Organization Policy And Practice In Human Services:

Organization, Policy, and Practice in the Human Services Bernard Neugeboren, Simon Slavin, 2012-08-21 Here is a timely insightful book that greatly increases the effectiveness of human service professionals and the organizations in which they function Organization Policy and Practice in the Human Services is the first such text to bring together in a systematic fashion the concepts of organizational theory policy and practice in the human services Offering a basic orientation to the structure and operations of social service organizations Neugeboren addresses society's need for the successful operation of these complex institutions in our highly organized society He also calls for a re examination of what is meant by dependency and postulates new methods of dealing with the social and personal problems confronting people in contemporary society This book is indispensable for administrators practitioners and students Practitioners gain instruction in bureaucratic expertise enabling them to maximize opportunities limit organizational constraints reduce the likelihood of burnout and otherwise become a good bureaucrat instead of an ineffective if well intentioned one Administrators will benefit from a model of organizational goals practical guidelines for evaluating the effectiveness of an organizational structure and methods for identifying and remedying the causes of organizational dysfunction Neugeboren's practical ideas make a significant contribution in preparing tomorrow's social workers to deal more effectively with the world facing each of us His theoretical insights are grounded in discussions of actual cases making them easy to apply to any human service organization

Organizational Change and Development in Human Service Organizations David Bargal, Hillel Schmid, 2012-11-12 Through change and development human service organizations can promote the well being of their clients more effectively This important book describes and analyzes recent research on organizational change and development in the social and human services It is particularly relevant in light of the significant changes in these organizations during the last decade and the lack of literature in the area Organizational Change and Development in Human Service Organizations brings together the work of scholars who deal with social welfare administration and change in human services combining research studies with theoretical approaches to change and development It helps readers better understand the process of change and the role of the environment in creating change Insightful chapters encourage practitioners scholars and students to plan change in organizations utilize models of change and organizational development in real life and evaluate change and its results and impacts This much needed book addresses a variety of topics including the uses of force field analysis in assessing prospects for organizational change planned change in voluntary and government social service agencies interorganizational coordination of services to children in state custody early stages in the creation of self help organizations organization and community transformation organizational development in public social services strategic and structural change in human service organizations a developmental approach to program evaluation Many readers will find the information in Organizational Change and Development in Human Service Organizations to be extremely beneficial in their daily work

Covering the important issues it gives readers a deeper insight into the processes of change and development so they can provide better services to their clients This book is a vital resource for social workers professionals in public administration individuals involved in MSW programs and students in the social sciences including sociology and political science

Organization, Policy, and Practice in the Human Services Bernard Neugeboren, 1991 Here is a timely insightful book that greatly increases the effectiveness of human service professionals and the organizations in which they function Organization Policy and Practice in the Human Services is the first such text to bring together in a systematic fashion the concepts of organizational theory policy and practice in the human services Offering a basic orientation to the structure and operations of social service organizations Neugeboren addresses society's need for the successful operation of these complex institutions in our highly organized society He also calls for a re-examination of what is meant by dependency and postulates new methods of dealing with the social and personal problems confronting people in contemporary society This book is indispensable for administrators practitioners and students Practitioners gain instruction in bureaucratic expertise enabling them to maximize opportunities limit organizational constraints reduce the likelihood of burnout and otherwise become a good bureaucrat instead of an ineffective if well intentioned one Administrators will benefit from a model of organizational goals practical guidelines for evaluating the effectiveness of an organizational structure and methods for identifying and remedying the causes of organizational dysfunction Neugeboren's practical ideas make a significant contribution in preparing tomorrow's social workers to deal more effectively with the world facing each of us His theoretical insights are grounded in discussions of actual cases making them easy to apply to any human service organization

Empowering Workers and Clients for Organizational Change Marcia B. Cohen, Cheryl A. Hyde, 2013-08 Empowering Workers and Clients for Organizational Change teaches students to effectively engage in organizational change at the service delivery level The contributors discuss strategies for assessing the structural characteristics of agencies organizational culture and empowerment and provide information on the use of force field analysis as an assessment framework that can help bring about change within human service agencies Back cover

