Origins Of The First World War

Zara S. Steiner, Keith Neilson

Origins Of The First World War:

The Origins of the First World War James Joll, Gordon Martel, 2013-11-05 James Joll's study is not simply another narrative retracing the powder trail that was finally ignited at Sarajevo. It is an ambitious and wide ranging analysis of the historical forces at work in the Europe of 1914 and the very different ways in which historians have subsequently attempted to understand them. The importance of the theme, the breadth and sympathy of James Joll's scholarship and the clarity of his exposition have all contributed to the spectacular success of the book since its first appearance in 1984. Revised by Gordon Martel, this new 3rd edition accommodates recent research and an expanded further reading section. *The Origins of the First World War* Ruth Henig, 2003-09-06 First published in 2003, Routledge is an imprint of Taylor Francis, an information company.

The Origins of the First World War Ruth Beatrice Henig, 1993 This fully revised edition focuses on the major issues and assesses the validity of the different interpretations advanced on the origins of the First World War. There is an enormous literature on the origins of the First World War. This pamphlet focuses on the major issues involved in the topic and assesses the validity of the different interpretations advanced. Beginning with the legacy of Bismarck's diplomacy between 1871 and 1890, Ruth Henig surveys the roots of the conflict and outlines the assassination crisis which led to war in August 1914, looking especially at the factors which influenced individual countries to mobilize their armed forces. She goes on to consider how the long term factors leading up to the crisis of 1914 and the crisis itself have been interpreted by successive generations of historians since 1919, including the recent arguments concerning German responsibility for the outbreak of war.

The Origins of the First World War James Joll, 1992 An ambitious and wide ranging analysis of the historical forces at work in the Europe of 1914 and the very different ways historians have subsequently attempted to understand them. The importance of the theme, the breadth and sympathy of the scholarship and the clarity of the writing all contributed to the spectacular success of the first edition. Now Professor Joll has revised his text which has been reset in a more readable format. There is substantial new material on Italy and the war and a fully reworked bibliography.

The Origins of the First World War William Mulligan, 2010-03-04 Providing a new interpretation of the origins of the First World War, this textbook synthesises recent scholarship and introduces the major historiographical and political debates surrounding the outbreak of the war. William Mulligan argues that the war was a far from inevitable outcome of international politics in the early twentieth century and suggests instead that there were powerful forces operating in favour of the maintenance of peace. His fresh perspective on the pre-war international system takes account of new approaches to the study of international politics since the end of the Cold War and the acceleration of globalisation. Thematic chapters examine key issues including the military, public opinion, economics, diplomacy and geopolitics, and analyse relations between the great powers, the role of smaller states, the disintegrating empires and the July crisis. This compelling account will significantly revise our understanding of diplomacy, political culture and economic history from 1870 to 1914. *The Origins of the First*

World War William Mulligan,2010-03-04 A new interpretation of the origins of World War I that synthesises recent scholarship and introduces the major historiographical and political debates surrounding the outbreak of the war It examines key issues providing a clear account of relations between the great powers disintegrating empires and the role of smaller states

The Origins of the First World War Bernadotte Everly Schmitt,1958 **Origins of the First World War** Gordon Martel,2013-11-14 The Origins of the First World War summarises and analyses the policies issues and crises that produced the cataclysm of war in 1914 The position of each of the great powers is clearly explained including their place in the system of alliances that dominated international politics

Hidden History Gerry Docherty,James MacGregor,2013-07-04 Think you know about British history and the causes of the First World War Think again This fascinating and gripping study of events at the turn of the Twentieth Century is a remarkable insight into how political and social factors that we widely accept to be the causes of The Great War were really just a construct put together by a very small but powerful political elite Thought provoking Docherty and Macgregor do not mince their words their arguments are powerful Britain at War Simply astonishing Reader review Very illuminating Reader review You simply MUST read this book Reader review This is a page turner Reader review Hidden History uniquely exposes those responsible for the First World War It reveals how accounts of the war s origins have been deliberately falsified to conceal the guilt of the secret cabal of very rich and powerful men in London responsible for the most heinous crime perpetrated on humanity For ten years they plotted the destruction of Germany as the first stage of their plan to take control of the world The assassination of Archduke Franz Ferdinand was no chance happening It lit a fuse that had been carefully set through a chain of command stretching from Sarajevo through Belgrade and St Petersburg to that cabal in London Our understanding of these events has been firmly trapped in a web of falsehood and duplicity carefully constructed by the victors at Versailles in 1919 and maintained by compliant historians ever since The official version is fatally flawed warped by the volume of evidence they destroyed or concealed from public view Hidden History poses a tantalising challenge The authors ask only that you examine the evidence they lay before you

The First World War Alan John Percivale Taylor,1972 *The Origins of the First World War* Annika Mombauer,2013-12-02 The seminal event of the 20th century the origins of the First World War have always been difficult to establish and have aroused deep controversy Annika Mombauer tracks the impassioned debates as they developed at critical points through the twentieth century The book focuses on the controversy itself rather than the specific events leading up to the war Emotive and emotional from the very beginning of the conflict the debate and the passions aroused in response to such issues as the war guilt paragraph of the treaty of Versailles are set in the context of the times in which they were proposed Similarly the argument has been fuelled by concerns over the sacrifices that were made and the casualties that were suffered Were they really justified

