Mahoning Valley Poetry Julie Brown, Robert Brown, 1993 **Words from the Heart** Jim Villani, 1995-10-01 **Irish in Youngstown and the Greater Mahoning Valley** The Irish American Archival Society, 2004-06-29 In 1796 Daniel Shehy of Tipperary was the first Irish man to settle in Youngstown In the early nineteenth century the Ulster Irish moved into the region Later massive waves of Irish refugees from the Potato Famine settled in the area and filled the labor needs of the steel mills canals and railroads Irish in Youngstown and the Greater Mahoning Valley recounts the history of the first Irish immigrants to settle the Valley up to the present and their prominent roles in community politics arts business sports entertainment and religion Through vintage images of families church leaders business owners politicians Irish dancers and philanthropists this book celebrates the influence of the Irish on the Greater Mahoning Valley **Steeltown U.S.A.** Sherry Lee Linkon, John Russo, 2002-06-10 Once the symbol of a robust steel industry and blue collar economy Youngstown Ohio and its famous Jeannette Blast Furnace have become key icons in the tragic tale of American deindustrialization Sherry Lee Linkon and John Russo examine the inevitable tension between those discordant visions which continue to exert great power over Steeltown's citizens as they struggle to redefine their lives When the Jenny was shut down in 1978 50 000 Youngstown workers lost their jobs cutting the heart out of the local economy Even as the community organized a nationally recognized effort to save the mills the city was rocked by economic devastation runaway crime and mob scandal problems that persist twenty five years later In the midst of these struggles the Jenny remained standing as a proud symbol of the community's glory days still a dominant force in the construction of both individual and collective identities in Youngstown Focusing on stories and images that both reflect and perpetuate how Youngstown understands itself as a community Sherry Lee Linkon and John Russo have forged a historical and cultural study of the relationship between community memory work and conflict Drawing on written texts visual images sculptures films songs and interviews with people who have lived and worked in Youngstown the authors show the importance of memory in forming the collective identity of a place Steeltown U S A is a richly developed portrait of a place showing how images of the Jenny and of Youngstown have been used in national media and connecting these representations to the broader public conversation about work and place Bruce Springsteen's song Youngstown the book Journey to Nowhere and other pop culture artifacts have helped make Youngstown the symbolic epicenter of American deindustrialization And while many people see the need to get over the past and on with the future in rushing to erase the difficult parts of Youngstown's history they might also forget the powerful events that made the city so important such as the struggles for economic and social justice that improved the lives of steelworkers This multifaceted study of the meaning of work and place in one community pointedly depicts the relationships among economic development media representations and community life As we see how people's faith in the value of their work dwindled away in Youngstown their stories can help us understand not only how the meaning of work has changed but also why the changing

meaning of work matters **Poetry of My Life** Ovella Blackmon,2008 **Hidden History of Youngstown and the Mahoning Valley** Sean T. Posey,2022 Join the author of *Historic Theaters of Youngstown and the Mahoning Valley* and *Lost Youngstown* in an excavation of forgotten stories from bygone days Beyond steel and rust Youngstown and the Mahoning Valley share a rich but often overlooked past During the late 1910s the ever present smoke blanketing the area could not hide the fires from the burning business district of East Youngstown or the city streets deserted from Spanish influenza Over twenty years later the Mahoning Valley lived under another dark cloud the Great Depression but instead of violence and destruction the men and women of the WPA busied themselves with building up the region and dreaming of better days Journalist and historian Sean Posey excavates the history behind familiar landmarks forgotten institutions and historic sites that connect Mahoning Valley history to the story of the evolution of industrial America **History of Youngstown and the Mahoning Valley, Ohio** J.G. Butler, **The Magazine of Poetry** ,1891 *History of Youngstown and the Mahoning Valley, Ohio* Joseph Green Butler (Jr.),1921 **Encyclopedia of American Poetry: The Twentieth Century** Eric L. Haralson,2014-01-21 The Encyclopedia of American Poetry The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the author s career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States
