Cooper,1996-02-01 Cooper paints a meticulous and absorbing portrait of McKay s restless artistic intellectual and political odyssey The definitive biography on McKay Choice Although recognized today as one of the

genuine pioneers of black literature in this century the author of *If We Must Die* *Home to Harlem* *Banana Bottom* and *A Long Way from Home* among other works Claude McKay 1890 1948 died penniless and almost forgotten in a Chicago hospital In this masterly study Wayne Cooper presents a fascinating detailed account of McKay s complex chaotic and frequently contradictory life In his poetry and fiction as well as in his political and social commentaries McKay searched for a solid foundation for a valid black identity among the working class cultures of the West Indies and the United States He was an undeniably important predecessor to such younger writers of the Harlem Renaissance as Langston Hughes and Countee Cullen and also to influential West Indian and African writers such as C L R James and Aim C saire Knowledge of his life adds important dimensions to our understanding of American radicalism the expatriates of the 1920s and American literature Mr Cooper s most original contribution is his careful and perceptive analysis of McKay s nonfiction writing especially his social and political commentary which often contained prophetic statements on a range of important social political and historical issues New York Times Book Review **Commonwealth of Letters** Peter J. Kalliney,2013-07-26 *Commonwealth of Letters* examines midcentury literary institutions integral to modernism and postcolonial writing Several organizations central to interwar modernism such as the BBC influential publishers and university English departments became important sites in the emergence of postcolonial literature after the war How did some of modernism s leading figures of the 1930s such as T S Eliot Louis MacNeice and Stephen Spender come to admire late colonial and early postcolonial literature in the 1950s Similarly why did late colonial and early postcolonial writers including Chinua Achebe Kamau Brathwaite Claude McKay and Ngugi wa Thiong o actively seek alliances with metropolitan intellectuals Peter Kalliney s original and extensive archival work on modernist cultural institutions demonstrates that this disparate group of intellectuals had strong professional incentives to treat one another more as fellow literary professionals and less as political or cultural antagonists Surprisingly metropolitan intellectuals and their late colonial counterparts leaned heavily on modernist theories of aesthetic autonomy to facilitate their collaborative ventures For white metropolitan writers T S Eliot s notion of impersonality could help recruit new audiences and conspirators from colonized regions of the world For black colonial writers aesthetic autonomy could be used to imagine a literary sphere uniquely resistant to the forms of racial prejudice endemic to the colonial system This strategic collaboration did not last forever but as *Commonwealth of Letters* shows it left a lasting imprint on the ultimate disposition of modernism and the evolution of postcolonial literature **The Letters of T. S. Eliot** T. S. Eliot,2011-01-01 The first volume of Eliot s correspondence covers his childhood in St Louis Missouri through 1922 when he married and settled in England Volume two covers the time period of Eliot s publication of *The Hollow Men* and his developing ideas about poetry **Networking Women** Marina Camboni,2004
