**Tangled Roots** Sarah Mittlefehldt, 2013-11-01 The Appalachian Trail a thin ribbon of wilderness running through the densely populated eastern United States offers a refuge from modern society and a place apart from human ideas and institutions But as environmental historian and thru hiker Sarah Mittlefehldt argues the trail is also a conduit for community engagement and a model for public private cooperation and environmental stewardship In Tangled Roots Mittlefehldt tells the story of the trail s creation The project was one of the first in which the National Park Service attempted to create public wilderness space within heavily populated privately owned lands Originally a regional grassroots endeavor under federal leadership the trail project retained unprecedented levels of community involvement As citizen volunteers came together and entered into conversation with the National Parks Service boundaries between local and nonlocal public and private amateur and expert frequently broke down Today as Mittlefehldt tells us the Appalachian Trail remains an unusual hybrid of public and private efforts and an inspiring success story of environmental protection Watch the trailer <http://www.youtube.com/watch?v=AFyhuGqbCGc>

**Tangled Roots** Marcia Kemp Sterling, 2021-02-02 A family saga of migration and striving where historical fiction meets genealogy brought to life through the voices of three young immigrants Set in the rich farmland of colonial Pennsylvania in 1750 this history comes alive in fiction narrative tells the first person stories of Mary her youthful passion constrained by tradition and family expectations Alex a Scots Irish indentured servant who introduces her to secrets of the land and of the heart and Matthew Mary s level headed stepbrother who longs to win her affection Set against the social issues of slavery

Native American oppression and indentured servitude the novel is rich in historic detail and the search for love justice and family in a new land At the center of the story is an old family cross brought back to Britain after the Third Crusade Even as the unique histories of Mary Alex and Matthew shape their experience in the American colonies so their futures are touched by the iconic cross that changed hands in the Holy Land during the Crusades reemerging on a 17th century plantation in Northern Ireland and yet again in the forest surrounding a small farm in Lancaster County at the edge of the Pennsylvania Colony
