Magill, 2013-09-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography **Miss Angel** Angelica Goodden, 2011-05-31 A word was coined to describe the condition of people stricken with a new kind of fever when the Swiss born artist Angelica Kauffman 1741-1807 came to London in 1766 The whole world it was said is Angelicamade One of the most successful women artists in history a painter who possessed what her friend Goethe called an unbelievable and massive talent Kauffman became the toast of Georgian England captivating society with her portraits mythological scenes and decorative compositions She knew and painted poets novelists and playwrights collaborating with them and illustrating their work her designs adorned the houses of the Grand Tourists she had met and painted in Italy actors statesmen philosophers kings and queen sat to her and she was the force that launched a thousand engravings Despite rumours of relationships with other artists including Sir Joshua Reynolds and an apparently bigamous and annulled first marriage to a pseudo Count
