Magic Ring And Other Russian Folktales:

The Magic Ring and Other Russian Folktales, 1979 A re telling of six Russian stories that combine fantasy with down to earth realism **The Complete Russian Folktale: v. 4: Russian Wondertales 2 - Tales of Magic and the Supernatural** Jack V. Haney, 2019-07-23 These stories of heroism and magic and of terrifying encounters with Baba Yaga

Zmei the serpent and Koschchei the Immortal represent at least one example of every wondertale type known in Russia

An Anthology of Russian Folktales Jack V. Haney, 2014-12-18 This anthology gathers a broad selection of Russian folktales legends and anecdotes and includes helpful features that make them more accessible and engaging for English language readers Editor Jack V Haney has selected some of the best tales from his seven volume Complete Russian Folktale collection and added examples of anecdotes and the long serial tales told in the far north The 114 tales included here represent every genre found in the Russian tradition They date from the eighteenth through the twentieth centuries and come from all geographic regions of the Russian speaking world The collection is enhanced by a detailed introduction to the folktale and its types brief introductions to each grouping of tales head notes with interesting background for individual tales and a glossary explaining Russian terms *The Russian Folktale by Vladimir Yakovlevich Propp* Vladimir Yakovlevich Propp, 2012-09-12 Vladimir Propp is the Russian folklore specialist most widely known outside Russia thanks to the impact of his 1928 book Morphology of the Folktale but Morphology is only the first of Propp s contributions to scholarship This volume translates into English for the first time his book The Russian Folktale which was based on a seminar on Russian folktales that Propp taught at Leningrad State University late in his life Edited and translated by Sibelan Forrester this English edition contains Propp s own text and is supplemented by notes from his students The Russian Folktale begins with Propp s description of the folktale s aesthetic qualities and the history of the term the history of folklore studies first in Western Europe and then in Russia and the USSR and the place of the folktale in the matrix of folk culture and folk oral creativity The book presents Propp s key insight into the formulaic structure of Russian wonder tales and less schematically than in Morphology though in abbreviated form and it devotes one chapter to each of the main types of Russian folktales the wonder tale the novellistic or everyday tale the animal tale and the cumulative tale Even Propp s bibliography included here gives useful insight into the sources accessible to and used by Soviet scholars in the third quarter of the twentieth century Propp s scholarly authority and his human warmth both emerge from this well balanced and carefully structured series of lectures An accessible introduction to the Russian folktale it will serve readers interested in folklore and fairy tale studies in addition to Russian history and cultural studies **The Complete Russian Folktale: An introduction to the Russian folktale** Jack V. Haney, 1999 This engaging introduction to the Russian folktale considers the origin structure and language of folktale tale tellers and their audiences the relationship of folktale to Russian ritual life and the folktale types that are translated in subsequent volumes of The Complete Russian Folktale **The Bathhouse at Midnight** William Francis Ryan, 1999-01-01

The title of this book refers to the classic time and place for magic witchcraft and divination in Russia The Bathhouse at Midnight by one of the world s foremost experts on the subject surveys all forms of magic both learned and popular in Russia from the fifth to the eighteenth century While no book on the subject could be exhaustive The Bathhouse at Midnight does describe and assess all the literary sources of magic witchcraft astrology alchemy and divination from Kiev Rus and Imperial Russia and to some extent Ukraine and Belorussia Where possible Ryan identifies the sources of the texts usually Greek Arabic or West European and makes parallels to other cultures ranging from classical antiquity to Finnic He finds that Russia shares most of its magic and divination with the rest of Europe Subjects covered include the Evil Eye the Number of the Beast omens dreams talismans and amulets plants gemstones and other materials thought to possess magic properties The first chapter gives a historical overview and the final chapter summarizes the political religious and legal aspects of the history of magic in Russia The author also provides translations of some key texts The Bathhouse at Midnight will be invaluable for anyone student teacher or general reader with an interest in Russia magic or the occult It is unique in its field and is set to become the definitive study of Russian magic **Russian Folk-tales** William Ralston Shedden Ralston,1880

Magic Ring And Other Russian Folktales Introduction

In today's digital age, the availability of Magic Ring And Other Russian Folktales books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Magic Ring And Other Russian Folktales books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Magic Ring And Other Russian Folktales books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Magic Ring And Other Russian Folktales versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Magic Ring And Other Russian Folktales books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Magic Ring And Other Russian Folktales books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Magic Ring And Other Russian Folktales books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Magic Ring And Other Russian Folktales books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Magic Ring And Other Russian Folktales books and manuals for download and embark on your journey of knowledge?
