*A Man Alone* Lindsay McKenna, 2009-08-01 Wounded and alone Captain Thane Hamilton came home to Arizona a decorated hero and a bitter embattled man The doctors claimed he would never truly heal never return to the Marine recon team he d led and loved But they d never met nurse Paige Black Somehow her determined spirit filled Thane with the will to live the courage to hope But what was it that drove this quiet Navajo beauty to stand by his side and ultimately to share his bed Could it be Paige held for him the very feelings he d long fought against The kind of powerful love that could destroy his loner vow

**The Man Alone With the Lake** R T Warner, 2023-10-13 The Man Alone with the Lake deftly explores the intriguing paradox of attaining one s dreams Often we believe that achieving our goals reaching our chosen destiny and fulfilling our life s purpose will paint our lives with an unmatched hue of perfection We believe that everything will effortlessly align providing a sense of profound contentment But what happens when you crest the summit of your ambitions only to discover that the victory tastes just as mundane as any other day What happens when the satisfaction you envisaged is strikingly absent Does this suggest that the goal was never truly yours Our tale orbits around a 22 year old football prodigy who soars to remarkable heights in his nascent career With each milestone he conquers every facet of his life seems to fall into seamless harmony echoing the vision he d always dreamed of everything that is

except his mental well being It is only upon reckoning with a life altering incident that he reevaluates his triumphant journey The revelation strikes like a bolt of lightning his long chased dream was never truly his He yearns not for the life he has meticulously constructed but for a solace found far from the madding crowd in the serene solitude of being utterly alone
