Regents' Proceedings University of Michigan. Board of Regents,1997 **Proceedings of the Board of Regents** University of Michigan. Board of Regents,1997 Eanger Irving Couse Virginia Couse Leavitt,2019-01-24 Eanger Irving Couse 1866 1936 showed remarkable promise as a young art student His lifelong interest in Native American cultures also started at an early age inspired by encounters with Chippewa Indians living near his hometown Saginaw Michigan After studying in Europe Couse began spending summers in New Mexico where in 1915 he helped found the famous Taos Society of Artists serving as its first president and playing a major role in its success This richly illustrated volume featuring full color reproductions of his artwork is the first scholarly exploration of Couse s noteworthy life and artistic achievements Drawing on extensive research Virginia Couse Leavitt gives an intimate account of Couse s experiences including his early struggles as an art student in the United States and abroad his study of Native Americans his winter home and studio in New York City and his life in New Mexico after he relocated to Taos In examining Couse s role as one of the original six founders of the Taos Society of Artists the author provides new information about the art colony s early meetings original members and first exhibitions As a scholar of art history Leavitt has spent decades researching her subject who also happens to be her grandfather Her unique access to the Couse family archives has allowed her to mine correspondence photographs sketchbooks and memorabilia all of which add fresh insight into the American art scene in the early 1900s Of particular interest is the correspondence of Couse s wife Virginia Walker an art student in Paris when the couple first met Her letters

home to her family in Washington State offer a vivid picture of her husband's student life in Paris where Couse studied under the famous painter William Bouguereau at the Académie Julian. Whereas many artists of the early twentieth century pursued a radically modern style, Couse held true to his formal academic training throughout his career. He gained renown for his paintings of southwestern landscapes and his respectful portraits of Native peoples. Through his depictions of the domestic and spiritual lives of Pueblo Indians, Couse helped mitigate the prejudices toward Native Americans that persisted during this era. *Art in America*, 2003.
