Matinee A Novel:

Matinee Robert Steiner, 1988 An imaginary encounter between Don Juan and Casanova in Paris provide counterpoint to the story of an all night party in New England hosted by a mysterious man who holds a guest hostage **The Matinee A.** Laren Hughes, 2017-09-05 Two people have a chance meeting at a Friday matinee movie They have an immediate recognition of each other and don't understand why Through exploring their connection they find out that they have been together in past lives Readers that love a great love story and also enjoy watching films would love this book because it ties the two together They will also enjoy the mysterious and metaphysical side of life throughout this book It explores the deeper meaning to relationships and the karma that can be involved as well **Midnight Matinee. A Novel** Dorothy Phoebe Ansle, 1949 **Munsey's Magazine** , 1903 *Proust, the Body and Literary Form* Michael R. Finn, 1999-03-25 This 1999 study examines the connections between Proust's fin de siècle nervousness and his apprehensions regarding literary form Michael Finn shows that Proust's anxieties both about bodily weakness and about novel writing were fed by a set of intriguing psychological and medical texts and were mirrored in the nerve-based afflictions of earlier writers including Flaubert Baudelaire Nerval and the Goncourt brothers Finn argues that once Proust cast off his concerns about being a nervous weakling he was freed to poke fun both at the supposed purity of the novel form Hysteria as a figure and as a theme becomes a key to the Proustian narrative and a certain kind of wordless bodily copying of gesture and event is revealed to be at the heart of a writing technique which undermines many of the conventions of fiction **The Nation** , 1882 The national memorial to general Gordon ... Official souvenir of a ... matinée in aid of the Gordon boys' home, May 26, 1898 Woking Gordon boys' home, 1898 Issues of The Season, the Stage, Fifth Avenue Theatre, the Matinee, and the Prompter Interspersed and Bound in Chronological Order, August 16, 1869 - July 19, 1871: First season, 1869-70 , 1869 **The Freemason's Chronicle** , 1898 Munsey's Magazine for ... , 1903 *2015 Novel & Short Story Writer's Market* Rachel Randall, 2014-08-11 The Best Resource for Getting Your Fiction Published The 2015 Novel Short Story Writer's Market is the only resource you'll need to get your short stories novellas and novels published As with past editions Novel Short Story Writer's Market offers hundreds of listings for book publishers literary agents fiction publications contests and more Each listing includes contact information submission guidelines and other important tips New to this year's edition Gain access to the exclusive webinar Blockbuster Fiction Exploring Emotional High Points in Popular Films from best selling author Cheryl St John This 45 minute webinar explores the ten most popular films of 2013 including Frozen The Hunger Games Catching Fire The Hobbit The Desolation of Smaug and more to show you how to create intense emotional engrossing moments in your fiction When you make your readers care about your characters and your story you'll evoke excitement indignation fear anxiety tears and laughter and keep them hooked from start to finish You'll also find articles and interviews on all aspects of the writing life from in depth lessons on craft and technique to helpful advice on getting published and marketing your work

Philosophy As Fiction Joshua Landy, 2009-05-26 Philosophy as Fiction seeks to account for the peculiar power of philosophical literature by taking as its case study the paradigmatic generic hybrid of the twentieth century Marcel Proust's *In Search of Lost Time* At once philosophical in that it presents claims and even deploys arguments concerning such traditionally philosophical issues as knowledge self deception selfhood love friendship and art and literary in that its situations are imaginary and its stylization inescapably prominent Proust's novel presents us with a conundrum How should it be read Can the two discursive structures co exist or must philosophy inevitably undermine literature by sapping the narrative of its vitality and literature undermine philosophy by placing its claims in the mouth of an often unreliable narrator In the case of Proust at least the result is greater than the sum of its parts Not only can a coherent distinctive philosophical system be extracted from the *Recherche* once the narrator's periodic waywardness is taken into account not only does a powerfully original style pervade its every nook overtly reinforcing some theories and covertly exemplifying others but aspects of the philosophy also serve literary ends contributing more to character than to conceptual framework What is more aspects of the aesthetics serve philosophical ends enabling a reader to engage in an active manner with an alternative art of living Unlike the essay Proust might have written his novel grants us the opportunity to use it as a practice ground for cooperation among our faculties for the careful sifting of memories for the complex procedures involved in self fashioning and for the related art of self deception It is only because the narrator's insights do not always add up a weakness so long as one treats the novel as a straightforward treatise that it can produce its training effect a feature that turns out to be its ultimate strength
