Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease **A-E John Rylands Library,1899 Catalogue of the Printed Books and Manuscripts in the John Rylands Library, Manchester** John Rylands Library,Edward Gordon Duff,1899 **Cincinnati Public Library ,1884 Viking Gold** A. Jay Collins,2023-10-20 Using unscrupulous methods a pair of Danish rogues gain control of an ill equipped and cash poor mining company It owns an abandoned underground mine on the barren south coast of Newfoundland that still hosts quality gold but cannot convince the market to financially support rejuvenation The pair intend to strip out as much of the high grade gold remaining and ship it off shore for processing as they did on a similar project in Greenland A powerful Russian oligarch with murky motives arranges a multi million dollar loan based on lies for the Danes to re activate the mine and build a processing plant they don t actually intend to build Instead the Russian and the Danes keep the loans for themselves as well as the revenue from the sale of the gold It s another billion dollar heist Just like their previous venture on the southern tip of Greenland they intend to mine as fast as possible leaving Newfoundland with nothing but a toxic mess Led by saboteur Matthew Black ORB the Organization for Restructuring Business has to stop the Russian and the Danes control their cash flow divert money back to the original lenders and put all three out of business Their tactics include sabotaging the mine their barges and their mega yachts As ORB goes to great lengths to sabotage the thieves the gold hangs in the balance Will ORB succeed in stopping the rogues Will the financier be left in the lurch again Or will ORB be able to put a stop to their nefarious plans once and for all **Finding List of Books in the Public Library of Cincinnati** Public Library of Cincinnati and Hamilton County,1884 **The Best Books** William Swan Sonnenschein,1891
