H. C. Bankole-Bright and Politics in Colonial Sierra Leone, 1919-1958 Akintola Wyse, 2003-12-11 This substantial and thoroughly documented book is a political biography of an important figure in Sierra Leone It is also a comment on two of the major themes of the country's history the relations between the Colony Krio Society and the protectorate the earlier inhabitants of the territory and more importantly the position of the imperial regime vis vis its colonial subjects The author a Sierra Leonean and a Krio himself skillfully examines the country's recent history through the life of Dr H C Bankole Bright an important leader of the Krio people The Krio descendants of the freed slaves were the elite of Sierra Leone for more than a century but ultimately they failed to master mass electoral politics during the period of decolonization leading to independence Dr Bankole Bright's failure is seen as emblematic of the disappointed hopes of the Krio as a political group in Sierra Leone An underlying theme of the book is the misrepresentation of the Krio people in Sierra Leone historiography

New Perspectives on the Sierra Leone Krio Mac Dixon-Fyle, Gibril Raschid Cole, 2006 The ex slave Krio population of Freetown Sierra Leone an amalgam of ethnicities drawn from several parts of the African continent is a fascinating study in

hybridity creolization European cultural penetration the retention of African cultural values and the interface between New World returnees and autochthonous populations of West Africa Although its Nigerian connections are often acknowledged insufficient attention has been paid to the indigenous Sierra Leonean roots of this community This anthology addresses this problem while celebrating the complexities of Krio identity and Krio interaction with other ethnic groups and nationalities in the British colonial experience
