Oriental Sex Manners A Guide To The Bizarre Sexual Morality Of The East:

Cincinnati Magazine ,2001-08 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region Oriental Sex Manners Howard Seymour Levy,1971 **Kamasutra : a Practical Guide for Sex** Karthikeyan Kasinathan,2018-05-24 The principles of the just and the unjust are the same at all times and in all places they constitute the absolute morality but the principles of morals vary with ages and countries From the boundless promiscuity of the savage tribes to the absolute prohibition of the work of flesh outside marriage how many degrees in the liberty granted to sexual intercourse by public opinion and by social and religious law With the exception of Iranians and Jews all antiquity has considered the carnal act as permissible whenever it does not injure the rights of others for example trade with a widow or any other woman completely mistress of his person However China Greece and Rome honored the virgins and theFrom the point of view of reason alone and of selfish conscience the tolerance of Indians and pagans seems natural and the strict rule of the Iranians seems dictated by social or political interest so this rule has been imposed only in the name of a revelation by Zoroaster and Moses Hence there are two great divisions among the peoples in terms of morals in some monogamy is obligatory in others polygamy is permitted in all the forms it may take including concubinage and temporary fornication In ancient times among peoples who do not admit revelation one must distinguish in terms of manners on the one hand the Arians of India in whom religion and superstition mingle intimately and actively with everything as regards manners in a political interest with no artistic genius and on the other hand the Arians of the West that is to say the Greeks and Romans in whom this worship was only the outward manifestation of morals without direction or action marked on them Thus the naturalism of the Brahms antiquity pays and the principles of Iran or Israel which inherited Christianity form three subjects of study of manners to bring together and bring out by their contrasts Matter is found for the first subject in the scholiasts and poets of Brahmanism for the second in classical literature mainly in Latin poets under the twelve Caesars for the third in modern writers on morals scholars and theologians These authors are universally known and it will suffice to quote some excerpts But it is necessary to give in this introduction first summary information on the Iranians then more complete details on the Brahms THE IRANIANS It seems established that Mazdaism is after the nineteenth century before Christ when the Vedic era begins and before the eighth century before Christ from which it is concluded that the author of Avesta preceded the law of Manou and could not be contemporary with Pythagoras as some Greek historians assert Perhaps moreover Zoroaster is a generic name as were probably those of Manu and Buddha which designates a series of legislators the last of which would be that which Pythagoras would have known in Babylon and in Balk where he held school Ancient Iran was east of the great salt desert of Khaver formerly the Inland Sea its center was Merv and Balk Nearby was if not the cradle of the Aryan race at least its last station before the separation of its two Asian branches Zoroaster is recognized as a reformer who wanted to raise his country succumbing to the exploitation of magicians

and to inertia and to regenerate it by work especially agricultural and by the development of the population based on marriage good morals and ideas of purity These are his two essential precepts that we find in the law of Moses Avoid and purify physical and moral defilements to have pure morals to increase the population Zoroaster recommends the art of healing and proscribes magic his code is only a moral and physical therapy He may as some say of Moses have borrowed from Egypt much of his precepts on defilement and purifications Modern Sexual Morality Clement Wood,1920 **Sex Rules!** Janice Zarro Brodman,2017-11-14 1 Amazon New Release Think you know about sexual customs around our world Have fun and enjoy some surprises This book is a humorous glimpse of a wide range of stereotype busting sexual relationship and romantic mores around the world It is fun interesting and eye opening For example places where women control the mating game set marriage rules and marry one another for political power The fact that it s all true also makes it fascinating Take a romp through a rollicking worldwide tour with LOL views of extraordinary sexual customs It will astound and regale you At the same time it proves sex is like happiness universally sought but subjectively enjoyed Kama Sutra Olivia Dare,2021-04-09 55% Off Bookstores NOW at 32 95 instead of 42 95 Your Customer Will Never Stop to Use This Awesome Book Improve Your Sex Life Now These sex positions will blow your mind Positions are chosen for optimal sexual experience and creative fun under the sheets Try these great moves with your partner This book will teach you enjoyable sex positions that you can bring to the bedroom and even beyond Sex is a major part of our lives so we should enjoy it Creative positions can help you to explore your sexuality in different ways They will be enjoyable and even bring you and your partner closer in the bedroom What You Will Get 365 Sex Positions for your Enjoyment Positions for every skill level easy to expert Positions chosen for maximum pleasure Advice and Safety is Considered All Positions come with an image Wait no more Buy it NOW and let your customer get addicted to this amazing book Kama Sutra & Tantric Sex Madison Streep,2020-05-23 Do you want to master the secrets of oriental sex with Kama Sutra and Tantric Sex Do you want to spice up your sex life Do you want to learn how to improve your relationship and intimacy with your partner Do you want to become an expert in sex and seduction Then this book is for you This is The Ultimate Oriental Sex Guide with 2 Manuscripts in 1 Book 1 Kama Sutra 2 Tantric Sex You no longer have to lose your time and resources looking around In this book you will learn everything and anything you want and need to know about how to bring your sex life to the next level You will discover all Kama Sutra Secrets and how to leverage Tantric Sex to the maximum all juiced up with several illustrations You will learn things you didn't even know you needed to know but that will make you wonder how you ever lived without In Manuscript 1 Kama Sutra you will discover What is Kama Sutra and its benefits What is love for Kama Sutra How to succeed in flirting and courtship How can you become a master in seduction How enjoy at best the 100 sex positions of the extended Kama Sutra including standing relaxing woman dominates man dominates sitting acrobatic positions How to excel at oral sex with several positions What masturbation techniques can you use to better discover yourself What type of orgasm should you aim at and how to get
