Origins Of Modernism In Russian Architecture:

The Origins of Modernism in Russian Architecture William Craft Brumfield, 1991 The dramatic transformation of Russian architecture from the 1880s to the 1917 revolution reflected the profound changes in Russian society as it entered the modern industrial age William Craft Brumfield examines the extraordinary diversity of architectural styles in this period and traces the search by architects and critics for a unifying idea that would define a new architecture Generously illustrated with archival materials and with the author's own superb photographs this is the first comprehensive study by a Western scholar of a neglected period in European architectural and cultural history Brumfield explores the diverse styles of Russian modernism in part by analyzing the contemporary theoretical debate about them the relation between technology and style the obligation of architecture to society and the role of architecture as an expression of national identity Steeped in controversy Russian modernism at the beginning of the century foreshadowed the radical restructuring of architectural form in the Soviet Union during the two decades after the revolution This authoritative work provides a new understanding of Russian architecture's last brief entrepreneurial episode and offers insight on our own era when individual freedom and initiative may once again find expression in Russian architecture The dramatic transformation of Russian architecture from the 1880s to the 1917 revolution reflected the profound changes in Russian society as it entered the modern industrial age William Craft Brumfield examines the extraordinary diversity of architectural styles in this period and traces the search by architects and critics for a unifying idea that would define a new architecture Generously illustrated with archival materials and with the author's own superb photographs this is the first comprehensive study by a Western scholar of a neglected period in European architectural and cultural history Brumfield explores the diverse styles of Russian modernism in part by analyzing the contemporary theoretical debate about them the relation between technology and style the obligation of architecture to society and the role of architecture as an expression of national identity Steeped in controversy Russian modernism at the beginning of the century foreshadowed the radical restructuring of architectural form in the Soviet Union during the two decades after the revolution This authoritative work provides a new understanding of Russian architecture's last brief entrepreneurial episode and offers insight on our own era when individual freedom and initiative may once again find expression in Russian architecture

Modernism in Russian Architecture William Craft Brumfield, 1991 Origins of modernism in Russian architecture W. CRAFT BRUMFIELD, 1991 **Modernism and the Spiritual in Russian Art**

Louise Hardiman, Nicola Kozicharov, 2017-11-13 In 1911 Vasily Kandinsky published the first edition of *On the Spiritual in Art* a landmark modernist treatise in which he sought to reframe the meaning of art and the true role of the artist For many artists of late Imperial Russia a culture deeply influenced by the regime's adoption of Byzantine Orthodoxy centuries before questions of religion and spirituality were of paramount importance As artists and the wider art community experimented with new ideas and interpretations at the dawn of the twentieth century their relationship with the spiritual broadly defined

was inextricably linked to their roles as pioneers of modernism This diverse collection of essays introduces new and stimulating approaches to the ongoing debate as to how Russian artistic modernism engaged with questions of spirituality in the late nineteenth to mid twentieth centuries Ten chapters from emerging and established voices offer new perspectives on Kandinsky and other familiar names such as Kazimir Malevich Mikhail Larionov and Natalia Goncharova and introduce less well known figures such as the Georgian artists Ucha Japaridze and Lado Gudiashvili and the craftswoman and art promoter Aleksandra Pogosskaia Prefaced by a lively and informative introduction by Louise Hardiman and Nicola Kozicharov that sets these perspectives in their historical and critical context *Modernism and the Spiritual in Russian Art New Perspectives* enriches our understanding of the modernist period and breaks new ground in its re examination of the role of religion and spirituality in the visual arts in late Imperial Russia Of interest to historians and enthusiasts of Russian art culture and religion and those of international modernism and the avant garde it offers innovative readings of a history only partially explored revealing uncharted corners and challenging long held assumptions *The Cambridge Companion to Modern Russian Culture* Nicholas Rzhevsky, 2012-04-05 A fully updated new edition of this overview of contemporary Russia and the influence of its Soviet past *A History Of Russia Volume 2* Walter G. Moss, 2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world *New Perspectives On Russian And Soviet Artistic Culture* John O. Norman, 1994-01-07 **Commerce in Russian Urban Culture, 1861-1914** William Craft Brumfield, B. V. Anan'ich, I. U. riĭ Aleksandrovich Petrov, 2001 Tsarist Russia's commercial class is today receiving serious attention from both Russian and non Russian historians This book is a contribution to that literature *Commerce in Russian Urban Culture 1861-1914* examines the relation between the entrepreneurial world especially business and banking and the cultural milieu of Russia Going beyond the commercial cultural connection of charitable activity the contributors to this collaborative project also study cultural activity undertaken by enterprises for their own purposes notably bank and commercial architecture Culture and commerce encompasses two areas in this volume The first is the business milieu itself as a social and cultural phenomenon Class and social stratification types of entrepreneurs and their mentality religious affiliations and charitable activities and donations are covered The second is their impact on the form of cities including not only Moscow and St Petersburg but Odessa and Nizhnii Novgorod Banks insurance companies and large commercial firms reshaped Russian cities with the construction of buildings for their own operations and retail shops stock exchanges mansions and public buildings This book is based on a project of the Kennan Institute for Advanced Russian Studies at the Woodrow Wilson International Center for Scholars **A Companion to Russian History** Abbott Gleason, 2014-01-28 This

