

# ORGANIZED CRIME, PRISON AND POST-SOVIET SOCIETIES

ANTON N. OLEINIK  
With a Foreword by Alain Touraine

# Organized Crime Prison And Post Soviet Societies

**Alain Touraine, Anton Oleinik**

## **Organized Crime Prison And Post Soviet Societies:**

**Organized Crime, Prison and Post-Soviet Societies** Alain Touraine, Anton Oleinik, 2017-11-01 This title was first published in 2003 The Red Mafia in Russia have become the subject of increasing international interest and considerable misinterpretation After well received editions in Russian French and Italian Anton Oleinik s study of Russian prisons in which he explores the social roots of organized crime in post Soviet societies is now published in English This English edition includes a postscript on the Moscow terrorist crisis of 2002 Oleinik s analysis reveals prison society as a mirror of broader Russian society characterized by the absence of the state as an organizer of social practices He builds on this to make a central distinction between two types of societies the modern large society and the small society like Russia that has only been partially modernized and in which the world of everyday life experiences and relationships remains entirely separated from the official aims of modernization and efficiency Oleinik is interested in the void between these two separate worlds a void he sees being filled in Russia by the Mafia

**Organized Crime, Prison and Post-Soviet Societies** Alain Touraine, 2017 Cover Half Title Dedication Title Copyright Contents List of Figures List of Tables Foreword by Alain Touraine Acknowledgments Introduction 1 Understanding the Small Society 2 Penal Society in Russia 3 Generalization Test A Torn Society 4 Institutional Change Two Cases Compared Conclusion About the Concept of the Mafia in the Post Soviet Context Postscript Appendix Bibliography

**Russian Organized Corruption Networks and their International Trajectories** Serguei Cheloukhine, M.R. Haberfeld, 2011-03-29 Countries undergoing major social and legal transitions typically experience a light but relatively insignificant increase in crime However in the past decade many transitional countries in Eastern Europe and Russia in particular have experienced a surge in criminal activities that came about through the collaboration of diverse players such as criminals state officials businesspersons and law enforcement into organized networks aimed to obtain financial and economic gains

*Criminal Subculture in the Gulag* Mark Vincent, 2020-05-14 Despite growing academic interest in the Gulag our knowledge of the camps as a lived experience remains relatively incomplete Criminal Subculture in the Gulag in its sophisticated analysis of crime punishment and everyday life in Soviet labour camps rectifies this From Gulag journals and song collections to tattoo drawings and dictionaries of slang Mark Vincent draws on often overlooked archival material from the Moscow Criminological Bureau to reconstruct a fuller picture of Gulag daily life and society In thematic chapters Vincent maps the Gulag penal arc of prisoners across initiation tests means of communication the importance of card playing punishment rituals and the notorious 1948 52 cyka bitches internal prison war between military veterans and vory v zakone Most importantly this timely examination of crime and punishment in modern Russia also highlights the lines of continuity between the Gulag systems late Imperial Katorga and today s Russian mafia As such this impressively interdisciplinary volume is important reading for all scholars of 20th century Russia as well as those interested in international criminality and penology

Gender, Geography, and Punishment Judith Pallot, Laura Piacentini, Dominique

Moran,2012-10-04 Gaining access to a number of penal colonies to interview prisoners the authors show that much in the Russian prison system today is a direct inheritance from the Soviet period with the result that despite wide ranging the reforms since 1991 the Russian penal experience for women is still uniquely painful Georgia: Revolution and War Rick Fawn,2016-03-23 The post Soviet country of Georgia has generated surprise upon surprise Its Rose Revolution in 2003 marked the first time an existing leadership of a post Soviet state was forced to surrender power peacefully The new leadership of Western educated Mikheil Saakashvili initiated wide ranging domestic reforms including a large scale unprecedented anti corruption drive It also intensified relations with the West and sought membership of the EU and NATO The Georgian leadership s expressed aim of re integrating territories lost in wars in the early 1990s resulted in a devastating conflict with Russia in 2008 All these developments and their wider implications receive careful yet readable attention in this collection by a truly international and specialist group of authors and practitioners The book offers a spectrum of opinion and compelling insight into the events and decisions that have recently shaped this fascinating yet understudied country and placed it at the forefront of interest in the changes transforming post Soviet Eurasia This book is based on a special issue of European Security Surviving Russian Prisons Laura Piacentini,2012-12-06 What do Russian prisons look like Who is sent to prison in Russia How is punishment allocated and administered This pioneering book aims to answer these and other questions by embarking on a journey that begins by exploring how the prisons have survived the collapse of the USSR and ends with a discussion of global penal politics It is the first book to have been written in English on penal practices in the contemporary Russian prison system Surviving Russian Prisons focuses in particular on the reality of work and labour within Russian prisons exploring its changing function From being for much of the twentieth century a major activity as well as an ideological justification for prison regimes its main function now has been to enable prisoners to survive through participating in a barter economy In exploring the microworlds of the Russian prison this book at the same time presents new evidence and offers fresh insight into how prisons are governed in societies undergoing turbulent social and political transformation it explores how current practices in relation to prisoners work comply with international regulations designed to promote humane containment and positive custody and debates the nature of knowledge on penal discourse in transitional states **Encyclopedia of Contemporary Russian Culture** Tatiana Smorodinskaya,Karen Evans-Romaine,Helena Goscilo,2013-10-28 This addition to the highly successful Contemporary Cultures series covers the period from period 1953 with the death of Stalin to the present day Both Russian and Culture are defined broadly Russian refers to the Soviet Union until 1991 and the Russian Federation after 1991 Given the diversity of the Federation in its ethnic composition and regional characteristics questions of national regional and ethnic identity are given special attention There is also coverage of Russian speaking immigrant communities Culture embraces all aspects of culture and lifestyle high and popular artistic and material art fashion literature music cooking transport politics and economics film crime all and much else are covered in order to

