ORPHISM AND CHRISTIANITY IN LATE ANTIQUITY

Orphism And Christianity

**Bruce W. Longenecker, Elizabeth E.
Shively, T. J. Lang**

Orphism And Christianity:

Orphism and Christianity in Late Antiquity Miguel Herrero de Jáuregui, 2010 Many recent discoveries have confirmed the importance of Orphism for ancient Greek religion philosophy and literature However its nature and role are still very controversial The key problem of its relationship to Christianity has been discussed by ancient and modern authors from many different viewpoints albeit too often tainted with apologetic interests and unconscious projections This free and thorough study of the ancient sources sheds light on these questions and illuminates the complexity of the encounter between Classical culture and Jewish Christian tradition New perspectives on the relationship between Classical and Jewish Christian culture On the avowed subject of Orphism Author is specialist within the field **From Orpheus to Paul** Vittorio Macchioro, 1930 **Orphism and Christianity** Vittorio Macchioro, 2005-12-01 **Backgrounds of Early Christianity** Everett Ferguson, 2003 New to this expanded updated edition are revisions of Ferguson s original material updated bibliographies a fresh discussion of first century social life the Dead Sea Scrolls much else *Redefining Ancient Orphism* Radcliffe G. Edmonds III, 2013-11-07 In a paradigm shift this book redefines Orphism as a polemical label for extra ordinary religion good or bad *Orpheus and Greek Religion* William Keith Guthrie, 1993-10-10 The tales told of Orpheus are legion He is said to have been an Argonaut and to have saved Jason s life Rivers are reported to have stopped their flow to listen to the sounds of his lyre and his voice Plato cites his poetry and Herodotus refers to practices that are called Orphic Did Orpheus in fact exist His influence on Greek thought is undeniable but his disciples left little of substance behind them Indeed their Orphic precepts have been lost to time W K C Guthrie attempts to uncover and define Orphism by following its circuitous path through ancient history He tackles this daunting task with the determination of a detective and the analytical rigor of a classical scholar He ferries his readers with him on a singular voyage of discovery [The Mystery-religions and Christianity](#) Samuel Angus, 1925 [Orphism](#) Joseph Ronald Watmough, 1934 [The Posen Library of Jewish Culture and Civilization, Volume 7](#) Israel Bartal, Kenneth B. Moss, 2024-01-05 Volume 7 of the Posen Library captures unprecedented transformations of Jewish culture amid mass migration global capitalism nationalism revolution and the birth of the secular self Between 1880 and 1918 traditions and regimes collapsed around the world migration and imperialism remade the lives of millions nationalism and secularization transformed selves and collectives utopias beckoned and new kinds of social conflict threatened as never before Few communities experienced the pressures and possibilities of the era more profoundly than the world s Jews This volume seventh in The Posen Library of Jewish Culture and Civilization recaptures the vibrant Jewish cultural creativity political striving social experimentation and fractious religious and secular thought that burst forth in the face of these challenges Editors Israel Bartal and Kenneth B Moss capture the full range of Jewish expression in a centrifugal age from mystical visions to unabashedly antitraditional Jewish political thought from cookbooks to literary criticism from modernist poetry to vaudeville They also highlight the most remarkable dimension of the 1880 1918 era an

audacious effort by newly secular Jews to replace Judaism itself with a new kind of Jewish culture centering on this worldly aesthetic creativity by a posited Jewish nation and the secular modern and free individuals who composed it This volume is an essential starting point for anyone who wishes to understand the divided Jewish present **The Magic of the Orphic Hymns** Tamra Lucid,Ronnie Pontiac,2023-08-22 Recaptures the magical vitality of the original Orphic Hymns Presents literary translations of the teletai that restore important esoteric details and correspondences about the being or deity to which each hymn is addressed Includes messages inscribed on golden leaves meant to be passports for the dead as well as a reinvention of a lost hymn to Number that preserves the original mystical intent of the teletai Explores the obscure origins and the evolution of the Orpheus myth revealing a profound influence on countercultures throughout Western history As famous Renaissance philosopher Marsilio Ficino wrote No magic is more powerful than that of the Orphic Hymns These legendary teletai of Orpheus were not simply hymns they were initiatic poems for meditation and ritual magical and ceremonial use each one addressed to a specific deity such as Athena or Zeus or a virtue such as Love Justice and Equality Yet despite the mystical concepts underlying them the original hymns were formulaic creating an obstacle for translators Recapturing the magical vitality that inspired mystery cults through the ages Tamra Lucid and Ronnie Pontiac present new versions of the teletai that include important esoteric details and correspondences about the being or deity to which each hymn is addressed The authors also include a new version of a lost hymn called Number and messages that were inscribed on golden leaves meant to be passports for the dead reinventions that preserve the original magical intent and mysticism of the teletai Revealing the power of the individual hymns to attune the reader to the sacred presence of the Orphic Mysteries and the higher order of nature the authors also show how taken together the Orphic Hymns are a book of hours or a calendar of life addressing every event from birth to death and walking us through all the experiences of human existence as necessary and holy *The 'Orphic' Gold Tablets and Greek Religion* Radcliffe G. Edmonds (III),2011-01-06 Examines new methodologies used in the study of these tablets Includes an updated edition and translation of the tablet texts *Ritual Texts for the Afterlife* Fritz Graf,Sarah Iles Johnston,2013-07-04 Fascinating texts written on small gold tablets that were deposited in graves provide a unique source of information about what some Greeks and Romans believed regarding the fate that awaited them after death and how they could influence it These texts dating from the late fifth century BCE to the second century CE have been part of the scholarly debate on ancient afterlife beliefs since the end of the nineteenth century Recent finds and analysis of the texts have reshaped our understanding of their purpose and of the perceived afterlife The tablets belonged to those who had been initiated into the mysteries of Dionysus Bacchius and relied heavily upon myths narrated in poems ascribed to the mythical singer Orpheus After providing the Greek text and a translation of all the available tablets the authors analyze their role in the mysteries of Dionysus and present an outline of the myths concerning the origins of humanity and of the sacred texts that the Greeks ascribed to Orpheus Related ancient texts are also appended

