Orlando Bloom Wherever It May Lead:

Orlando Bloom Robert Steele, 2004 Packed with glossy photos and film stills this comprehensive biography of the star of The Lord of the Rings trilogy and Pirates of the Caribbean offers a fascinating look at the young actor whose legions of fans continue to grow with each new film [The Power of Words \(2\)](#) Stilovsky, Schrödinger, 2020-02-24 Literature of all kinds plays such an important place in our lives whether it's biography classics crime or poetry In this non fiction volume you will find a mine of facts which will fascinate all who love books Felix Schrödinger and Pyotr Stilovsky have compiled in this the fifth volume of the series a compendium of information that will appeal to all who love language and especially those who seek out knowledge for its own sake **Lovin' Bloom** Heather Kranenburg, 2007-12-18 With his stunning good looks and dreamy brown eyes British heartthrob Orlando Bloom has captured Hollywood's spotlight and the adoration of girls everywhere After his award winning performance in the Lord of the Rings trilogy Orlando made audiences swoon as a swashbuckling hero in The Pirates of the Caribbean What lies ahead for this handsome Brit With lead roles in the upcoming films Troy and Kingdom of Heaven Orlando is poised to bloom big time Yet how did this charming young man make it from the stages of London to movie screens around the world Lovin' Bloom traces Orlando's path to superstardom Along the way you'll discover everything you've ever wanted to know including his favorite sports the music he craves his Hollywood crushes and behind the scenes info from his films There's little doubt why his legion of fans voted Orlando Bloom one of Teen People's twenty five hottest stars of 2002 and the best is yet to come **The Ridley Scott Encyclopedia** Laurence Raw, 2009-09-28 From his first feature film The Duellists to his international successes Alien Blade Runner Thelma and Louise Black Hawk Down Gladiator and American Gangster Ridley Scott has directed some of the most compelling films of the last 30 years Apart from his work as a film director Scott has engaged in a vast range of activities including that as a designer producer film mogul and advertising executive The Ridley Scott Encyclopedia is the first book that focuses on all aspects of his work in a wide ranging career that spans nearly 50 years The entries in this encyclopedia focus on all aspects of his work and are divided into four categories The first focuses on Ridley Scott's work as a director encompassing his feature films from The Duellists to Body of Lies as well as his work in television including commercials The second category focuses on the people who have been involved in Scott's projects including actors directors producers designers writers and other creative personnel The third focuses on general thematic issues raised in Scott's work such as gender construction political issues and geographical locations Finally the encyclopedia incorporates entries on films by other directors who have influenced Scott's approach to his work as a director or producer Each entry is followed by a bibliography of published sources both in print and online making this the most comprehensive reference on Scott's body of work [The Middle Ages in Popular Imagination](#) Paul B. Sturtevant, 2018-02-28 It is often assumed that those outside of academia know very little about the Middle Ages But the truth is not so simple Non specialists in fact learn a great deal from the myriad medievalisms

post medieval imaginings of the medieval world that pervade our everyday culture These like Lord of the Rings or Game of Thrones offer compelling if not necessarily accurate visions of the medieval world And more they have an impact on the popular imagination particularly since there are new medievalisms constantly being developed synthesised and remade But what does the public really know How do the conflicting medievalisms they consume contribute to their knowledge And why is this important In this book the first evidence based exploration of the wider public s understanding of the Middle Ages Paul B Sturtevant adapts sociological methods to answer these important questions Based on extensive focus groups the book details the ways both formal and informal that people learn about the medieval past and the many other ways that this informs and even distorts our present In the process Sturtevant also sheds light in more general terms onto the ways non specialists learn about the past and why understanding this is so important The Middle Ages in Popular Imagination will be of interest to anyone working on medieval studies medievalism memory studies medieval film studies informal learning or public history

The British National Bibliography Arthur James Wells,2006 **Looking for Papa** Patricia Tipton Johnston,2008-02 During their sixteenth summer Alex and Victoria Ashton discover the true path of their destiny and courageously follow it Travel back in history in Looking for Papa by author Patricia Johnston By visiting the past of this great nation Alex and Victoria see how the future reflects the events of the past Watch anxiously as the Salem Witch Trials take place behold the Statue of Liberty the great beacon of freedom and promise at Ellis Island and meet several significant Americans such as Harriet Tubman and Cotton Mather who were instrumental in changing the existence of discrimination in America s history As Victoria and Alex learn that as personal values become public standards an individual must strive to develop a strong faith and a sense of morality to further a peaceful environment As Alex and Victoria diligently search for answers to history s questions they find more than they are looking for in Looking for Papa
