

# Managing Toxic Emotions at Work: HR's Unique Role as the "Organizational Shock Absorber"

*Teresa A. Daniel*

Layoffs, harassment, discrimination, mergers and acquisitions, personality conflicts, or an abusive boss are just a few of the workplace situations that can (and usually do) generate intense emotional pain for employees—feelings like anger, frustration, stress, disappointment, and even fear. Unfortunately, these types of events are predictable and somewhat inevitable, but it is the way organizations handle them that can create a serious problem for employees.

If these situations are managed poorly, the chronic anger or prolonged stress they create can result in an undesirable by-product known as *organizational toxicity*.<sup>1</sup> Over time, the buildup of these negative emotions will create a workplace culture where employees feel devalued, demoralized, and often hopeless or litigious. Under those circumstances, employees "will become disconnected from what is going on at work, become obsessive about their pain, the source of it, and how others are responding"<sup>2</sup> (or not) to it—conditions ensuring they are no longer productive or actively engaged.

Peter Frost first identified the phenomenon and coined the term for a special role that some employees take on in an effort to alleviate this toxicity for their employees. He called them *toxin handlers*—people within an organization who "voluntarily shoulder the sadness, frustration, bitterness, and the anger that are endemic to organizational life."<sup>3</sup>

Employees routinely bring emotionally charged problems to HR, with the expectation that they will receive help to resolve those issues or at least see someone who will listen to them.<sup>4</sup> This article examines those brave HR practitioners who voluntarily step up and serve their organizations as toxin handlers.

*Employees routinely bring emotionally charged problems to HR, with the expectation that they will receive help to resolve those issues or at least see someone who will listen to them.*

## WHO THE TOXIN HANDLERS ARE

Toxin handlers are typically compassionate people who recognize that "when people's hearts are broken, their heads don't work."<sup>5</sup> They take time to actively listen to and work with employees to help them resolve their problems. Their overarching goal is to hit the "sweet spot" of caring for and helping employees to reduce their emotional pain, while maintaining a sharp awareness of the need to keep the organization functioning and profitable—which means trying to resolve issues quickly so that the employees can return to work.<sup>6</sup> The achievement of both objectives is a delicate balance for HR practitioners, to be sure, and it requires both business acumen and a high degree of emotional intelligence.

# Organizational Shock

## **Organizational Shock:**

**Organizational Shock** W. Clay Hamner, 1980      **The Implementation Perspective** Walter Williams, 2023-07-28 After the big decisions are made in legislatures and executive offices what is done by those who implement and operate social service programs will determine their success or failure Yet over and over again the managers of public organization disregard or handle poorly the critical problems involved in starting and developing new programs or in modifying existing ones This book presents a new decision making rationale the implementation perspective as the basic guide to social service program management The cardinal principle is that the central focus of policy must be at the point of service delivery Here is where management must redirect its attention The demand is to concentrate on the hard dirty time consuming work of building the local delivery capacity needed to provide better social services and to implement new program decisions over time The Implementation Perspective is a message for our times Even those who would continue the nation s effort to meet its social obligations are finding that simply calling for big new programs and more spending is no longer satisfying Moreover Proposition 13 the balanced budget movement inflation and compelling demands for new funds in such areas as energy now squeeze social programs New directions may have to come not from new funds but from rethinking and redirection and more to the point the better management of existing programs After the big decisions are made in legislatures and executive offices what is done by those who implement and operate social service programs will determine their success or failure Yet over and over again the managers of public organization disre

**Organizational Psychology** Steve M. Jex, 2002-11-08 A comprehensive treatment of the science and practice of organizational psychology Following a scientist practitioner model Organizational Psychology explores the practical implications of the current research in the field expertly integrating multicultural and international issues Beginning with a foundation of research methodology author Steve Jex examines the behavior of individuals in organizational settings Drawing on his experiences as a consultant and educator he uses actual cases to illustrate workplace issues offering balanced coverage of such key topics as occupational stress motivation and corporate culture Also presented is unique information on research methods and the use of statistics in understanding organizations With an emphasis on applying theory and research in practice Jex explores the mechanisms that organizations use to influence employees behavior addressing the major motivation theories in organizational psychology Readers will discover how psychological models can be used to improve employee morale productivity and quality of service The focus then shifts from the individual to the group level an important distinction given the increased reliance on teams in many organizations Jex identifies the factors that have the greatest impact on group effectiveness and examines the dynamics underlying intergroup behavior Finally he moves to the organization macro level revealing a variety of ways in which organizations engage in planned change with the assistance of behavioral science knowledge