in English translations Providing the first book length edition and discussion of these enigmatic texts in English and their first English translation this book is essential to the study of ancient Greek religion **Northrop Frye's Student Essays, 1932-1938** Northrop Frye, Professor Robert D Denham, 1997-01-01 This unique collection of twenty two papers was written by Northrop Frye during his student years Made public only after Frye s death in 1991 all but one of the essays are published here for the first time **Ritual Texts for the Afterlife** ,2007-06-11 First Published in 2007 Routledge is an imprint of Taylor Francis an informa company **Robert Eisler and the Magic of the Combinatory Mind** Brian Collins,2021-01-04 Robert Eisler the polymathic Jewish Austrian scholar and Holocaust survivor faded into obscurity after his death in 1949 A contemporary and associate of Walter Benjamin Aby Warburg and Gershom Scholem Eisler spent his early years in fin de si cle Vienna and trained as an art historian and economist In this book the first in English devoted to Eisler s life and thought Brian Collins takes us through the development of Eisler s ideas about the philosophy of values comparative mythology Christianity psychoanalysis monetary policy and anthropology Collins also explores the bizarre and sometimes tragic events that defined Eisler s life including his arrest for art theft in 1907 his controversial reconstruction of a physical description of Jesus and the fifteen months he spent in Dachau and Buchenwald the inspiration for his final book Man into Wolf An Anthropological Interpretation of Sadism Masochism and Lycanthropy The Harvard Theological Review ,1927 Behind the Scenes of the New Testament Bruce W. Longenecker, Elizabeth E. Shively, T. J. Lang, 2024-11-05 This authoritative volume brings together a team of world class scholars to cover the full range of New Testament backgrounds studies in a concise up to date and comprehensive manner Drawing on the expertise of specialists in the areas of archaeological historical and biblical studies this book provides concise treatments of a wide breadth of topics related to the world of the early Christ followers The book offers compact overviews of key historical issues facilitating enriched understandings of the significance and force of the texts of the New Testament in their original contexts Meant to be used alongside traditional literature based canonical surveys this one stop introduction to New Testament backgrounds fills a gap in typical introduction to the Bible courses and is ideal for undergraduate or seminary classes It is beautifully designed and includes photographs line drawings maps charts and tables which will facilitate its use in the classroom **Initiation into the Mysteries of the Ancient World** Jan N. Bremmer, 2014-07-28 The ancient Mysteries have long attracted the interest of scholars an interest that goes back at least to the time of the Reformation After a period of interest around the turn of the twentieth century recent decades have seen an important study of Walter Burkert 1987 Yet his thematic approach makes it hard to see how the actual initiation into the Mysteries took place To do precisely that is the aim of this book It gives a thick description of the major Mysteries not only of the famous Eleusinian Mysteries but also those located at the interface of Greece and Anatolia the Mysteries of Samothrace Imbros and Lemnos as well as those of the Corybants It then proceeds to look at the Orphic Bacchic Mysteries which have become increasingly better understood due to the many discoveries of new texts in the recent times Having

looked at classical Greece we move on to the Roman Empire where we study not only the lesser Mysteries which we know especially from Pausanias but also the new ones of Isis and Mithras We conclude our book with a discussion of the possible influence of the Mysteries on emerging Christianity Its detailed references and up to date bibliography will make this book indispensable for any scholar interested in the Mysteries and ancient religion but also for those scholars who work on initiation or esoteric rituals which were often inspired by the ancient Mysteries **The Contemporary Review** ,1895
Contemporary Review ,1895

Orphism And Christianity: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Orphism And Christianity : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
