Orphan Island Laurel Snyder, 2017-05-30 A National Book Award Longlist title A wondrous book wise and wild and deeply true Kelly Barnhill Newbery Medal winning author of *The Girl Who Drank the Moon* This is one of those books that haunts you long after you read it Thought provoking and magical Rick Riordan author of the *Percy Jackson* series In the tradition of modern day classics like Sara Pennypacker's *Pax* and Lois Lowry's *The Giver* comes a deep compelling heartbreaking and completely one of a kind novel about nine children who live on a mysterious island On the island everything is perfect The sun rises in a sky filled with dancing shapes the wind water and trees shelter and protect those who live there when the nine children go to sleep in their cabins it is with full stomachs and joy in their hearts And only one thing ever changes on that day each year when a boat appears from the mist upon the ocean carrying one young child to join them and taking the eldest one away never to be seen again Today's Changing is no different The boat arrives taking away Jinny's best friend Deen replacing him with a new little girl named Ess and leaving Jinny as the new Elder Jinny knows her responsibility now to teach Ess everything she needs to know about the island to keep things as they've always been But will she be ready for the inevitable day when the boat will come back and take her away forever from the only home she's known A unique and compelling story about nine children who live with no adults on a mysterious island Anyone who has ever been scared of leaving their family will love this book from the Brightly.com review which named *Orphan Island* a best book of 2017

Orphan Island Rose Macaulay, 1925 In 1855 a philanthropic young person Miss Charlotte Smith was escorting forty orphans to San Francisco when the ship was wrecked and the survivors Miss Smith the orphans a doctor and some others landed on a desert island Those sailors who had escaped deserted them the next day in the boats There they remained unvisited for some seventy years with little to disturb the monotony beyond the adventures of the Doctor who was secured in turn by Miss Smith and a shark All this is contained in chapter one The second chapter opens in 1922 at Cambridge where lived the descendants of one of the sailors who deserted a professor and his three children A document and chart coming into the professor's hands left by his dead grandfather telling the story of the marooning of Miss Smith and the orphans the professor and his family voyage out to the island and find there a thriving community and *Orphan Island* is chiefly concerned with the community and the relations of it to the professor and his family Amazon

Orphan Island Dame Rose Macaulay, 1961 **Orphan Island** Dame Rose Macaulay, 1941 *Orphan texts* Laura Peters, 2018-09-30 In one of the first studies of its kind *Orphan texts* seeks to insert the orphan and the problems its existence poses in the larger critical areas of the family and childhood in Victorian culture In doing so Laura Peters considers certain canonical texts alongside lesser known works from popular culture in order to establish the context in which discourses of orphanhood operated The study argues that the prevalence of the orphan figure can be explained by considering the family The family and all it came to represent legitimacy race and national belonging was in crisis In order to reaffirm itself the family needed a scapegoat it

found one in the orphan figure As one who embodied the loss of the family the orphan figure came to represent a dangerous threat to the family and the family reaffirmed itself through the expulsion of this threatening difference Orphan texts will be of interest to final year undergraduates postgraduates academics and those interested in the areas of Victorian literature Victorian studies postcolonial studies history and popular culture *The Colombian Navigator; Or, Sailing Directory for the American Coasts and the West-Indies ...* John Purdy,1839 *Orphan Island* Emilie Rose Macaulay,1900* **The Dictionary of Imaginary Places** Alberto Manguel,Gianni Guadalupi,2000 Describes and visualizes over 1 200 magical lands found in literature and film discussing such exotic realms as Atlantis Tolkien s Middle Earth and Oz Island Landscapes Gloria Pungetti,2016-11-10 *Island Landscapes* takes a critical look at the evolution of European islandscapes and seascapes to examine the conditions facing them in the twenty first century Considering island landscapes as an expression of European culture this book envisages future trends and presents clearly the need to find a balance between preservation and development to ensure sustainability Both large and small islands are illustrated in the book including the British Isles Malta and Cyprus as well as archipelagos in Norway Italy and Greece Their unique identities and values reveal the remarkable breadth of cultural heritage possessed by these diverse European islands An interdisciplinary approach is applied to the history perception characterisation and planning of islandscapes and seascape in Europe to support culturally oriented strategies for these fragile landscapes **Islands in Geography, Law, and Literature** Chiara Battisti,Sidia Fiorato,Matteo Nicolini,Thomas Perrin,2022-04-04 This collection explores the heterogeneous places we have traditionally been taught to term islands It stages a conversation on the very idea of island ness thus contributing to a new field of research at the crossroads of law geography literature urban planning politics arts and cultural studies The contributions to this volume discuss the notion of island ness as a device triggering the imagination triggering narratives and representations in different creative fields they explore the interactions between legal socio political and fictional approaches to remoteness and the state of insularity policy responses to both remoteness and boundaries on different scales and the insular legal framing of geographical remoteness The product of a cross disciplinary exchange on islands this edited volume will be of great interest to those working in the fields of Island Studies as well as literary studies scholars geographers and legal scholars *As I Like it* William Lyon Phelps,1926 **Remaking Chinese Cinema** Yiman Wang,2013-03-31 From melodrama to Cantonese opera from silents to 3D animated film *Remaking Chinese Cinema* traces cross Pacific film remaking over the last eight decades Through the refractive prism of Hollywood Shanghai and Hong Kong Yiman Wang revolutionizes our understanding of Chinese cinema as national cinema Against the diffusion model of national cinema spreading from a central point Shanghai in the Chinese case she argues for a multi local process of co constitution and reconstitution In this spirit Wang analyzes how southern Chinese cinema huanan dianying morphed into Hong Kong cinema through trans regional and trans national interactions that also produced a vision of Chinese cinema Among the book s highlights are a rereading of *The Goddess* one

of the best known silent Chinese films in the West from the perspective of its wartime Mandarin Cantonese remake the excavation of a hybrid genre the Western costume Cantonese opera film inspired by Hollywood's fantasy films of the 1930s and produced in Hong Kong well into the mid twentieth century and a rumination on Hollywood's remake of Hong Kong's *Infernal Affairs* and the wholesale incorporation of Chinese elements in *Kung Fu Panda 2* Positioning a structural analogy between the utopic vision the national cinema and the location specific collective subject position the author traces their shared urge to infinitesimally approach but never fully and finitely reach a projected goal This energy precipitates the ongoing processes of cross Pacific film remaking which constitute a crucial site for imagining and enacting without absolving issues of national and regional border politics These issues unfold in relation to global formations such as colonialism Cold War ideology and postcolonial postsocialist globalization As such *Remaking Chinese Cinema* contributes to the ongoing debate on trans national cinema from the unique perspective of century long border crossing film remaking
