Waterhouse,2017-04-11 Charting the development of American business from the colonial period to the present The Harder You Work, the Luckier You Get Joe Ricketts,2019-11-05 Joe Ricketts founder of TD Ameritrade shares the epic inside story of how a working class kid from the Nebraska prairie took on Wall Street s clubby brokerage business busted it open and walked away a billionaire Joe Ricketts always had the gift of seeing what others missed The son of a house builder he started life as a part time janitor but by the age of thirty three he saw the chance to challenge the big brokerage firms by offering Americans an inexpensive way to take control of their own stock trading Nowadays we take for granted that Main Street is playing right there on Wall Street but Ricketts made that happen His company begun with 12 500 borrowed from friends and family took off like a rocket thanks to an early embrace of digital technology and irreverent marketing But Ameritrade also faced a series of near disasters the SEC almost shut him down his partners tried to force him out because of his relentless risk taking penny brokers swindled the company the crash of 1989 nearly cost him everything and he was almost shut down again when a customer committed massive fraud By the time of the dot com bust he had proven that his strategy based on frontier values could survive just about anything The Harder You Work The Luckier You Get offers a view inside Joe Ricketts mind giving readers a visceral understanding of how entrepreneurs think and act differently from the rest of us how they see the horizon where we just see a spreadsheet As unvarnished as the prairie he comes from Ricketts also talks honestly about his shortcomings as a manager the career sacrifices his wife made for his business the complexity of being a father and the pain of splitting with his mentor and of his brother s death from AIDS Overcoming these and other challenges he built a company now worth 30 billion A must read for anyone who s ever dreamed of starting their own business The Harder You Work The Luckier You Get is the ultimate only in America story Corporate Conspiracies Richard Belzer,David Wayne,2017-05-09 From New York Times bestselling authors Richard Belzer and David Wayne comes a hard look at the wrongs done to us all by big business in America Here is an explosive account of wrongful acts perpetrated and the ensuing cover ups inflicted upon us by American corporations The bestselling author team of Richard Belzer and David Wayne exposes the ways that the

capitalist regime has got us under their thumbs from the mainstream media and its control over us to the trillions stolen by big banks and mortgage companies during the mortgage crisis to the scams perpetrated by Big Oil and Big Pharma The one common victim of all that corruption is the American public and Corporate Conspiracies wants to do something about it Corporate Conspiracies takes dead aim at those who take advantage of us little guys Probably most disturbing is the book s examination of politics and capitalism teaming up against us how politicians and lobbyists all have their hands in each other s pockets while stabbing us in the back and how the well established energy lobby which is petroleum natural gas and coal has played a dominant role in the shaping of US foreign policy for decades Did you know that companies at times know that their products will kill people but they do nothing because it is actually cheaper to compensate the victims than it is to correct the problem And did you know that the Pentagon is sending 1 5 trillion of our tax dollars to their corporate buddies for a new fighter jet that is already superfluous This book is guaranteed to make us all think twice about being enslaved and cheated by corporate America Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home
