A Matter of Honour

The background of the cover is a dark, atmospheric photograph. It shows a winding road at night, illuminated by streetlights. A car is visible on the road, and in the distance, there is a bright fire or explosion. The overall tone is dramatic and mysterious.

Matter Of Honour

William Stephens

Matter Of Honour:

A Matter of Honour Zachary Twamley, 2022-02-13 On 4 August 1914 Britain declared war on Germany and entered the First World War. It may be tempting to view the conflict as inevitable or to see British intervention as unavoidable, but the truth was not so simple. Britons had long loathed the prospect of a continental war and were assured that their nation had a free hand in Europe. Yet in the first days of August the debate abruptly changed. This was not simply a question of war; the British Government insisted. Instead, it was a matter of honour. If Britain stayed neutral, her friends would never trust her again; the country's prestige would plummet; the national honour would be destroyed. National honour, David Lloyd George proclaimed, is a reality and any nation that disregards it is doomed. What did these ideas mean and why did they resonate so effectively with the British public? As Twamley details in this study based on his award-winning master's dissertation, the importance of national honour to the decision makers of 1914 has been largely overlooked. It is now time to address such shortcomings in the debate and to place Britain's pivotal decision for war in its proper cultural and ideological context. *A*

Matter of Honour Martyn Beardsely, 2011-11-28 The story of England's last fatal duel. The insults that drew men to duels were often petty: a splash, a scrape, or a disparaging word could all lead to pistols at dawn. When Charles Hawkey watched James Seton flirt with his beautiful wife, there was only one way to respond. The two men were honour bound to meet in a duel, but only one of them could return. New details on this story of honour: was Isabella Seton blameless, or did she draw the rich Seton into a fatal romance?

A Matter Of Honour Phillip Lesbirel, 2009-12-03 When a young skinhead finds himself sentenced to 6 months in a youth reformatory, his mentor, a local police sergeant, arranges for him to be placed undercover to contact and befriend another inmate. He is promised that should he carry out the task successfully, his record would disappear and he would be free to choose his career path. He completes his task and remains under cover and infiltrates a local Nazi skinhead movement run and controlled by an ex IRA thug by the name of Murphy. This story is about how he became a Bonehead, survived Borstal, and became a very successful undercover agent for the Metropolitan Police Force in London.

A Matter of Honour Anne Harris, Karin Miyamoto, 2015-01-01 Cassandra was twelve years old when she first met Vincent and still remembers the dashing older boy that helped her and her kitten down from a tree. Eight years later, Vincent pledges to honor his dying friend's last wish for Vincent to marry his sister, Cassandra. Curious about the woman that the little girl he once knew has grown up to be, Vincent invites Cassandra to his house to get to know his would-be bride all over again.

A Matter of Honor Anne Herries, 2012-02-15 A surprising solution. Lord Vincent Carlton requests that his mother invite Miss Cassandra Thornton for a visit. Having recently become an heiress, Cassie knows she needs help to bring her into style, but at least she can now afford to be selective about the man she'll marry. Unbeknownst to her, however, her late brother had made five of his friends promise that should he die, one would marry Cassie. And Lord Vincent had drawn the short straw.

Clark's premiership and the historic non-confidence vote that defeated her government and ended her political career. Beginning with this pivotal moment, the book goes back and chronicles the downfall of Clark's predecessor Gordon Campbell, which led to her unlikely victory in 2013 and traces the events leading up to her defeat at the hands of her NDP and Green opponents. Told by reporters Richard Zussman and Rob Shaw, who covered every moment of the election cycle and illustrated by candid and extensive interviews with political insiders from both sides of the aisle, including Christy Clark and John Horgan, this book is a must-read for anyone who cares about BC politics and the future of the province. **English/German**

Vasalou, 2019-10-24 Magnanimity is a virtue that has led many lives. Foregrounded early on by Plato as a philosophical virtue par excellence, it became one of the crown jewels in Aristotle's account of human excellence and was accorded equally salient place by other ancient thinkers. It is one of the most distinctive elements of the ancient tradition to filter into the medieval Islamic and Christian worlds. It sparked important intellectual engagements and went on to carve deep tracks through several of the later philosophies to inherit from this tradition. Under changing names and reworked forms, it would continue to breathe in the thought of Descartes and Hume, Kant and Nietzsche. Its many lives have been joined by important continuities, yet they have also been fragmented by discontinuities, reflecting larger shifts in ethical perspectives and competing answers to questions about the nature of the good life, the moral nature of human beings, and their relationship to the social and natural world they inhabit. They have also been punctuated by moments of intense controversy in which the vision of human greatness has itself been called into doubt. The aim of this volume is to provide an insight into the complex trajectory of a virtue whose glitter has at times been as dazzling as it has been divisive. By exploring the many lives it has lived, we will be in a better position to evaluate whether this is a virtue we still want to make central to our own ethical lives and why. *A Call for Redress in a Matter of Piracy Committed on Dr. J. G. Flügel's English and German Dictionary, Second Edition, Leipsic, 1838* Johann Gottfried Flügel, 1847

The Phoenix of Madrid Pedro Calderón de la Barca, 2011-09-26 Don Pedro has it all: high position, wealth, a beautiful family, and enjoys the good life in the heart of the Spanish capital. But now he faces a challenge that would test the patience of a saint. It is time to marry off his daughters. It's bad enough that his eldest Beatriz is both obsessed by the latest fashions and talks like a university professor, but his youngest Leonor is already enjoying illicit midnight trysts with her lover and is in no mood to accept an arranged marriage. Throw into this explosive mix the extravagant young man about town Don Alonso, who thinks all women like all plays are excellent on the first night, and

boring on the second and you have the recipe for an hilarious comedy that reaches out effortlessly across the centuries

The South African Short Story in English, 1920-2010 Marta Fossati, 2024-09-05 Through detailed close readings alongside investigations into the history of print culture Marta Fossati traces the development of the South African short story in English from the late 1920s to the first decade of the twenty first century She examines a selection of short stories by important Black South African writers Rolfes and Herbert Dhlomo Peter Abrahams Can Themba Alex La Guma Mtutuzeli Matshoba Ahmed Essop and Zo Wicomb with an alertness to the dialogue between ethics and aesthetics performed by these texts This new history of Black short fiction problematises and interrogates the often polarised readings of Black literature in South Africa that can be torn between notions of literariness protest and journalism Due to material constraints short fiction in South Africa circulated first and foremost through local print media which Fossati analyses in detail to show the cross fertilisation between journalism and the short story While rooted in the South African context the short stories considered also hold a translocal dimension allowing us to explore the ethical and aesthetic practice of intertextuality These are writings that complicate the aesthetics ethics binary generic classifications and the categories of the literary and the political Theoretically eclectic in its approach although largely underpinned by a narratological analysis **The South African Short Story in English 1920 2010 When Aesthetics Meets Ethics** offers a fresh perspective on the South African short story in English spotlighting several hitherto marginalised figures in South African literary studies **A Letter to the Lords Upon**
