

Recall that we have used
"completeness" of the real numbers
repeatedly before when doing that study
exercise. That is an important
technical tool that we will use later. We
will use it when studying the limit of a
sequence. It is the tool that we will use
to prove that the limit of a sequence exists.
We will use it to prove that the limit of a
sequence exists. We will use it to prove that
the limit of a sequence exists. We will use it
to prove that the limit of a sequence exists.
