Learning the Alphabet Hunter Calder, 2003 Excel

English Early Skills Learning the Alphabet teaches your child to recognise all the letters in the alphabet and breaks it down into three sections. In the book, your child will learn the names of all the letters of the alphabet, match each letter to the beginning sounds of words, learn to distinguish between different letters and their sounds, practise writing each letter. The activities in each book are divided into double pages. Each double page allows your child to practice one particular skill many times so that the skill is reinforced. Every page has an extra extension activity to further enrich your child's learning. The books have a clear, easy-to-follow page design with clear explanations to help both parent and child. Children's Mathematics 4-15: Learning From Errors And Misconceptions Ryan, Julie, Williams, Julian, 2007-04-01 This work uses data from the authors' own research on children's performance errors and misconceptions across the mathematics curriculum. It develops concepts for teachers to use in organising their understanding and knowledge of children's mathematics and concludes with theoretical accounts of learning and teaching. Outstanding Primary Teaching and Learning: A journey through your early teaching career Sally Hawkins, 2016-07-16 If you have ever asked yourself 'How do I become an outstanding teacher?' then this is the book for you. Combining state-of-the-art practices with deep insight from many years' experience of teaching, the book develops and explains how to change practice and attain excellence as a teacher. Seven core themes are embedded in a four-level hierarchy of practice that guides the reader from the fundamentals of successful teaching to the highest levels of accomplishment. The book offers a one-stop shop providing a structured and supported approach to becoming an outstanding teacher. A unique action planning feature at the end of each level creates a platform for your personal development. A range of guided reflection activities to help develop your skills and understanding of the many aspects of teaching. The unique focus on your individual development and creating an authentic identity as the foundation for excellence makes *Outstanding Primary Teaching and Learning* essential reading for the every trainee teacher or those wishing to enhance practice. There are a few educational texts that you do not want to put down and this is one. The book will encourage, motivate and inspire trainee teachers, recently qualified early career and established teachers to reach the heights of their potential. Dr Tracy Whatmore, Senior Lecturer at the University of Birmingham, UK. An easy-to-read book with sound practical advice underpinned by theory which every trainee teacher or early career teacher can dip into for guidance. It captures the essence of primary teaching through the metaphor of a coat, and I'm sure readers will adapt their coats accordingly as they journey through the book. Professor Vini Lander, Edge Hill University, UK. *Outstanding Primary Teaching and Learning* is an absolute must-read for teachers of any age or experience who would like to become more outstanding in their practice. Written from a unique and highly reflective perspective of pedagogy as an art, a proactive and inspiring approach is taken to journey the reader along a personalised path enabled through highly constructive and reflective opportunities. Alexander S Phipps, Postgraduate Student, Institute for Education, The University of Chichester, UK. Sally's writing style is both personal and humorous, which will engage and motivate busy teachers. She seamlessly combines

the latest theories and applies them to classroom practice By including regular reflection tasks this book can become a valuable accompaniment to trainees regular mentor meetings Those who engage with Sally s questions and follow her recommendations will develop a deep understanding of the role of the teacher and will develop a substantial toolkit to draw upon in the classroom Mark Bagust Associate Headteacher Cantell School UK      **Resources in Education** ,1998
