The Magic of Michael Jackson

Magic Of Michael Jackson

Magic Of Michael Jackson:

Michael Jackson Shawn Henning, 2010-06 Shawn Henning's new book is a powerful and overwhelming tribute and legacy to Michael Jackson. In one book he's collected love letters, reflections, eulogies, poems, essays, and drawings from people throughout the world who have a special appreciation for the King of Pop Michael Jackson. I was particularly impressed at the diversity of material from so many different countries and cultures — all of it heartfelt and illuminating. In *We Love You More* we learn about the many different ways that Michael Jackson affected people from all walks of life. The participants talk about how Michael's music, creativity, and public example affected their lives and helped them to be better people. The contributions are a wonderful cathartic output to help to come to terms with the loss of Michael's huge talent. They will not only comfort those who have written them but those who read them. People will learn about the experiences they have in common with people throughout the world who followed Michael's career, his music, his good deeds, and the example he set for this generation and generations to come. The book will also be of comfort to Michael's own family. They will see that the spirit of Michael will continue in people everywhere and in many ways, and for many reasons. It's also fascinating to learn what people have to say about different songs and what they meant to their lives. I'm impressed by the diverse elements in the book, from eulogies to memories to poems and beautiful drawings and paintings and even photo montages. At the end Mr. Henning, you've done a wonderful service to the Michael Jackson fan community, and I commend you. Sincerely yours, Larry Nimmer

Vivo, The Magic Bear Florina Petre, 2015-06-30 *Vivo the Magic Bear* is a story born from the desire to restore the hope to those who are sad and teach them how to rediscover their dreams and not to give them up again. I'm one of the billions of fans of Michael Jackson. I wrote this book as a tribute in memory of the King of Pop, and I dedicate it to his children and fans. I could say that is a message for all those who love Michael Jackson and want him close to their hearts. That's what I felt when I wrote this book; each paragraph came like a twinkle in my mind in the moment I was thinking about Michael. This book is magical because my inspiration came from magic, and the magic is Michael Jackson himself. During the writing of the book, I felt I had to teach the children that each of us has the power to heal ourselves and to accelerate healing. The magic of the little bear *Vivo* is supported in reality by the awakening power of self-suggestion, the purpose of healing being in its entirety. The person who will read or listen to the story will look at the little bear *Vivo* as a hero who can heal all wounds with his magic wing. In a world where it's all about money and power, here on the scene is a book that speaks to you about soul, life, and strength to move forward when you have a thousand reasons to quit. This book is about the friendship between two magical beings who live on an island, and the island is guarded by a good spirit, M. Angel Michael Jackson, who helps the two friends in their adventures. *Vivo* has a magical wing received as a gift from M. Angel, and the wing can heal and bring light. *Vivo* and *Puff* are best friends, and each has one single wing. Only together can they fly. In this way, the story tells us to be united so that together we can win. Together we can heal the world as Michael taught us to do. *Vivo* will teach children and

adults to be tolerant loving and brave When I designed this character I used the idea that each of us has the power to heal through words through moral support with love Children around the world need a hero to teach them to believe in their dreams to grow and develop through positive thinking devoid of fear We must learn to be better because each of us is a step toward a better world We are the world and if we want to have loving people and streets devoid of violence we need to have models to teach us the importance of friendship love truth for all these Vivo is perfect There must be a small star to enlighten our souls and to teach us which are the true values of life We need spiritual light to be better more tolerant more loving to hope and to believe in our dreams
