exploration of Goa's forgotten past Dr Vinay Nalwa's meticulous research and passionate writing shed light on the painful and often ignored history of Hindu oppression An absolute must read for those who seek the truth beyond popular narratives A powerful and eye opening book that challenges conventional history The depth of research is commendable and the writing is impactful At times the narrative can be dense with information but it's undoubtedly an essential read for those who want to know the real story of Goa An engaging and well researched work that brings to light a dark chapter often overlooked Dr Nalwa's commitment to revealing historical truths is admirable While some parts felt slightly repetitive the overall impact of the book is profound and enlightening A thought provoking book that addresses an important topic but the writing style can be a bit heavy at times Some sections felt overly detailed which made it a slow read for me Still it's a valuable addition to historical literature on Goa Absolutely brilliant Dr Nalwa's dedication to uncovering the suppressed history of Goa is truly admirable This book is not just informative but also deeply moving It challenges readers to reflect on the hidden stories of the past and their relevance today Highly recommended
