Bradley, 2010-10-04 Though innumerable biographies have been written about novelists playwrights and poets screenwriters are rarely granted this distinction even ones as prolific and successful as Richard Matheson Beginning with The Incredible Shrinking Man in 1957 Matheson has occupied a unique position in writing for television and cinema for more than fifty years This biography documents his rise to prominence his literary influences and the role he played in the horror and science fiction renaissance The narrative examines each of Matheson's works in chronological order with an index indicating where each can be found from his early work in the 1950s through I Am Legend in 2007 **Science Fiction Literature through History** Gary Westfahl, 2021-07-19 This book provides students and other interested readers with a comprehensive survey of science fiction history and numerous essays addressing major science fiction topics authors works and subgenres written by a distinguished scholar This encyclopedia deals with written science fiction in all of its forms not only novels and short stories but also mediums often ignored in other reference books such as plays poems comic books and graphic novels

Some science fiction films television programs and video games are also mentioned particularly when they are relevant to written texts Its focus is on science fiction in the English language though due attention is given to international authors whose works have been frequently translated into English Since science fiction became a recognized genre and greatly expanded in the 20th century works published in the 20th and 21st centuries are most frequently discussed though important earlier works are not neglected The texts are designed to be helpful to numerous readers ranging from students first encountering science fiction to experienced scholars in the field

Short-Lived Television Series, 1948-1978 Wesley Hyatt, 2015-10-06 Do you remember the 1959 game show where ABC cancelled a tape featuring a female impersonator Across the Board Ever heard of Snip the 1976 sitcom starring David Brenner that NBC canned just before it debuted Almost everyone who has worked on a successful television series has also been on one that flopped Even during the first thirty years of broadcasting when NBC CBS and ABC were the only networks and not quite so quick to cancel unsuccessful programs hundreds of shows lasted less than one year This work tells the stories of those ill fated series that were cancelled within one year after their premieres The entries are arranged chronologically from the 1948 1949 through the 1977 1978 seasons and provide brief descriptions of the shows along with such facts as the type of program each series was its times dates and network its competition on other networks and the names of the cast producer director and writer The book also includes information from more than 100 interviews with actors writers directors and producers who worked on the short lived television series

Reruns on File Donald G. Godfrey, 2013-09-13 For more than half a century broadcast recordings have reflected an important aspect of our culture and history An increasing number of archivists and private collectors have restored and exchanged radio and television materials However despite the awareness of these primary resource materials there is still some reluctance to utilize this aural and visual history resource A part of this reluctance is due to the fact that little is known about the existence of many collections throughout the nation This volume provides a comprehensive directory of electronic media archives in the United States and Canada It describes each collection focusing on its speciality providing the serious researcher with ready access information to these electronic media program resources Focusing on both private and institutional collections it is organized by state and city with indexes to provide the scholar with subject and location of specific topics of interest

You Can't Air That David S. Silverman, 2022-09-01 Broadcast television s presentation of controversial material to a mainstream American audience is no less an issue today than it was in the 1940s Programming content has always been a product of the interests and motives of network executives advertisers

and regulatory agencies In this illuminating book David S Silverman assesses four controversial television series from the perspective of media history examining the censorship present at all networks and the political and intellectual inertia it produces in broadcast television Beginning with The Smothers Brothers Comedy Hour from the sixties the author analyzes the split between the comic team and CBS over remarks they made on the Vietnam War and religion He also examines The Richard Pryor Show of the seventies which raised strong questions about network meddling over racial issues Among recent personalities he discusses activist Michael Moore whose frank political views wreaked havoc for NBC and Fox in the mid nineties and Bill Maher whose candid thoughts on 9 11 led ABC to terminate Politically Incorrect Drawing on firsthand accounts by the writers producers and performers of these programs Silverman offers an unbiased view of the ways in which censorship sponsor intimidation regulation and network tampering forced American broadcasters to manipulate creative talent and stifle genuine controversy Shedding new light on the prevalence of censorship in broadcast television this book helps to reinvigorate the subject of free speech in American society