**Navigating an Organizational Crisis** Harry Hutson, Martha Johnson, 2016-01-18 How are leaders facing a crisis supposed to handle and

overcome an unknowable set of issues This book demonstrates how effective leaders under pressure work from an understanding of the situation at hand and of their impact on others and explains how leaders can best apply their internal strengths Most leaders are steeped in risk management crisis response tactics readiness for disaster continuity of operations planning and logistical and agility capabilities These preparations are critical but not complete The reality is that even experienced leaders themselves need guidance when it comes to managing a crisis This standout book fills that need drawing on interviews with successful leaders research findings on trauma neuroscience and crisis management and the authors own extensive career experiences The chapters suggest and probe ideas from various angles rather than promoting simplistic formulas or nostrums that are unlikely to apply to all circumstances and present new angles on self awareness and management under pressure for the practitioner The book leads off with a description of organizational disaster and crisis leadership topics of considerable concern as disasters are becoming the new normal The authors then explore three critical but very different types of responses by leaders at such a time recognition and response care of self and others and storytelling A detailed case study of a leader in the midst of Hurricane Katrina the most expensive natural disaster in U S history provides readers with a real world practicum for the theories and ideas suggested

**Research in Organizational Behavior** Barry Staw,2001-11-08 This 23rd volume of Research in Organizational Behavior presents papers on a variety of topics in the field of organizational behaviour with the twin goals of consolidating prior research and breaking new theoretical ground Using Qualitative Methods in Organizational Research Thomas Lee,1999 Offering a broad description of qualitative research this book facilitates the integration of qualitative and quantitative methods in organizational research It examines the methods and tactics for both generating and testing management theories including guidelines for deciding whether to use qualitative methods and overviews of four specific research designs It describes how qualitative data is collected and analyzed and when and how to quantitatively analyze qualitative data The author articulates the critical roles for reliability and validity and in the final chapter offers conclusions and recommendations for writing articles that report qualitative studies

**Leveraging Technology for Organizational Adaptability** Carvalho, Luísa Cagica,Reis, Leonilde,Neves de Almeida Baptista Figueiredo, Ana Maria,Russo, Nelson,2025-03-19 As industries face constant change driven by market demands technological advancements and global challenges organizations must remain agile Technology enables businesses to quickly adjust their processes optimize workflows and improve decision making through data driven insights Whether through cloud computing AI powered analytics or collaborative tools digital solutions provide the flexibility to adapt to new conditions respond to customer needs and maintain a competitive edge Embracing these technologies will enhance efficiency while fostering innovation and resilience allowing organizations to pivot effectively in the face of uncertainty and capitalize on emerging opportunities Leveraging Technology for Organizational Adaptability explores the interplay between organizational resilience and the transformative forces of digital transformation digitalization Internet of

