Commentary Dr J McGee, 1993-12-12 *Our Thinking...To What Purpose?* Nancy Hamilton, 2007-05 Hamilton discusses ways that thinking with ones brain instead of ones heart can hinder him or her from fulfilling Gods purpose Practical Life

Journey through Exodus Mike Newberry, 2023-03-27 In my years of studying the Bible I have found several spiritual principles to be very appealing I have read the promises about the possibility of being an overcomer In the seven letters of Revelation 2 and 3 one reoccurring thing is the promises to the overcomers If one thinks about it you can either be an overcomer or be overcome The choice is easy I would rather be an overcomer I have read the verses about the possibility of living life daily aided by heavenly wisdom Listen to James 1 5 If any of you lack wisdom let him ask of God that gives to all men liberally and upbraids not and it shall be given him I have often asked the church On any given day how often do we need the wisdom to make decisions and find needed direction To answer that question with one hundred would be conservative To add to wisdom we are told that we can tap into the heavenly supplies of strength energy power and patience According to James 1 5 God s not going to fuss at you if you keep coming back again and again asking for more The key to these and all the promises of the Bible are found in the discipline of a daily quiet time When I was in college with God s help I developed this discipline to attribute any spiritual success any success in my Christian life to the help I have found in this

daily time with God and my Bible To remove any excuses I have written devotionals for my church We have started in chapter 1 verse 1 of a book in the Bible and have worked our way through it We have covered Genesis Exodus Philippians and Leviticus to mention a few and as long as God gives me strength we will continue The pages in this book contain our thoughts and our understanding of our journey through Exodus , Matthew Through the Centuries Ian Boxall,2018-11-26 The reception of the Gospel of Matthew over two millennia commentary and interpretation Matthew Through the Centuries offers an overview of the reception history of one of the most prominent gospels in Christian worship Examining the reception of Matthew from the perspectives of a wide range of interpreters from Origen and Hilary of Poitiers to Mary Cornwallis and Bob Marley this insightful commentary explains the major trends in the reception of Matthew in various ecclesial historical and cultural contexts Focusing on characteristically Matthean features detailed chapter by chapter commentary highlights diverse receptions and interpretations of the gospel Broad exploration of areas such as liturgy literature drama film hymnody political discourse and visual art illustrates the enormous impact Matthew continues to have on Judeo Christian civilization Known as the Church s Gospel Matthew s text has been the subject of apologetic and theological controversy for hundreds of years It has been seen as justification for political and ecclesial status quo and as a path to radical discipleship Matthew has influenced divergent political spiritual and cultural figures such as Francis of Assisi John Ruskin Leo Tolstoy Dietrich Bonhoeffer and Mahatma Gandhi Matthew s interest in ecclesiology provides early structures of ecclesial life such as resolution of community disputes communal prayer and liturgical prescriptions for the Eucharist and baptism A significant addition to the acclaimed Blackwell Bible Commentaries series Matthew Through the Centuries is an indispensable resource for both students and experts in areas including religious and biblical studies literature history politics and those interested in the influence of the Bible on Western culture **Through the Lens of An Ancient Yisra'elite Bible Study** Benjamin Nieves Carrasquillo Jr.,2025-05-28 The information contained in this book is based on 23 years of thorough academic research teaching and schooling The book avoids any form of western bias no presuppose ideas ideologies or theories The book is an in depth study of the Biblical text within the context of the ancient culture language traditions and customs of a first century Yisra elite **The Wiersbe Bible Commentary: New Testament** , Whether you are a pastor teacher or layperson now you can study the Bible in easy to read sections that emphasize personal application as well as biblical meaning Developed from Dr Wiersbe s popular Be series of Bible study books this commentary carefully unpacks all of the New Testament The Wiersbe Bible Commentary New Testament offers you Dr Wiersbe s trustworthy insights on the entire New Testaments New Biblical images maps and charts Introductions and outlines for each book of the Bible Clear readable text that s free of academic jargon Let one of the most beloved and respected Bible teachers of our time guide you verse by verse through the Scriptures It s the trusted reference you ll love to read **Mounting Rareness** James A. Way,2011-11-08 Mounting Rareness takes a look at seven characteristics of growing Christians that will enable your journey of faith I chose