companion comprises 28 essays by international scholars offering an analytical overview of the development of Russian history from the earliest Slavs through to the present day Includes essays by both prominent and emerging scholars from Russia Great Britain the US and Canada Analyzes the entire sweep of Russian history from debates over how to identify the earliest Slavs through the Yeltsin Era and future prospects for post Soviet Russia Offers an extensive review of the medieval period religion culture and the experiences of ordinary people Offers a balanced review of both traditional and cutting edge topics demonstrating the range and dynamism of the field

A History of Russia Volume 1 Walter G. Moss, 2003-07-01 This new edition retains the features of the first edition that made it a popular choice in universities and colleges throughout the US Canada and around the world Moss s accessible history includes full treatment of everyday life the role of women rural life law religion literature and art In addition it provides many other features that have proven successful including a well organized and clearly written text references to varying historical perspectives numerous illustrations and maps fully updated bibliographies accompanying each chapter as well as a general bibliography a glossary and chronological and genealogical lists

[Aesthetics as a Religious Factor in Eastern and Western Christianity](#) William Peter van den Bercken, Jonathan Sutton, 2005 This volume contains selected papers of a conference in 2004 at Utrecht University on aesthetics as a religious factor in Eastern and Western Christianity They discuss the role of aesthetics in the presentation and expression of Christian faith in Catholic and Orthodox tradition During its history Christianity has produced many works of art church architecture iconography painting music and literary texts And in Orthodoxy beauty has always been the main form of religious expression more than verbal presentation of Christian teaching which is embedded in the aesthetic context of liturgy In Christian theology beauty has often been seen as a form of divine revelation related to the mystery of incarnation The relation between aesthetics and religious belief has acquired new relevance in our secularised world Today the visible products of Catholic and Orthodox aesthetics are for many people the

main means through which they come into contact with Christianity and many people without affinity to religion are attracted by the beauty of Christian art inside and outside the church In modern religious studies the experience of beauty is recognised as a factor in explaining religious feelings The papers are divided in four sections 1 Comparative aspects of Orthodox and Catholic aesthetics 2 Religious aesthetics in Russian literary culture 3 Applied aesthetics in church art 4 Art theoretical ideological and religious philosophical aspects

Art Nouveau Jeremy Howard, 1996 This critical survey of the Art Nouveau movement reveals the diversity of this style across the breadth of the European continent With the inclusion of Eastern Europe and the full range of artistic media the book shows how this movement changed the face of European art and design from Paris to Prague Clearly structured by country it traces the emergence of Art Nouveau highlighting the particular interpretations of the style in each country Countries covered include Belgium Spain Britain Austria Hungary and Russia Each chapter contains sections on political and cultural contexts specific visual characteristics and key artists and designers It analyzes the contribution of both well known artists and designers such as Gaudi Van de Velde Mackintosh and Mucha and brings to light many others whose contributions have been largely inaccessible With a bibliography and glossary this text should provide a useful introduction to this subject