Things IoT innovation and sustainability and cloud computing It examines how technological advancements shape and fortify organizational resilience in the face of adversity bridging the gap between conceptual understanding and practical application This book covers topics such as digital technology personalized education and information systems and is a useful resource for computer engineers data scientists business owners educators academicians and researchers Organizational Behavior Jerald Greenberg,1994 This volume is a collection of essays by the field's most highly regarded scholars experts who have contributed widely to the field and who were invited to share their thoughts about its past present and future By presenting their ideas about the state of organizational behavior the discipline as a whole is invited to engage in critical self reflection *De Gruyter Handbook of Organizational Conflict Management* LaVena Wilkin,Yashwant Pathak,2022-09-06 The De Gruyter Handbook of Organizational Conflict Management offers insightful contributions covering a myriad of conflict management topics ranging from fundamental issues such as emotional intelligence and cultural differences to cutting edge themes such as political conflicts and mindfulness training Renowned conflict management scholars and leading practitioners have contributed chapters to this handbook based on their research and their practical experience in the field of conflict management Many of the authors have influenced the topic of conflict management as it has become both a field of academic study in universities and a necessary leadership skill The handbook is organized in four sections The first section covers interpersonal conflict management and focuses on perceptions conflict styles emotional intelligence psychological safety and change The second section includes ethnic and cultural issues in organizational conflict management such as microaggressions ethnicity and religion and political conflicts The third section offers methods for managing organizational conflicts including mediation negotiation ombudspersons and conflict coaching This section also offers guidance on developing an organizational conflict management system and discusses HR's role in managing conflicts The fourth section introduces chapters on special topics in conflict management such as workplace bullying gender issues birth order personality human connections and forgiveness This handbook is an essential reference for scholars and practitioners It offers organizational leaders insights into the causes and solutions to organizational conflict management In addition it is an excellent textbook for undergraduate and graduate courses in organizational conflict management *Organizational Behavior* Linda K. Stroh,Gregory B. Northcraft,Margaret A. Neale,(Co-author) Mar Kern,(Co-author) Chr Langlands,2001-07 A true learning tool for students and scholars alike the third edition of *Organizational Behavior A Management Challenge* has been designed to effectively present an overview of the challenges facing managers and employees in today's competitive organizations The latest research in organizational behavior has been interwoven with real life cases and practical applications to provide a highly accessible text for advanced undergraduate and MBA students of management and psychology To reflect the evolving challenges of today's organizations this text *Digital Management and Artificial Intelligence* Richard C. Geibel, Organizational Toxin Handlers Teresa A. Daniel,2020-09-04 This book examines the

important role of HR practitioners acting as toxin handlers within their organizations and the dangers they face when dealing with toxic workplace emotions caused by difficult organizational decisions such as mergers and acquisitions staff reductions and restructurings Exploring what they do why they do it and the personal and professional rewards created by the work it also examines the dangers that await them in terms of risks to their personal well being In today s world layoffs harassment discrimination personality conflicts or an abusive boss are just a few of the many types of workplace situations that can generate intense emotional pain for employees feelings like anger frustration stress disappointment and even fear Unfortunately these types of events are predictable and somewhat inevitable but it is the way organizations handle them or do not that can create a serious problem for employees The responsibility often falls to HR to help troubled employees reduce their emotional pain so that they can re focus and get back to work as quickly as possible resulting in positive organizational outcomes This book highlights the balancing act that HR must perform of caring for employees and championing their causes while at the same time driving toward organizational goals set by senior leaders The author demonstrates how toxin handlers reduce organizational pain during tough times while also exploring the costs to their own well being Readers will learn to minimize the negative impact of toxic emotions from an organizational as well as individual perspective This book will teach HR professionals strategies about how to anticipate and navigate the organizational toxicity caused by some of the inevitable and difficult people related situations that are likely to come their way

### **The Organization of Firms in a Global**

*Literature* ,1981      Green Parties in Transition Paul Lucardie,2016-12-05 When green parties emerged in the 1980s not only did they question established ideas about nature and economic growth they also challenged the iron law of Roberto Michels that all parties inevitably follow a similar path towards informal concentration of power and oligarchy Grass roots democracy was both an ideological tenet and an organizational project for practically all green parties These days the greens have lost their glamour and innocence They have grown up and even joined governing coalitions in several countries Did they leave grass roots democracy by the roadside on the way to power This book investigates to what extent green parties have remained true to their identity or have been transformed Country specialists analyze the development of green parties in 14 countries across the world not only Western Europe but also Australia Canada New Zealand and the United States These analyses also offer clues on broader questions about party types and party change in contemporary democracies