these two words mounting and rareness because we are on a faith journey that will lead us higher and higher much as mounting the summit of a mountain Rareness was chosen because these characteristics are rare very rare indeed in the current climate of Christianity which is more like churchianity Even though the times I am writing in seems to have a high religious and spiritual fervor much seems to be based on me my and mine instead of God the Father Son and Holy Spirit It is my desire to have you grow in your spiritual walk with God the Heavenly Father as revealed in the Holy Bible which I believe is inerrant inspired and infallible I believe Gods Holy Word reveals the nature and character along with the great love and desire of God Almighty as He reveals Himself to you as you seek meaning and purpose in your life Mounting Rareness has grown out of my own spiritual journey and the journeys of others around me As you read this call to greater may your life be filled with a MOUNTING RARENESS among so many that chooses to live at the bottom of the hill with only a longing for more

Mystery of Relationships Through the Lens of Scriptures Dr. Elizabeth Thambiraj, 2015-08-11 Struggles in our relationships often point to an issue only God knows The mountains and valleys we face regarding relationships are often tiny spots to God We can trust God because He is faithful By trusting in His promises and understanding His unconditional love for us it is possible to scale the unscalable and repair our relationships Over the years marriage has changed In her book *Mystery of Relationship through the Lens of Scriptures* Marriage Sex and Intimacy author Dr Elizabeth Thambiraj explains those changes and the strains put on marital relationships Despite difficulties Elizabeth Thambiraj shows how the marriage covenant can be maintained through God She points us to the happiness security self worth and confidence available from our Maker Youll be reminded that fear lust and jealousy are not part of true love The author also reminds us that to love someone unconditionally means to love the other person in the past present and in the future even when the person disagrees with your opinion On marriage she has given one of the most biblically insightful explanations of the drastic change in the marriage relationship that resulted from the Fall at Eden and provides excellent guidance on ways that the marriage covenant can be maintained through feeding our better angels with forgiveness understanding patience and forbearance If we feed our lustful tendencies we have committed adultery long before the physical act itself Dr Jerry L Ogles Presiding Bishop Anglican Orthodox Church Anglican Orthodox Communion Worldwide

Old Texts Through New Eyes Dallas R. Burdette, 2009-03 Christians frequently slaughter freedom of conscience with fanatical dogmatism It is not uncommon for various fellowships of God s people to lay an embargo on freedom in favor of their own exclusive doctrine or understanding of the Scriptures One objective of this book is to set Christians free from sectarianism The views set forth in this book are not bound by party ties It is my desire that these writings will assist Christians in their desire to escape the prevailing forms of radicalism manifested by so many sincere and devout believers In my fifty eight years of preaching and teaching I have witnessed that men and women for the most part are afraid of freedom This volume examines the philosophy of what we teach is true and what others teach is false Among some bodies of believers freedom of investigation is rigidly shackled The chapters in this book seek to defuse the attitude that the one who refuses to comply with the status quo is no longer a brother in Christ The diversity of the chapters in this book refutes the prevailing opinions of many Christians my opinion is the only sound one flawless and incontestable Dallas Burdette has been a serious student teacher and preacher of the Bible for fifty eight years supporting himself for many years as an agent for AFLAC He has written numerous articles for religious journals as well as many essays and sermons which are available on his website He has developed a keen interest in promoting unity among God s people through a more accurate reading of the Word He has degrees from Amridge University formerly Southern Christian University where he also was Director of Extended Learning for five years He holds the Doctor of Ministry degree 1999 from Erskine Theological Seminary
