**Spirituality and Holistic Healing** Sr. Theresa Feist, 2016-11-23 You are in search of wholeness You have a body mind and spiritual life Your spirit cannot soar if your feet are heavy Your mind is confused when your blood is stagnant You need to care properly for your temple You are responsible for rebuilding your temple Rebuilding is a process which frequently includes a demolition of the old prior to a solid construction of the new Some of the demolition involves a radical change in your belief system Once the new bricks of a solid belief system come into your line of vision you will sense a joy within that nothing can take away It is the experience of having touched the infinity that lives within you When I accept responsibility for my choices I am ready to grow Free choice is a discipline Free and deliberate choices are the way to salvation Pain is an

indicator for necessary change an alert What I do with that alert is my choice The healing is in the choice for integration or disaster     The Invisible Force Fred Rinker,1997     *Nature's Pharmacy for Animals:Second Edition* Harald W. Tietze,2001
