N.A.A.C.P. (National Association for the Advancement of Colored People), 1927 **Civil Rights and the Making of the Modern American State** Megan Ming Francis, 2014-04-21 Did the civil rights movement impact the development of the American state Despite extensive accounts of civil rights mobilization and narratives of state building there has been surprisingly little research that explicitly examines the importance and consequence that civil rights activism has had for the process of state building in American political and constitutional development Through a sweeping archival analysis of the NAACP's battle against lynching and mob violence from 1909 to 1923 this book examines how the NAACP raised public awareness won over American presidents and secured the support of Congress In the NAACP's most far reaching victory the Supreme Court ruled that the constitutional rights of black defendants were violated by a white mob in the landmark criminal procedure decision *Moore v Dempsey* This book demonstrates the importance of citizen agency in the making of new constitutional law in a period unexplored by previous scholarship *Bibliography of African American Leadership* Cedric Johnson, Ronald W. Walters, 2000-06-30 Compiled in this volume is the most significant accumulation of works on the subject of African American leadership to date As the field of leadership studies continues to grow this timely work contributes to an understanding of the activities of those people and organizations that have been leaders of people of African descent and have contributed to the cultural and political affairs of the black community as well as the representation of the black community in mainstream American life The annotated entries cover a variety of works on subjects such as dedicated black leadership studies local descriptions and analyses biographies leadership organizations and audio visual materials This reference is an important contribution to the field of leadership studies in general and African American leadership in particular and will serve as a valuable research tool for educators and practitioners alike The entries are organized into six sections which offer a broad overview of the various aspects of African American leadership Part I Critical Studies and Appraisals focuses on the history of works dedicated to both national and local leaders and their politically relevant activities The next section Local Leadership Studies is organized around black leaders who served local communities and the various issues they addressed Part III looks at relevant social movements and ideologies that have highlighted the activities of black leaders Individual leaders who have made contributions to the political life of the black community are included in Part IV while leadership organizations are highlighted in Part V The concluding section of the volume looks at available audio visual