The First World War Martin Gilbert,2018-09-01 A stunning achievement of research and storytelling that weaves together the major fronts of WWI into a single sweeping narrative Publishers Weekly starred review It was to be the

war to end all wars and it began at 11 15 on the morning of June 28 1914 in an outpost of the Austro Hungarian Empire called Sarajevo It would officially end nearly five years later Unofficially however it has never ended Many of the horrors we live with today are rooted in the First World War The Great War left millions of civilians and soldiers maimed or dead It also saw the creation of new technologies of destruction tanks planes and submarines machine guns and field artillery poison gas and chemical warfare It introduced U boat packs and strategic bombing unrestricted war on civilians and mistreatment of prisoners But the war changed our world in far more fundamental ways than these In its wake empires toppled monarchies fell and whole populations lost their national identities As political systems and geographic boundaries were realigned the social order shifted seismically Manners and cultural norms literature and the arts education and class distinctions all underwent a vast sea change As historian Martin Gilbert demonstrates in this majestic opus of historical synthesis the twentieth century can be said to have been born on that fateful morning in June of 1914 Publishers Weekly starred review One of the first books that anyone should read to try to understand this war and this century The New York Times Book Review The Origins of the First World War Annika Mombauer,2013-12-02 The seminal event of the 20th century the origins of the First World War have always been difficult to establish and have aroused deep controversy Annika Mombauer tracks the impassioned debates as they developed at critical points through the twentieth century The book focuses on the controversy itself rather than the specific events leading up to the war Emotive and emotional from the very beginning of the conflict the debate and the passions aroused in response to such issues as the war guilt paragraph of the treaty of Versailles are set in the context of the times in which they were proposed Similarly the argument has been fuelled by concerns over the sacrifices that were made and the casualties that were suffered Were they really justified The Origins of World War I, 1871-1914 Joachim Remak,1995 Appropriate for courses in Western Civilization Modern Europe and Twentieth Century Europe this text examines the origins of the First World War An ideal supplementary text it is concise readable and combines traditional and diplomatic history with the controversy surrounding the origin of the First World War 1914-1918 David Stevenson,2005 In the summer of 1914 Europe exploded into a frenzy of mass violence The war that followed had global repercussions and David Stevenson re examines the causes course and impact of this war to end war placing it in the context of its era and exposing its underlying dynamics This is a wide ranging international history **The Routledge History of the First World War** Paul R. Bartrop,2024-08-27 The Routledge History of the First World War is a work which in a single volume covers a range of major themes and issues relating to that conflict Providing a comprehensive but readily accessible reference work examining the First World War in accordance with a broad range of themes this book presents the many ways in which study of the First World War can take place and introduces readers to new areas of research often untouched in other studies of the war With a scholarly Introduction and 60 chapters by specialist authors who come from 14 different countries across four continents the book is also intended to open lines of further inquiry from its solid base of academic

knowledge The volume demonstrates the war's global and total nature examining the conflict in all major theatres and through the lens of the key combatants and neutrals It also fully engages with issues of race gender ideology and society during the war This book will appeal to students of all levels scholars and general readers alike interested in the First World War from several different perspectives and research areas The 60 chapters cover topics from numerous angles and provide detailed information about all aspects relating to the First World War

Britain and the Origins of the First World War Zara S. Steiner, Keith Neilson, 2017-04-25 How and why did Britain become involved in the First World War Taking into account the scholarship of the last twenty five years this second edition of Zara S Steiner's classic study thoroughly revised with Keith Neilson explores a subject which is as highly contentious as ever While retaining the basic argument that Britain went to war in 1914 not as a result of internal pressures but as a response to external events Steiner and Neilson reject recent arguments that Britain became involved because of fears of an invented German menace or to defend her Empire Instead placing greater emphasis than before on the role of Russia the authors convincingly argue that Britain entered the war in order to preserve the European balance of power and the nation's favourable position within it Lucid and comprehensive *Britain and the Origins of the First World War* brings together the bureaucratic diplomatic economic strategical and ideological factors that led to Britain's entry into the Great War and remains the most complete survey of the pre war situation

The Cambridge History of the First World War: Volume 1, Global War Jay Winter, 2014-01-09 This first volume of *The Cambridge History of the First World War* provides a comprehensive account of the war's military history An international team of leading historians charts how a war made possible by globalization and imperial expansion unfolded into catastrophe growing year by year in scale and destructive power far beyond that which anyone had anticipated in 1914 Adopting a global perspective the volume analyses the spatial impact of the war and the subsequent ripple effects that occurred both regionally and across the world It explores how imperial powers devoted vast reserves of manpower and material to their war efforts and how by doing so they changed the political landscape of the world order It also charts the moral political and legal implications of the changing character of war and in particular the collapse of the distinction between civilian and military targets

The First World War Michael Howard, 2003 This book is an insightful narrative history focusing on why the First World War occurred how it was fought and why it had the consequences it did It examines in turn the state of Europe in 1914 and the outbreak of war the onset of attrition in 1915 and the extension of the war the crisis of the war 1917-18 the collapse of Russia and the weakening and eventual surrender of the Central Powers the making of peace and the historical controversies surrounding the causes and conduct of war

The Origins of the First World War Hannsjoachim Wolfgang Koch, 1972

Origins Of The First World War Introduction

In the digital age, access to information has become easier than ever before. The ability to download Origins Of The First World War has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Origins Of The First World War has opened up a world of possibilities. Downloading Origins Of The First World War provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Origins Of The First World War has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Origins Of The First World War. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Origins Of The First World War. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Origins Of The First World War, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Origins Of The First World War has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it

is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Origins Of The First World War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Origins Of The First World War is one of the best book in our library for free trial. We provide copy of Origins Of The First World War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Origins Of The First World War. Where to download Origins Of The First World War online for free? Are you looking for Origins Of The First World War PDF? This is definitely going to save you time and cash in something you should think about.
