innovative take on Magna Carta history that examines the impact and influence of women 39 No man shall be taken imprisoned outlawed banished or in any way destroyed nor will we proceed against or prosecute him except by the lawful judgment of his peers or by the law of the land This clause in Magna Carta was in response to the appalling imprisonment and starvation of Matilda de Braose the wife of one of King John s barons Matilda was not the only woman who influenced or was influenced by the 1215 Charter of Liberties now known as Magna Carta Women from many of the great families of England were affected by the far reaching legacy of Magna Carta from their experiences in the civil war and as hostages to calling on its use to protect their property and rights as widows Ladies of Magna Carta looks into the relationships through marriage and blood of the various noble families and how they were affected by the Barons Wars Magna Carta and its aftermath the bonds that were formed and those that were broken Including the royal families of England and Scotland the Marshals the Warennes the Braoses and more Ladies of Magna Carta focuses on the roles played by the women of the great families whose influences and experiences have reached far beyond the thirteenth century

Magna Carta, Religion and the Rule of Law Robin Griffith-Jones,Mark Hill, QC,2015-04-23 Archbishop Stephen Langton hoped with Magna Carta to realise an Old Testament covenantal kingship in England At the Charter s 800th anniversary distinguished jurists theologians and historians from five faith traditions and three continents ask how Magna Carta s biblical foundations have mattered and still matter now A Lord Chief Justice a Chief Rabbi a Grand Mufti of Egypt specialists in eight centuries of law scholars and advocates committed to the rule of law and to the place of religion in public life all come together in this testimony to Magna Carta s iconic power We follow the Charter s story in the religious life of the UK America and now Continental Europe and reflections on religio legal traditions far from the Common Law enrich the story Magna Carta Religion and the Rule of Law invites all religions to ask what contribution they themselves should make to the rule of law in today s secular democratic polities

Gothic Romanticism T. Duggett,2010-05-24 Gothic Romanticism winner of the 2010 MLA Prize for Independent Scholars is a study of the relationship between British Romanticism and the Gothic Revival Reading a wide range of canonical and rare texts and spanning the Romantic discourses of architecture politics and literary form the book recovers the collaborative project of Wordsworth Coleridge and Southey for a purified Gothic poetry and a second Gothic culture

Gothic Romanticism Tom Duggett, 2022-06-03 Gothic Romanticism Wordsworth Architecture Politics Form offers a revisionist account of both Wordsworth and the politics of antiquarianism in the late eighteenth and early nineteenth centuries As a historically driven study that develops a significant critique and revision of genre and theory based approaches to the Gothic it covers many key works by Wordsworth and his fellow Lake Poets Samuel Taylor Coleridge and Robert Southey The second edition incorporates new materials that develop the argument in new directions opened up by changes in the field over the last decade The book also provides a sustained reflection upon Romantic conservatism including the political thought and lasting influence of Edmund Burke New material places the book in wider and longer context of the political and historical forms seen developing in Wordsworth and proposes Gothic Romanticism as the alternative line of cultural development to Victorian Medievalism Affect and Belonging in Political Uses of the Past David

Farrell-Banks, 2022-09-29 Affect and Belonging in Political Uses of the Past examines key political events of the past decade to analyse the relationship between the representation of certain pasts in official heritage settings and the use of the same pasts in political discourse Drawing on data gathered from museums heritage sites news articles political speeches manifestos and through digital media such as Twitter Farrell Banks demonstrates how a connection with a shared past can move people emotionally and give them the confidence to engage in political action The book considers how heritage and the past moves in time and space examining how it shapes political beliefs and action in the present The work is a timely intervention calling attention to the political responsibilities that come with heritage work when these same languages of heritage are adopted to promote a politics of division Introducing the concept of the moving moment a framework by which to research and understand uses of the past the book demonstrates how the past becomes a potent political tool Combining critical heritage studies critical discourse memory studies and political theory the book demonstrates new approaches to interdisciplinary studies within heritage Affect and Belonging in Political Uses of the Past will thus be essential reading for academics and students engaged in the study of heritage memory politics history and media , **Sacred Masculine**

Reification and Representation Graham Cairns, 2018-08-15 The relationship between politics and the public relations industry is controversial and at times polemic However one component of this relationship that has yet to be investigated is the role of architecture Arguing for a fundamental reconfiguration of our understanding of political architecture this book suggests it is not only a question of constructed buildings but equally a case of mediated imagery Considered through examples of architecture as a backdrop for photo shoots by politicians in the democracies of the United States and the United Kingdom this book suggests these images give us both a better understanding of recent developments in the Western political economy and the architectural and urban developments of the late 20th and early 21st Centuries Using case studies of Margaret Thatcher Tony Blair David Cameron Barack Obama George W Bush and Donald Trump this book represents a ground-breaking triangular analysis that will be essential reading for scholars in architecture politics media and communication studies

European Heritage, Dialogue and Digital Practices Areti Galani, Rhiannon Mason, Gabi Arrigoni, 2019-07-09 European Heritage Dialogue and Digital Practices focuses on the intersection of heritage dialogue and digital culture in the context of Europe Responding to the increased emphasis on the potential for heritage and digital technologies to foster dialogue and engender communitarian identities in Europe the book explores what kind of role digital tools platforms and practices play in supporting and challenging dialogue about heritage in the region Drawing on fieldwork involving several European museums and heritage organisations the chapters in this volume critically engage with the role of digital technology in heritage work and its association with ideas of democratisation multivocality and possibilities for feedback and dialogic engagement in the emerging digital public sphere The book also provides a framework for understanding dialogue in relation to other commonly used approaches in heritage institutions such as participation engagement and intercultural exchange The authors map out the complex landscape of digitally mediated heritage practices in Europe both official and unofficial by capturing three distinct areas of practice perceptions and applications of digitally mediated dialogues around heritage within European museums and cultural policy facilitation of dialogue between European museums and communities through participatory design approaches and non-official mobilisation of heritage on social media European Heritage Dialogue and Digital Practices will be of interest to both scholars and students in the fields of heritage and museum studies digital heritage media studies and communication the digital humanities sociology and memory studies
