*Matthew, Tell Me about Heaven* Matthew (Spirit),2002      *Matthew, Tell Me About Heaven* Suzanne Ward,2023-06-30

These heartwarming and often astonishing conversations between Matthew Ward who died at age 17 and his mother Suzanne reveal the great differences in what religions teach us about Heaven and the reality of Earth's spirit world. Matthew clears up common misconceptions about the world where he lives; he says its proper name is Nirvana and he explains why in this unprecedented time in the history of Earth it is essential that we know the truth of our beginnings and our relationship with all of creation. Without that truth we cannot understand either the purpose of our lives or how to prepare confidently and joyously for what is to come. Topics: Heaven's location and purpose, Residents and Visitors, Environment, Reception of Souls, Etheric bodies, Relationships and Reunions, Children, Animals, Communication, Education, Employment, Recreation, Culture, Travel, Food, Buildings, Music, Angels, spirit guides, Pre-birth agreements, Council of Nirvana, Lifeprint review, The effects of Prayer.

*Chasing Shadows* Sue Parker,2015-01-08 It is often said life is at its cruelest when a parent outlives his or her child. As unnatural as that may seem, many parents find themselves in that position. Whether caused by disease, illness, accident, crime, or suicide, parents can find themselves making funeral arrangements rather than planning a child's birthday party, graduation, or wedding. Author Sue Parker knows firsthand what that is like. In *Chasing Shadows: A Mother's Attempt to Process Her Grief*, Parker shares her experiences after the death of her youngest child. For much of 2012, Rowan said he wouldn't live to see 2013. After all, the Mayan calendar ended on December 22, 2012, so he reckoned everyone was going to die. Rather than dwell on the negativity, he grabbed every opportunity with enormous enthusiasm, including a quad bike ride that cost him his life on Boxing Day. Bereft, heartbroken, in a state of total shock, and struggling to survive, Parker felt she had two choices: She could follow him over a cliff or try to make some sense of the tragic turn her family's lives had taken. Everyone's experiences are different, but in *Chasing Shadows: A Mother's Attempt to Process Her Grief*, those going through similar circumstances may find help in knowing what to do next, how to go forward. You'll discover the path forward is not always easy, and there will likely be times when you find yourself wondering, "Why bother?" Through her experience, Parker shows you can go on and you should.

**Enduring Song** Jesse Briton,2014-07-10 France 1096 Matthew, a young French knight, sets out on the First Crusade. Behind him, he leaves a broken family, a crumbling ancestral farm, and a teenage sister who must save it all from ruin. From the fields of France to the churches of Antioch and the siege of Jerusalem, *Enduring Song* is a historical epic about love, hope, and family. Jesse Briton's *Enduring Song* premiered at the Southwark Playhouse, London, in June 2014.

*Journeying with My Guides* Emily Wells,2025-06-10 The moment I read Emily Wells' results of her other lifetime releases, I said, "Everyone should be doing this." Roxanne M. C. Hanneman, Akashic Record Interpreter, End of Life Doula. When extraordinary, unexplainable things begin to happen in your life, there's nothing you can do except go along for the ride or go into denial. Author Emily Wells chose to go along for the ride, even though she had no idea where the extraordinary

unexplainable things would take her. It's been beyond anything she imagined and it's not over. In *Journeying with My Guides*, Wells tells her story straight from the heart, revealing extraordinary experiences with her spirit guides. She shares how she works with her spirit guides to accomplish powerful life-supporting processes, including clearing nonbeneficial energy from this lifetime and from other lifetimes. Feeling incredible love from other galactic civilizations beyond Earth. Experiencing genuine self-love. Wells shares many other life-enhancing processes. Each process is written in clear step-by-step directions, allowing her readers to explore with their own guides. *Journeying with My Guides* provides profound wisdom for all people on planet Earth today and incredible hope for the future.

**Just Behind the Door** Mary Leiker, 2012-04 The author explains how May 16th 1999 changed her life forever. She experienced the loss of two high school seniors and that evening the call came through to tell her that her son in Colorado had also been killed. Her first-born with his bigger-than-life personality was gone. The words surreal and gut-wrenching were her constant companions. Exactly six months later her Mom had one heart pain, went into a coma, and died. She had frequently told her Mary when the last leaf is gone from that tree, I will be leaving. She gave her the gift of time to emotionally survive her son's death. Mary shares with you the recorded messages she has received for over a decade from her family on the other side to give you hope. Through her experiences, you will know that unconditional love and connection continue to exist when you believe in the possibility. Our loved ones do not disappear into the cosmos after their death. Their energy remains around us forever. You can reconnect with your loved ones as she has and achieve peace and assurance that as her son has repeatedly told her Mom, all is as it should be.

**The Ultimate Experience** Verling Chako Priest, 2012-05-18 *The Ultimate Experience: The Many Paths to God* subtitle *The Teachings of the Masters of Light*. Book 7 has 231 pages and 22 chapters. The 18 Presenters are Masters and Lady Masters who are channeled by the author. They give their teachings on a variety of subjects. Yeshua (Jesus) orchestrates the book. Lord Kuthumi speaks of Homosexual planets. Lady Guinevere sees another Camelot for the White House. Mother Mary tells us a bit about Yeshua and his fondness for seasoning her stews. Ashtar reiterates the fact that their ships protect the world and watch for any attempts to trigger nuclear war. It will never happen on their watch. Blue Star of the Pleiades makes the observation that much of humanity straddles a fence and is slow to make that decision for Ascension. He speaks of walk-ins and how many souls are opting to enter into a more mature body versus a wee baby one. Book 7 will continue to teach you of God's world and Spirituality versus dogmatic religion. The main theme for humanity is to be flexible and to be willing to change one's outmoded belief systems.

**What's Your Frequency?** Ed Kuiper, 2007-09 There is no law in Physics which says that matter is the sole basis of all that exists. As a matter of fact, Quantum Mechanics, of which classical Physics is an approximation, does not even postulate the existence of matter; it merely postulates the probability of the existence of matter. That does not explain the experimental fact that matter exists in reality. The author quotes an existing hypothesis that an entity independent of matter called Universal Consciousness changes the probability of matter into the existence of matter. When this hypothesis

is added to the laws of Physics it removes some anomalies in Physics and leads to the clarification of other anomalies in Biology The present malaise in society is due to a contradiction between what modern materialistic social sciences teach and what individuals find natural and acceptable The acceptance of the new paradigm facilitates the development of social theories which accept social compassion and ecological balance as their basis *All We Need Is Love* Michele D.