Navigating Human Service Organizations Rich Furman, Margaret Gibelman, Ren Winnett, 2020-07-31 Since its very inception social work has been considered an organizationally based profession with the majority of its workforce employed within formal organizations Whether in nonprofit for profit or governmental agencies the practical realities of human service organizations are a central element of professional social work This book explores the climate and culture of these agencies and provides essential information for surviving and thriving in this setting It prepares students for their future careers so that they will feel empowered in their work and be able to fulfill their responsibilities toward organizational community and social change Using real life examples the authors examine the internal structures of management financing and supervision and discuss common conflicts between agencies and professionals The book's straightforward tone and practical advice make it an asset to anyone entering human

service organizations **The Handbook of Social Welfare Management** Rino J. Patti, 2000-05-11 A compendium of every aspect of social welfare management and the ultimate reference book this volume introduces the field of social welfare management examines the organizational background of social welfare discusses the various tasks and roles of the social welfare manager and considers specific fields of care such as mental health families and children and older people **The Future of Human Service Organizational & Management Research** Bowen McBeath, Karen Hopkins, 2020-09-10 This book provides panoramic overviews of critical human service organizational and management practice challenges as well as new and needed research frontiers The Future of Human Service Organizational and the rise and uncertain effects of new developments in social work public policy and public management and other helping professions The contributors identify how future generations of macro practitioners and scholar researchers can Improve service delivery and program effectiveness Implement evidence based practices and evidence informed practices Promote leadership and social innovation Build linkages across micro meso and macro levels of practice Train organizational leaders and educate practitioners and Advocate for more socially just visions of social welfare and society This edited collection argues that human service organizational and management practice and research are needed to support new discoveries in social welfare social work and related professions This book was originally published as a special issue of the journal Human Service Organizations Management Leadership Governance Navigating Human Services Organizations Rich Furman, Margaret Gibelman, Ren Winnett, 2020 It has been 17 years since the first edition of Navigating Human Service Organizations Navigating was published and about twenty years since the Margaret Gibelman began working on a unique and engaging textbook that has been used in many dozens of classrooms I did not participate in the initial writing of the book I joined the project later Yet shortly after it was released I reviewed it for possible adoption for a practice class so can semi dispassionately reflect upon the initial notes I made about the latest book of the director of the doctoral program from which I graduated Social Services Administration in Hong Kong Kam Tong Chan, Diana Mak, 2003 Annotation Presents a collection of case studies examining some of the prominent issues affecting social service organizations in Hong Kong Many of the cases were the action learning projects of students in Social Service Administration of China Focuses on applying theories to real life situations *Organizational Change for the Human Services* Thomas Packard, 2021-05-25 Organizational Change for the Human Services is designed for managers and other leaders in human service organizations HSOs and students in graduate programs in social work nonprofit management public administration and human resource management It covers evidence based principles for planning and implementing organizational change initiatives in areas such as implementing evidence based practices new or improved information systems diversity equity and inclusion initiatives and organizational restructuring Details are provided on many change methods from team building employee surveys use of consultants intrapreneurship and continuous quality improvement to change processes specifically for HSOs such as capacity building

implementation science staff initiated organizational change and cutback management

Human Services as Complex Organizations Yeheskel Hasenfeld, 2010 This new edition looks at the many recent changes in the arena of Human Services Organizations

Advances in Understanding Advocacy and Improving Policy Practice Education Richard Hoefer, 2018-02-02 A perennial issue in social work is the lack of clear evidence showing how to be a successful advocate and how to create enthusiasm among students for policy practice Researchers are now applying theory to understand better the topics of effective social work advocacy and policy practice The results of testing conceptual models with carefully gathered evidence are beneficial helping us to advance our knowledge more quickly than merely collecting descriptions of case studies that remain unintegrated into a larger context Improvements in understanding how to conduct effective advocacy emerge helping practitioners to be more successful in their advocacy efforts Similarly bringing evidence and data to teaching methods improves confidence in their applicability to more than one course or institution Readers of this book will discover how to be more effective policy practitioners as well as more engaging instructors by focusing on theories and evidence which demonstrate successful advocacy and teaching This book was originally published as a special issue of the Journal of Policy Practice

Nutrition in Public Health Arlene Spark, Lauren M. Dinour, Janel Obenchain, 2015-09-22 This second edition of a bestseller Nutrition in Public Health Principles Policies and Practice focuses on the role of the federal government in determining nutrition policy and influencing practice Beginning with an overview of public health principles the book examines the application of nutritional policy to dietary guidance health promotion