give a full picture of the Russian way of life and experience throughout the extraordinary changes undergone since the middle of the twentieth century The Encyclopedia of Contemporary Russian Culture is an unbeatable resource on recent and contemporary Russian culture and history for students teachers and researchers across the disciplines Apart from academic libraries the book will also be a valuable acquisition for public libraries Entries include cross references and the larger ones carry short bibliographies There is a full index

**Prison in Iran** Nahid Rahimpour Anaraki, 2020-11-06 This book offers a unique look into prisons in Iran and the lives of the prisoners and their families It provides an overview of the history of Iranian prisons depicts the sub culture in contemporary Iranian prisons and highlights the forms that gender discrimination takes behind the prison walls The book draws on the voices of 90 men and women who have been imprisoned in Iran interviewed in 2012 and 2017 across various parts of the Islamic Republic of Iran It presents a different approach to the one proposed by Michel Foucault in Discipline and Punish because the author argues that Iran never experienced the age of sobriety in punishment and a slackening of the hold on the body Whilst penal severity in Iran has reduced its scope has now extended beyond prisoners to their families regardless of their age and gender In Iran penalties still target the body but now also affect the bodies of the entire prisoner's family It is not just prisoners who suffer from the lack of food clothes spaces for sleeping health services legal services safety and threats of physical violence and abuse but also their families The book highlights the costs of mothers incarceration for their children It argues that as long as punishment remains the dominant discourse of the penal system the minds and bodies of anyone related to incarcerated offenders will remain under tremendous strain This unique book explores the nature of these systems in a deeply under covered nation to expand understandings of prisons in the non Western world

**How Russia Really Works** Alena V. Ledeneva, 2014-01-15 During the Soviet era blat the use of personal networks for obtaining goods and services in short supply and for circumventing formal procedures was necessary to compensate for the inefficiencies of socialism The collapse of the Soviet Union produced a new generation of informal practices In How Russia Really Works Alena V Ledeneva explores practices in politics business media and the legal sphere in Russia in the 1990s from the hiring of firms to create negative publicity about one's competitors to inventing novel schemes of tax evasion and engaging in alternative techniques of contract and law enforcement Ledeneva discovers ingenuity wit and vigor in these activities and argues that they simultaneously support and subvert formal institutions They enable corporations the media politicians and businessmen to operate in the post Soviet labyrinth of legal and practical constraints but consistently undermine the spirit if not the letter of the law The know how Ledeneva describes in this book continues to operate today and is crucial to understanding contemporary Russia

*World Criminal Justice Systems* Richard J. Terrill, 2013 Includes bibliographical references p 639 665 and indexes

*Market as a Weapon* Anton Oleinik, 2017-09-08 Power is all encompassing in Russia and mediates most interactions among people including everyday decisions Even the recent administrative reforms in the country which began at the end of the 1990s have

tried to reshape the government institutions and modernize the country through the use of power Changes were initiated and implemented by people vested with power Power convention and trust can all support coordination However in the Russian institutional context power tends not only to supplement the alternative coordination mechanisms but also to substitute them Power can be used to solve problems related to social action by merging two or several centers of decision making into one The actor vested with power decides exactly how coordination and adjustment can be achieved This path breaking volume shows how power turns into a unique coordination mechanism and what are consequences of such transformation for everyday life and businesses Market as a Weapon focuses on issues of power and domination using the configuration of power relationships in Russia as a critical case but goes far beyond a narrowly defined scope of country specific studies Particular emphasis is put on domination by virtue of a constellation interests in the market since this is a relatively underexplored yet broadly used technique for imposing will in all countries that heavily rely on interventionist policies Instead of being a liberating force the market becomes an additional instrument facilitating the continuous reproduction of power which explains the title of the book Both qualitative and quantitative data including more than one hundred in depth interviews with experts state servants and businesspeople in Russia as well as statistics are used throughout the text of this major book     Prisons of the World Andrew Coyle,2021-11-04 This book discusses the failings of the prison system in many countries and offers positive pointers for the future It shows the way forward will be through initiatives such as Justice Reinvestment and in the Human Development model     *Carceral Geography* Dominique Moran,2016-04-08 The punitive turn has brought about new ways of thinking about geography and the state and has highlighted spaces of incarceration as a new terrain for exploration by geographers Carceral geography offers a geographical perspective on incarceration and this volume accordingly tracks the ideas practices and engagements that have shaped the development of this new and vibrant subdiscipline and scopes out future research directions By conveying a sense of the debates directions and threads within the field of carceral geography it traces the inner workings of this dynamic field its synergies with criminology and prison sociology and its likely future trajectories Synthesizing existing work in carceral geography and exploring the future directions it might take the book develops a notion of the carceral as spatial emplaced mobile embodied and affective     *The Palgrave Handbook of Prison Design* Dominique Moran,Yvonne Jewkes,Kwan-Lamar Blount-Hill,Victor St. John,2022-12-03 This handbook brings together expertise from a range of disciplinary perspectives and geographical contexts to address a key question facing prison policymakers architects and designers what kind of carceral environments foster wellbeing i e deliver a rehabilitative therapeutic environment or other positive outcomes The Palgrave Handbook of Prison Design offers insights into the construction of custodial facilities alongside consideration of the critical questions any policymaker should ask in commissioning the building of a site for human containment Chapters present experience from Australia Chile Estonia Ireland New Zealand Norway Russia the United Kingdom and the United States jurisdictions which vary widely in terms of

