Magnetic Therapy Abbot George Burke, 1983 **Magnetic Therapy** George Burke, 1980 The Book of Magnet Healing Roger Coghill, 2000 Explains the concepts behind magnet therapy its history and how it can be used to relieve pain from a variety of ailments **Bio-Magnetic Therapy** Abbot G Burke (Swami Nirmalananda Giri), 2023-08-15 What is the Vital Force within us that causes us to live and breath which underlies all the functions of our bodies How do we increase this force within us and how can we use this force for our own welfare and others This bio electrical force is called by many names but for our purposes we will use the term magnetism In Magnetic Therapy Swami Nirmalananda begins by explaining what is meant by magnetism and how it has been viewed by healers historically But most importantly he shows how we can use our body s bio magnetism to improve the body s natural healing ability in ourselves and in others with specific methods that anyone can use Magnetism flows throughout the universe enlivening all things This is why Mesmer also called it vital fluid This force moves invisibly through all existing things It can flow in basically two ways harmoniously or inharmoniously rhythmically or sporadically freely or obstructed to some degree When it becomes totally blocked or reduced to below a critical degree the result is death So we can say that harmonious unobstructed flow of this Magnetism is health inharmonious or obstructed flow of Magnetism is disease Dr A S Raleigh says the following Magnetic Healing has therefore been found of very much value in the treatment of functional diseases because they give the nerve force for which that nerve center is starving Giving this nerve force they establish the equilibrium they strengthen the organ or rather the nerve center so that it makes the organ perform its proper functions There is no disease of a functional character to which flesh is heir that cannot be cured by this method and cured with comparative ease Swami Nirmalananda ends the theoretical chapter with these words How is Magnetic Therapy applied In the simplest way possible by the application of the hands as poles of a magnet in order to increase and normalize the flow of life force in your body and those of others Then begins the all important practical section of the book where he gives the reader the specific techniques to accomplish this *Healing with Magnetic Therapy* Sarah Brewer, 2002 **Vibrational Medicine** Richard Gerber, 2001-03-01 The original comprehensive guide to energetic healing with a new preface by the author and updated resources More than 125 000 copies sold Explores the actual science of etheric energies replacing the Newtonian worldview with a new model based on Einstein s physics of energy Summarizes key points at the end of each chapter to help the serious student absorb and retain the wealth of information presented Vibrational Medicine has gained widespread acceptance by individuals schools and health care institutions nationwide as the textbook of choice for the study of alternative medicine Trained in a variety of alternative therapies as well as conventional Western medicine Dr Gerber provides an encyclopedic treatment of energetic healing covering subtle energy fields acupuncture Bach flower remedies homeopathy radionics crystal healing electrotherapy radiology chakras meditation and psychic healing He explains current theories about how various energy therapies work and offers readers new insights into