Handbook of Principles of Organizational Behavior Edwin Locke,2011-07-15 There is a strong movement today in management to encourage management practices based on research evidence In the first volume of this handbook I asked experts in 39 areas of management to identify a central principle that summarized and integrated the core findings from their specialty area and then to explain this principle and give real business examples of the principle in action I asked them to write in non technical terms e g without a lot of statistics and almost all did so The previous handbook proved to be quite popular so I was asked to edit a second edition This new edition has been expanded to 33 topics and there are some new authors for the previously included topics The new edition also includes updated case examples updated references and practical exercises at the end of each chapter It also includes a preface on evidence based management The principles for the first edition were intended to be relatively timeless so it is no surprise that most of the principles are the same though some chapter titles include more than one principle This book could serve as a textbook in advanced undergraduate and in MBA courses It could also be of use to practicing managers and not just those in Human Resource departments Every practicing manager may not want to read the whole book but I am willing to guarantee that every one will find at least one or more chapters that will be practically useful In this time of economic crisis the need for effective management practices is more acute than ever      *Activity-Based Cost Management* Gary Cokins,2002-04-08 Bedingt durch das Internetzeitalter verlagert sich die Marktmacht mehr und mehr Richtung Verbraucher Dadurch werden Unternehmen gezwungen ihre Preise niedrig zu halten wenn sie weiterhin wettbewerbsfähig bleiben und ihre Gewinne steigern wollen Die Zauberformel für die Verwirklichung dieses Ziels heisst Activity Based Costing and Management ABC M das sich aus Prozesskostenrechnung und Prozesskosten Management zusammensetzt Es liefert die Daten mit deren Hilfe die beiden kritischen Managementstrategien niedrige Preise und höhere Gewinne erfolgreich umgesetzt werden können Aber ABC M liefert nicht nur ein genaueres Bild der Unternehmenskosten sondern gleichzeitig wichtige Informationen um bessere Entscheidungen zu treffen höhere Gewinne zu erzielen und ein effektiveres Kostenmanagement zu betreiben Activity Based Cost Management ist ein praktischer

Leitfaden der speziell für Führungskräfte konzipiert wurde und anschaulich erklärt wie ein ABC-M-Modell funktioniert und wie man es schnell und problemlos in die Praxis umsetzt Autor Gary Cokins ein führender internationaler Experte auf diesem Gebiet gibt Ihnen hier die Mittel an die Hand ein effizientes ABC-M-Modell zu entwickeln und erfolgreich in Ihrem Unternehmen einzusetzen Verständlich und unterhaltsam geschrieben Ein maßgeblicher und unverzichtbarer Leitfaden zu einem topaktuellen Thema

*Handbook of Organizational Culture and Climate* Neal M. Ashkanasy, Celeste P. M. Wilderom, Mark F. Peterson, 2000 The Handbook of Organizational Culture and Climate provides an overview of current research theory and practice in this expanding field The editorial team and the authors come from diverse professional and geographical backgrounds and provide an unprecedented coverage of topics relating to both culture and climate of modern organizations Well known editors Neal Ashkanasy Celeste P. M. Wilderom and Mark F. Peterson lend a truly international perspective to what is the single most comprehensive and up to date source on the growing field of organizational culture and climate In addition the Handbook opens with a foreword by Andrew Pettigrew and two provocative commentaries by Ben Schneider and Edgar Schein and concludes with an invaluable set of combined references Publisher

**Neighborhood Self-Management** Hillel Schmid, 2012-12-06 Over the past two decades Western countries have witnessed changes in the governance of local authorities During that period governmental authority and traditional governmental functions have gradually shifted to local authorities at the municipal level In keeping with this trend the governments have attempted to diminish their role in the provision of social human and communal services and encouraged nongovernmental organizations to penetrate the arena of services previously supplied by the government In the community domain neighborhood organizations that encourage citizen involvement and participation in policymaking and decisions concerning their life and well being have gained increasing influence In this regard the emergence of the community council and its development as a unique entity in the municipal arena is particularly noteworthy The community council reflects an advanced stage in the development of community and voluntary organizations that lacked the organizational and professional infrastructure know how and technologies as well as the competence to cope with the powerful governmental and municipal establishment The community council reflects the developed civic consciousness of the city's residents who demand responses to their changing and heterogeneous needs In this context neighborhood residents have sought to establish a powerful and influential organization that serves them and represents their interests vis à vis the municipal and governmental authorities

### Organizational Shock Introduction

In today's digital age, the availability of Organizational Shock books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Organizational Shock books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Organizational Shock books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Organizational Shock versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Organizational Shock books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Organizational Shock books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Organizational Shock books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT

OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Organizational Shock books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Organizational Shock books and manuals for download and embark on your journey of knowledge?

### FAQs About Organizational Shock Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Organizational Shock is one of the best book in our library for free trial. We provide copy of Organizational Shock in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Organizational Shock. Where to download Organizational Shock online for free? Are you looking for Organizational Shock PDF? This is definitely going to save you time and cash in something you should think about.
