should not mirror its organizational structure Everybody should be able to talk to anybody Creativity Inc has been significantly expanded to illuminate the continuing development of the unique culture at Pixar It features a new introduction two entirely new chapters four new chapter postscripts and changes and updates throughout Pursuing excellence isn t a one off assignment but an ongoing day in day out full time job And Creativity Inc explores how it is done National Union Catalog ,1979