the history and development of their prison systems their punitive philosophies and the nature of their public discourse about the role and purpose of imprisonment to offer readers theories frameworks historical accounts design approaches methodological strategies empirical research and practical approaches

**Power on the Inside** Mitchel P. Roth, 2020-11-05

Power on the Inside is the first book to examine the historical development of prison gangs worldwide from those that emerged inside mid nineteenth century Neapolitan prisons to the new generation of younger inmates challenging the status quo within gang subcultures today Historian criminologist Mitchel P Roth examines prison gangs throughout the world from the Americas Oceania and South Africa to Southeast Asia Europe and beyond The book examines the many variables that influence the evolution of prison subcultures from colonialism and population demographics to prison architecture and staff prisoner relations Power on the Inside features eighty historical and contemporary images and will inform professionals in the field as well as general readers who want to know more about the realities of prison gangs today

**Law and Society** Steven Vago, 2015-07-14

For one semester undergraduate courses in Law and Society Sociology of Law Introduction to Law and a variety of criminal justice courses offered in departments of Sociology Criminal Justice and Political Science Examines the interplay between law and society Law and Society 10e provides an informative balanced and comprehensive analysis of the interplay between law and society This text presents an overview of the most advanced interdisciplinary and international research theoretical advances ongoing debates and controversies It raises new levels of awareness on the structure and functions of law and legal systems and the principal players in the legal arena and their impact on our lives In addition it looks at the legal system in the context of race class and gender and considers multicultural and cross cultural issues in a contemporary and interdisciplinary context

**The Palgrave Handbook of Prison Tourism** Jacqueline Z. Wilson, Sarah Hodgkinson, Justin Piché, Kevin Walby, 2017-05-17

This extensive Handbook addresses a range of contemporary issues related to Prison Tourism across the world It is divided into seven sections Ethics Human Rights and Penal Spectatorship Carceral Retasking Curation and Commodification of Punishment Meanings of Prison Life and Representations of Punishment in Tourism Sites Death and Torture in Prison Museums Colonialism Relics of Empire and Prison Museums Tourism and Operational Prisons and Visitor Consumption and Experiences of Prison Tourism The Handbook explores global debates within the field of Prison Tourism inquiry spanning a diverse range of topics from political imprisonment and persecution in Taiwan to interpretive programming in Alcatraz and the representation of incarcerated Indigenous peoples to prison graffiti This Handbook is the first to present a thorough examination of Prison Tourism that is truly global in scope With contributions from both well renowned scholars and up and coming researchers in the field from a wide variety of disciplines the Handbook comprises an international collection at the cutting edge of Prison Tourism studies Students and teachers from disciplines ranging from Criminology to Cultural Studies will find the text invaluable as the definitive work in the field of Prison Tourism

**Lived Religion, Conversion and Recovery** Srdjan Sremac, Ines W. Jindra, 2020-04-23

The central theme

of this book is the nexus between the self the social and the sacred in conversion and recovery The contributions explore the complex interactions that occur between the person the sacred and various recovery situations which can include prisons substance abuse recovery settings and domestic violence shelters With an interdisciplinary approach to the study of conversion the collection provides an opportunity for a better understanding of lived religion guilt shame hope forgiveness narrative identity reconstruction religious coping religious conversion and spiritual transformation This volume will be of interest to scholars and students of lived religion religious conversion recovery homelessness and substance dependence

### Organized Crime Prison And Post Soviet Societies Introduction

In the digital age, access to information has become easier than ever before. The ability to download Organized Crime Prison And Post Soviet Societies has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Organized Crime Prison And Post Soviet Societies has opened up a world of possibilities. Downloading Organized Crime Prison And Post Soviet Societies provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Organized Crime Prison And Post Soviet Societies has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Organized Crime Prison And Post Soviet Societies. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Organized Crime Prison And Post Soviet Societies. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Organized Crime Prison And Post Soviet Societies, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Organized Crime Prison And Post Soviet Societies has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About Organized Crime Prison And Post Soviet Societies Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
